Mrs Caliban:

Mrs. Caliban Rachel Ingalls, 2017-11-15 Now back in print Mrs Caliban is totally unforgettable The New York Times Book Review and something of a miracle The New Yorker In the quiet suburbs while Dorothy is doing chores and waiting for her husband to come home from work not in the least anticipating romance she hears a strange radio announcement about a monster who has just escaped from the Institute for Oceanographic Research Reviewers have compared Rachel Ingalls's Mrs Caliban to King Kong Edgar Allan Poe's stories the films of David Lynch Beauty and the Beast The Wizard of Oz E T Richard Yates's domestic realism B horror movies and the fairy tales of Angela Carter how such a short novel could contain all of these disparate elements is a testament to its startling and singular charm *Mrs Caliban and other stories* Rachel Ingalls, 2013-04-18 I loved Mrs Caliban So deft and austere in its prose so drolly casual in its fantasy John Updike First published in 1982 Mrs Caliban was in 1986 selected by the British Book Marketing Council as one of the 20 best post war American novels Ingalls takes a B movie premise aquatic humanoid escapes from lab and pounds it into a thrilling new shape a vehicle for social satire kitchen sink realism surreal domesticity and just plain blood curdling screams The book deals with incest and insanity curtailed feminine social spheres and the Other horrific violence and a palpable sadness saturate the pages Ed Park Village Voice This volume also includes two story collections Three of a Kind and The End of Tragedy so making a tremendous primer in the subtle prose style and fabulist force of Rachel Ingalls **Mrs Caliban and Others** Rachel Ingalls, 1982 [Mrs. Caliban](#) Julie Talen, Hampton Fancher, Rachel Ingalls, 1995 **Mrs. Caliban** Rachel Ingalls, 2018 [A Way of Life, Like Any Other](#) Darcy O'Brien, 2014-07-01 This PEN Hemingway Award winner about coming of age in Los Angeles is a little gem of a novel a masterwork of Hollywood fiction Salon He's a child of 1940s Hollywood specifically Casa Fiesta a ranch in the Malibu hills that he shares with his mother a onetime Broadway headliner and his father a star of Westerns But when his parents fall out of favor in Tinseltown the narrator of this exquisitely crafted dark comedy loses his youthful idyll and accompanies his lovesick mother on a vodka soaked international quest for romance and redemption Meanwhile his father lives in diminished circumstances in California clinging to his silver screen mementos trusting that someday soon his ex wife and his career will return Tired of tending bar at his mother's parties and listening to his father's sad tales of former glory the boy moves in with his best friend's family in Beverly Hills But nothing in La La Land is quite what it seems and when his new home turns out to be just as dysfunctional as the last our teenage hero must somehow learn to accept his parents while finding the courage to break free and become his own man This award winning novel a kind of Catcher in the Rye for the Cheap Trick generation GQ was cited by the Guardian as one of the ten best neglected literary masterpieces Written by a New York Times bestselling author who was a child of Hollywood movie stars himself it has been praised for its spectacularly deadpan humor by the Atlantic Monthly and called an insightful coming of age tale by the Austin Chronicle **The Tribe of Pyn** David Cowart, 2015-12-02 In The Tribe of Pyn Cowart offers

illuminating readings of several important novelists now at the height of their powers whose work has received fairly limited scholarly attention thus far Jonathan Franzen Alice Walker David Foster Wallace Gloria Naylor Richard Powers and a raft of others are examined with lapidary care Wrestling with the challenges inherent to distinguishing generational character especially in the postmodern context which is often marked by its disavowal of ideas of origin etc Cowart teases out interactions and entanglements that help illuminate the work of the younger writers at the center of this study and also that of the trailblazers on its ragged frontiers By comparing literary figures born in the 1940s 1950s 1960s and later with those born in the 1920s and 1930s Cowart seeks to map the changing terrain of contemporary letters Hardly epigones he argues the younger writers add fresh inflections to the grammar of literary postmodernism Younger writers can continue to make it new Cowart establishes without needing to dismantle the aesthetic they have inherited from a parental generation

Aliens
George Edgar Slusser, 1987 How and when does there come to be an anthropology of the alien This set of essays written for the eighth J Lloyd Eaton Conference on Fantasy and Science Fiction is concerned with the significance of that question Anthropology is the science that must designate the alien if it is to redefine a place for itself in the universe according to the Introduction The idea of the alien is not new In the Renaissance Montaigne's purpose in describing an alien encounter was excoriation man kind was the savage because the artificial devices of nature controlled him Shakespeare's version of the alien encounter was incorporation his character of Caliban is brought to the artificial political world of man and incorporated into the body politic The essays in this volume show in their general orientation that the tribe of Shakespeare still in literary studies at least outnumbered that of Montaigne These essays show the interrelation of the excorinating possibilities to the internal soundings of the alien encounter within the human mind and form This book is divided into three parts

