they are really most engaging when known as friends when one is allowed to glimpse their courtship and marriage customs family life racial beliefs when one learns their fears and hopes as they try to straddle two cultures Miss Carrighar came to the remote village of Unalakleet as a naturalist sharing the Eskimos interest in wildlife One said to her You are the first white person who ever stayed here that didn't come to teach us or to preach to us or to sell us things As their companion in whaling and trapping Miss Carrighar had a chance to observe them as few even among people born in Alaska have She is known now throughout the North as a champion of the Eskimos Just as far from the itinerary of tourists is the daily life of the white settlers Of this too Miss Carrighar writes as a participant she bought and restored a gold rush house teetering on Nome s permafrost and is an authority on the special problems of living in the North Northerners both white and native weave their lives into a web of mutual helpfulness When the days are frigidly cold and a midday moon shines on a sunless land Alaskans draw close in an ancient instinctive humanity common to all of us but often obscured in the rush of civilized living The illumination of Miss Carrighar s love for Alaska as well as her scientist s perceptiveness make this a remarkable book The Mandie Collection, Volume 7 Lois Gladys Leppard,2011-05 Mandie enthusiasts and new Mandie fans will love volumes seven and eight of the MANDIE COLLECTION following Mandie and her friends through the Thanksgiving and Christmas holidays and beyond from her home in North Carolina to New York City to Florida Volume seven includes Mandie and the Courtroom Battle 27 Mandie and Jonathan s Predicament 28 and Mandie and the Unwanted Gift 29 *Monthly Bulletin* San Francisco Free Public Library,1905 Courage to Run Wendy Lawton,2002-04-01 Young Harriet Tubman grew up in the early 1800 s as a slave in Maryland The story of her childhood is the story of God s faithfulness as He prepares her to eventually lead more than 300 people out of slavery through the Underground Railroad **The Mandie Collection, Volume 10 : Volume 10** Lois Gladys Leppard,2011-09-01 Join the millions who have been inspired by this beloved series filled with captivating mysteries exciting adventures and timeless life lessons Mysteries abound with Mandie and the gang in The Mandie Collection Volume 10 Included in this volume Mandie and the New York Secret Mandie Joe and Celia arrive in New York eager to see their friend Jonathan and learn the secret he has discovered But they no sooner arrive than find out Jonathan has gone off to Long Island Wild with curiosity Mandie isn't sure she can wait for his return Surely there s a clue somewhere Mandie and the Night Thief A visit to their friend Tommy Patton s home in Charleston finds Mandie and the others in the midst of another mystery Strange noises from the third floor have convinced some of the servants that the house is haunted Then Mandie s jewelry starts to disappear Who or what is in the house Mandie and the Hidden Past When Mandie learns of a crack in the wall of the secret tunnel beneath her house she s convinced it holds a mystery The further she investigates the more everyone keeps her away making Mandie more determined than ever But what she finally discovers may be better left buried **Song of the Skylark** Erica James,2016-03-10 A beautifully crafted and hugely uplifting tale of friendship history and love A real gem HEAT magazine A captivating tale of love and loss SUNDAY EXPRESS magazine A stunning book brilliantly

written THE SONG OF THE SKYLARK will totally captivate you and your emotions impossible to put down Kaye Thorne Lizzie has an unfortunate knack for attracting bad luck but this time she's hit the jackpot Losing her heart to her boss at the radio station where she works leads directly to losing her job and with no money in the bank she's forced to swallow her pride and return home to her parents As if that wasn't bad enough her mother finds her work at the local care home for the elderly and it's there that Lizzie meets Mrs Dallimore In her nineties Mrs Dallimore also finds herself in a situation which she's reluctantly coming to terms with Old age has finally caught up with her and with her life drawing to a close she gives in to the temptation to relive the past by sharing it with Lizzie She tells Lizzie of the day when as a young girl and shortly before the outbreak of World War II she left her home in America to cross the Atlantic to England where she hoped to meet her English grandparents for the first time At best she hoped for a family reconciliation but before long her visit turned into so much more As Lizzie listens to Mrs Dallimore's story she begins to realize that she's not the only person to attract bad luck or make mistakes and maybe things aren't so bad for her after all
