Mrs Stevens Hears The Mermaids Singing:

Mrs. Stevens Hears the Mermaids Singing May Sarton, 2014-07-22 Sarton's most important novel tells the story of a poet in her seventies whose life is retold episodically during an interview with two writers from a literary magazine. Hilary Stevens's prolific career includes a provocative novel that shot her into the public consciousness years ago and an oeuvre of poetry that more recently has consigned her to near obscurity. Now in the twilight of her life, Hilary, who is both a feminist and a lesbian, is receiving renewed attention for an upcoming collection of poems, one that has brought two young reporters to her Cape Cod home. As Hilary prepares for the conversation, she recalls formative moments, both large and small. She then embarks on the interview itself, a witty and intelligent discussion of her life, work, and romantic relationships with men and women. After the journalists have left, Hilary helps a visiting male friend with his anxiety over being gay and imparts wisdom about channeling his own creative passions. This ebook features an extended biography of May Sarton.

Mrs. Stevens Hears the Mermaids Singing May Sarton, 1974 Mary Sarton's ninth novel explores a woman's struggle to reconcile the claims of life and art, to transmute passion and pain into poetry. As it opens, Hilary Stevens, a renowned poet in her seventies, is talking with Mar, an intense young man who has sought her out and whose passionate despair reminds her of herself when young Mar has had an unhappy love affair with a man. Bewildered by both his sexuality and his writing talent, he flings his anguish against Hilary's brusque sympathetic intelligence. The next event in this emotionally charged day is the arrival of a team of interviewers sent by a leading literary periodical to search out the reasons and mysteries behind the poet's work. In her efforts to answer the questions put to her, Hilary Stevens retraces her past, seeking the link between encounters with the muse, those passionate attachments to women who ignited her imagination, and her own epiphanies. We have to dare to be ourselves, she says, however frightening or strange that self may prove to be. In taking inventory of her own creative life, Hilary Stevens recalls how the mermaids sang. Love opens the doors into everything as far as I can see, including and perhaps most of all, the door into one's secret real self. Jacket

Mrs. Starling's Problem Pearl Sydenstricker Buck, 1973-01-01 While being interviewed by two young reporters, an elderly female poet reflects on the emotional experiences that inspired her works.

access to Sarton's letters, journals and notes and during five years of research came to know Sarton herself the complex woman and artist. She gives us a compelling portrait of Sarton the actress, the poet, the novelist, the feminist, the writer who struggled for literary acceptance. She shows us beneath Sarton's exhilarating irresistible spirit the needy courtier and seducer, the woman whose creativity was propelled by the psychic drama she created in others. We watch young May at age two as she is abruptly uprooted from her native Belgium by World War I, a child ignored both by her mother who was intent on her own artistic vision and reluctant to cope with a child, and by her father obsessed with his academic research. We see Sarton as a young girl in America and then later at nineteen choosing a life in the theatre, landing a job in Eva Le Gallienne's Civic Repertory and gathering what would become a tight knit coterie of friends and lovers. Sarton beginning to write poetry and novels, Sarton making friends with Elizabeth Bowen and Julian Huxley, Erika and Klaus Mann, Virginia Woolf, the poet H.D., charming and enlisting them with her work, her vitality, her hunger for love, driven by her need to conquer among her conquests Bowen, Huxley and later his wife Juliette. We see her intense friendships with literary pals including Muriel Rukeyser, her lover, and Louise Bogan, Sarton's literary sibling who at once encouraged her and excluded her from a world in which Bogan was a central figure. We see Sarton begin to create in the spiritual journals that inspired the devotion of readers, the image of a strong independent woman who lived peacefully with solitude, an image that contradicted the reality of her neediness, loneliness and isolation as she pushed away loved ones with her demands and betrayals. A fascinating portrait of one of our major literary figures, a book that for the first time reveals the life that she herself kept hidden. The Advocate, 1997-06-24.