Searchings The Quest for the Alien includes The Aliens in Our Mind by Larry Niven Effing the Ineffable by Gregory Benford Border Patrols by Michael Beehler Alien Aliens by Pascal Ducommun and Metamorphoses of the Dragon by George E Slusser Sightings The Aliens among Us includes Discriminating among Friends by John Huntington Sex Superman Sociobiology by Joseph D Miller Cowboys and Telepaths by Eric S Rabkin Robots by Noel Perrin Aliens in the Supermarket by George R Guffey and Aliens R U S by Zoe Sofia Soundings Man as the Alien includes H G Wells Familiar Aliens by John R Reed Inspiration and Possession by Clayton Koelb Cybernauts in Cyberspace by David Porush The Human Alien by Leighton Brett Cooke From Astarte to Barbie by Frank McConnell and An Indication of Monsters by Colin Greenland

The Aftermath
Hilaire Belloc, 1927 *Our Sentimental Garden* Agnes Sweetman Castle, Egerton Castle, Charles Robinson, 2008-08 Agnes and Egerton Castle's 1914 work describes the garden and gardening of Villino Loki in the southern moorlands of Surrey with background information on the people and events of the area *Historical Dictionary of Fantasy Literature* Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with

history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature

The Fantastic Other Brett Cooke, George E. Slusser, Jaume Marti-Olivella, 2022-06-08 The Fantastic Other is a carefully assembled collection of essays on the increasingly significant question of alterity in modern fantasy the ways in which the understanding and construction of the Other shapes both our art and our imagination The collection takes a unique perspective seeing alterity not merely as a social issue but as a biological one Our fifteen essays cover the problems posed by the Other which after all go well beyond the bounds of any single critical perspective With this in mind we have selected studies to show how insights from deconstruction Marxism feminism and Freudian Jungian and evolutionary psychology help us understand an issue so central to the act of reading

Tempests after Shakespeare C. Zabus, 2016-04-30 *Tempests After Shakespeare* shows how the rewriting of Shakespeare's play serves as an interpretative grid through which to read three movements postcoloniality postpatriarchy and postmodernism via the Tempest characters of Caliban Miranda Sycorax and Prospero as they vie for the ownership of meaning at the end of the twentieth century Covering texts in three languages from four continents and in the last four decades this study imaginatively explores the collapse of empire and the emergence of independent nation states the advent of feminism and other sexual liberation movements that challenged patriarchy and the varied critiques of representation that make up the postmodern condition

San Miguel T. Coraghessan Boyle, 2013-01-01 The schooner from Santa Barbara arrives at the tiny desolate island on New Year's Day 1888 As the trunks are unloaded onto the wet sand thirty eight year old Marantha Waters looks at the cliffs falling away into the churning sea This is the first day of her new life on San Miguel Joined by her husband a fiercely possessive Civil War veteran who will take over the operation of the sheep ranch on the island Marantha strives to persevere in the face of brutal isolation But the constant wind and sheep ravaged wasteland shatter her illusions her husband promised paradise As he obsessively resolves to stay and becomes increasingly distant from her and their adopted daughter Edith Marantha's blighted lungs grow weaker in the dampness Two years later Edith now a spirited teenager and an aspiring actress will exploit every opportunity to escape the captivity her father has imposed on her March 1930 Another family and another bride arrives on San Miguel Elise Lester a librarian from New York City and her husband Herbie a World War I

veteran full of manic energy achieve a celebrity of sorts as the news cameras take an interest in these wayward people living in the wild But the unyielding island is haunted by its history Will the family be able to cling together as the war threatens to pull everything apart San Miguel is a vivid and gripping story of hard lives pitched against the elements the desires of stubborn men and the unbearable burden of love from master American storyteller T C Boyle **The Stork Club** Maureen Freely,2012-02-16 Mike and Laura are an ordinary couple who are in love But things start to go awry following the birth of their first child when they become prey to an insidious Californian public menace the Stork Club a group of professional mothers whose power becomes irresistible Women Talk Back to Shakespeare Jo Eldridge Carney,2021-10-27 This study explores more recent adaptations published in the last decade whereby women either authors or their characters talk back to Shakespeare in a variety of new ways Talking back to Shakespeare a term common in intertextual discourse is not a new phenomenon particularly in literature For centuries women writers novelists playwrights and poets have responded to Shakespeare with inventive and often transgressive retellings of his work Thus far feminist scholarship has examined creative responses to Shakespeare by women writers through the late twentieth century This book brings together the then of Shakespeare with the now of contemporary literature by examining how many of his plays have cultural currency in the present day Adoption and surrogate childrearing gender fluidity global pandemics imprisonment and criminal justice the intersection of misogyny and racism these are all pressing social and political concerns but they are also issues that are central to Shakespeare s plays and the early modern period By approaching material with a fresh interdisciplinary perspective Women Talk Back to Shakespeare is an excellent tool for both scholars and students concerned with adaptation women and gender and intertextuality of Shakespeare s plays The Tempest and New World-Utopian Politics F. Brevik,2015-12-17 This study on New World utopian politics in The Tempest traces paradigm shifts in literary criticism over the past six decades that have all but reinscribed the text into a political document This book challenges the view that the play has a dominant New World dimension and demonstrates through close textual readings how an unstable setting at the same time enables and effaces discursively over invested New World interpretations Almost no critical attention has been paid to the play s vacuum of power and this work interprets pastoral utopian and American tensions in light of the play s forever ambiguous setting as well as through a presentist post 1989 lens an oft neglected historical and political paradigm shift in Shakespeare criticism *Our Sentimental Garden* Agnes Castle,Egerton Castle,1914
