,2018-09-20 MEET MRS GREEN GOOD COOK EVIL POISONER When Mrs Green entered domestic service as a cook in the 1920s she had no idea she was going to end up as a convicted criminal Anyone who personally knew her was convinced she was innocent But when a German diplomat dropped down dead after attending a dinner party she'd cooked for suspicions were raised The fact that she had a Jewish background counted against her Had she poisoned him It was now a time of political tensions in Europe and the authorities were quick to act A conniving British politician leads the way Either prosecute Mrs Green or risk offending the Germans and starting a war Unfortunately there were just too many powerful people ranged against her A miscarriage of justice and a guilty verdict seals her fate Somehow she will have to find a way out of her terrible predicament But three questions remained What was the butler up to Was Mrs Green really as innocent as she claimed to be And who was the mysterious person she kept writing to **Home Life on an Ostrich Farm** Annie Mrs. Martin,2022-09-15 Home Life on an Ostrich Farm is a book by Mrs Annie Martin It details the adventurous moving of a family to South Africa where they set up an ostrich farm as a business venture Excerpt South Africa is the land of pet animals The feathered and four footed creatures are all delightful They have the quaintest and most amusing ways and they are very

easily tamed The little time and attention which in a busy colonial home can be spared for the pets is always repaid a hundredfold and often you are surprised to find how quickly the bird or beast which only a few days ago was one of the wild creatures of the veldt torn suddenly from nest or burrow and abruptly turned out from the depths of a sack or of a Hottentot's pocket into a human home has become an intimate friend with a clearly marked individual character most interesting to study and quite different from those of all its fellows even of the same kind *Ladies' Home Companion*, 1927 **The frantic master** Mrs. Douglas Pulleyne, 2025-03-02 In *The Frantic Master* Mrs Douglas Pulleyne crafts a compelling narrative that delves into the intricacies of human relationships against the backdrop of a rapidly changing society The book is characterized by a vibrant literary style blending rich descriptions with a keen psychological insight that reveals the inner turmoil of its characters Pulleyne constructs a nuanced exploration of madness and obsession expertly interweaving themes of power dynamics and the quest for identity all while maintaining a firm grasp on the social mores of her time thereby situating the work within the larger framework of early 20th century literature Mrs Douglas Pulleyne a writer and social commentator of her era was deeply influenced by the shifting attitudes towards mental health and societal expectations of women Her personal experiences as a suffragette and her keen observations of the struggles within her contemporary environment inform the depth and authenticity of her characters experiences Pulleyne's background in social reform and her literary involvement reveal a profound commitment to examining the complexities of personal agency in an unforgiving world Readers who seek a thought provoking examination of emotional devastation and the pursuit of self amidst chaos will find *The Frantic Master* an indispensable addition to their literary collections This novel not only entertains but challenges us to grapple with the weight of our choices and the societal structures that shape our destinies *The New Statesman*, 1924

Henry 'Chips' Channon: The Diaries (Volume 2) Chips Channon, 2021-09-09 The second volume of the remarkable Sunday Times bestselling diaries of Chips Channon A masterpiece a time machine that transports the reader back to British politics and high society at the end of the 1930s Robert Harris The uncensored unvarnished thought of one of the 20th century's greatest diarists Best Biographies of the Year Telegraph An unrivalled guide to the social and political life of Britain in the first half of the 20th century Books of the Year The Times Fascinating New Statesman Never a dull day never a dull sentence Daily Mail \_\_\_\_\_ This second volume of the bestselling diaries of Henry Chips Channon takes us from the heady aftermath of the Munich agreement when the Prime Minister so admired by Chips was credited with having averted a general European conflagration through the rapid unravelling of appeasement and on to the tribulations of the early years of the Second World War It closes with a moment of hope as Channon in recording the fall of Mussolini in July 1943 reflects The war must be more than half over For much of this period Channon is genuinely an eye witness to unfolding events He reassures Neville Chamberlain as he fights for his political life in May 1940 He chats to Winston Churchill while the two men inspect the bombed out chamber of the House of Commons a few months later From his

desk at the Foreign Office he charts the progress of the war But with the departure of his boss Rab Butler to the Ministry of Education and Channon's subsequent exclusion from the corridors of power his life changes and with it the preoccupations and tone of the diaries The conduct of the war remains a constant theme but more personal preoccupations come increasingly to the fore As he throws himself back into the pleasures of society he records his encounters with the likes of Noël Coward Prince Philip General de Gaulle and Oscar Wilde's erstwhile lover Lord Alfred Douglas He describes dinners with members of European royal dynasties and recounts gossip and scandal about the great the good and the less good And he charts the implosion of his marriage and his burgeoning passionate friendship with a young officer on Wavell's staff These are diaries that bring a whole epoch vividly to life

**The Guernsey Under Occupation** Alice Evans, 2016-10-21 The diaries kept by Violet Carey during the occupation of Guernsey show precisely how the German invasion affected the lifestyle of an upper middle class woman Whilst never indulging in self pity she captures the misery caused by imprisonment and the lethargy and depression that many including herself suffered a feeling intensified by fear of the unknown and the sense of isolation from England and from relatives and the rest of the war In her remarkably down to earth style the diarist provides an honest account of events and does not attempt to disguise incidents of scandal or misconduct on the part of her countrymen or of humanity on the part of the Germans More lighthearted entries illustrate the delight that she and many of her friends took in defying the invader simply by sticking to firmly held principles The diaries depict both the hardships imposed upon the native population by the occupying forces and the ways in which Guernsey people reacted towards the enemy What comes through most vividly is a valiant acceptance on the part of the islanders of their circumstances together with optimism that all would turn out well Hope is never entirely lost even after life becomes simply a matter of survival The diaries also indicate the pressures experienced by the island's leaders as the writer is related to Bailiff Victor Carey and husband is Jurat of the Royal Court Following the island's liberation it was claimed that tales of their heroic endurance and indefatigable humour were covering up a deeper scandal An introductory section examines the language and content of the diaries and shows how as the occupation lengthened and shortages became more acute the veneer of civilisation could be stripped away and the privileges afforded by wealth education and class rendered irrelevant
