Tell No One Harlan Coben, 2021-06-29 For Dr David Beck the loss was shattering. And every day for the past eight years he has relived the horror of what happened. The gleaming lake. The pale moonlight. The piercing screams. The night his wife was taken. The last night he saw her alive. Everyone tells him it's time to move on, to forget the past once and for all. But for David Beck there can be no closure. A message has appeared on his computer, a phrase only he and his dead wife know. Suddenly Beck is taunted with the impossible: that somewhere, somehow, Elizabeth is alive. Beck has been warned to tell no one. And he doesn't. Instead, he runs from the people he trusts, the most plunging headlong into a search for the shadowy figure whose messages hold out a desperate hope. But already Beck is being hunted down. He's headed straight into the heart of a dark and deadly secret, and someone intends to stop him before he gets there. *Finding Love from 9 to 5* Jane Merrill, David Knox Jr., 2010-09-16

Employees of both sexes share the work environment, and a mishandled office romance can be disastrous for love, a life partnership, or a career. Avoid the pitfalls of love at work, from the corner office to the online friend, with this 21st-century guide. The typical workplace offers constant opportunities for face-to-face communication and social interaction. Individuals within a work environment have common experiences, share the same frustrations or feelings, and can easily garner details about one another from simple observation and casual conversation. It is not surprising that workplace romances happen so frequently, making it a topic of great interest to far more individuals than those who work in Human Resources departments. *Finding Love from 9 to 5: Trade Secrets of Office Romance* is not about workplace misbehavior. It's about love relationships that begin and sometimes end on company time, regardless of whether these individuals work in the same physical environment or not. Powerful emotions can and do ignite via a virtual connection as easily as in an actual shared workplace environment; real relationships spark in either context. This book is for anyone who has fallen in or out of love in the workplace, the single person who is dreaming of or on the brink of an office romance, and colleagues and supervisors who must learn to live and work among those involved in in-house relationships.
