Mrs Griffin Is Missing And Other Stories:

Mrs. Griffin is Missing and Other Stories Anna Christian,2005-11 Mrs Griffin the neighborhood mentor is missing Loved by all the children in her Harlem neighborhood Mrs Griffin invited them into her home and shared stories about famous people and events taught them proper etiquette nurtured their musical abilities and cooked some of the most delicious meals they d remember for years after Where is she Why has she failed to keep an important appointment These questions trouble her most ardent admirers Bobby Thompson outgoing persistent and curious preteen and Sonny Henderson also eleven visually handicapped intelligent and introspective Together these two eleven year old amateur sleuths set out to find Mrs Griffin Mrs Griffin is Missing is one of a trio of stories involving Bobby and Sonny In another story Bobby hears knocking coming from apartment 2C Everyone knows that his neighbor lives alone and works during the day Who is knocking and why only when Bobby is alone Because no one believes him it s up to Bobby to uncover the secret in apartment 2C The last story The Intruder sends the duo hot on the trail of yet another mystery Set in Harlem of the 1950 s it is a time of family community and suspense *Helen Breaks Bones and Other Stories* Robert Dennison,2002 **Black Lives Have Always Mattered, A Collection of Essays, Poems, and Personal Narratives** Abiodun Oyewole,2017-07-08 BLACK LIVES HAVE ALWAYS MATTERED A COLLECTION OF ESSAYS POEMS AND PERSONAL NARRATIVES edited by Abiodun Oyewole extends beyond the Black Lives Matter movement s primary agenda of police brutality to acknowledge that even when affronted with slavery segregation and Jim Crow racial injustice and inequality black lives have always mattered While written primarily by African American poets writers activists and scholars selections are also from people of the Latino and African diasporas and white activists Collectively these 79 contributors provide a call to action that challenges readers to confront long held values and beliefs about black lives as well as white privilege and fragility as it surveys the historical and contemporary ravages of racism and its persistence of structural inequality More importantly BLACK LIVES HAVE ALWAYS MATTERED provides a first hand perspective to a problem known to the African American community long before the Black Lives Matter movement revealed it to the general public that black lives have always mattered Connecting the past to the present the contributors of BLACK LIVES HAVE ALWAYS MATTERED provide an eye opening and engaging collection that has the potential to reignite a broader push for black liberation and equality for all **The Turn of the Screw and Other Stories** Henry James,2008-04-17 A young inexperienced governess is charged with the care of Miles and Flora two small children abandoned by their uncle at his grand country house She sees the figure of an unknown man on the tower and his face at the window It is Peter Quint the master s dissolute valet and he has come for little Miles But Peter Quint is dead Like the other tales collected here Sir Edmund Orme Owen Wingrave and The Friends of the Friends The Turn of the Screw is to all immediate appearances a ghost story But are the appearances what they seem Is what appears to the governess a ghost or a hallucination Who else sees what she sees The reader may wonder whether the children are victims of corruption from

beyond the grave or victims of the governess's infernal imagination which torments but also entrals her The Turn of the Screw is probably the most famous certainly the most eerily equivocal of all ghostly tales Is it a subtle self-conscious exploration of the haunted house of Victorian culture filled with echoes of sexual and social unease Or is it simply the most hopelessly evil story that we have ever read The texts are those of the New York Edition with a new Introduction and Notes ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more *Finding List of English Prose Fiction in the Chicago Public Library*, 1911 **Catalogue of the Library of the Department of the Interior** United States.
