Mu 1 The Lost Continent Of Mu:

The Lost Continent of Mu James Churchward, 2007-08 This classic book on the theory of a lost continent in the Pacific imparts the fascinating travel stories and theories of James Churchward [The Lost Continent of Mu](#) James Churchward, 1926

Earth's Catastrophic Past and Future William Hutton, Jonathan Eagle, 2004-08 Edgar Cayce America's best documented psychic gave upwards of 44 readings that dealt with lost continents, geophysical changes to Earth beginning 1958-1998 and a pole shift due to begin about now. In this book, geologist William Hutton and researcher Jonathan Eagle look for correspondences between results of geophysical research studies and psychic descriptions of prehistoric catastrophes. They also seek scientifically to test readings/predictions of catastrophic Earth changes all the while investigating the following fascinating subjects: Development and calibration of a comprehensive pole shift model; The countries predicted to be most affected by a sudden 1 pole shift; The geologic trend for a mineralized gold vein at Bimini, Bahamas; The authors' discoveries of correlations between a 2002 arctic earthquake and the eruption of torrid area volcanoes; the dropping of atom bombs in 1945 and a significant increase in sunspots following; and the peaceable nature of Europe in 1645-1715 and the period's near total lack of sunspots. Cayce readings implied or predicted all three phenomena. The first ever analysis of the sources of Cayce's channeled readings including a ranking of the veracity and reliability of the most important Earth changes and pole shift readings. Moralistic reasons for future catastrophic geophysical changes to Japan, China, and America. Locations of post pole shift safety lands in Canada and America. Locations of the records of the Atlantean civilization to be found when Earth changes begin. How to awaken to the New Cycle presently opening before humanity. Evidence for Atlantis in the mid-Atlantic ridge area and for Lemuria or Mu in the Pacific. The consuming religious war in which we find ourselves and an answer to world conditions today. Visions of an imminent Age ending fire as found in a Cayce reading in a channeled book by Phyllos the Tibetan and in the 1960s visions of girls at Garabandal, Spain. Doubtful interpretations of Earth changes and pole shift readings advanced by managers and writers of Cayce's legacy organization, the Association for Research and Enlightenment Inc. From the Foreword by the Editor: The acid test of pole shift and other Earth change predictions is their scientific credibility. If true momentous societal and political changes are imminent, the geopolitical map of the world will be redrawn. The authors are exploring the transition from the end of one Age to the beginning of another.

Hidden History (Volume 1 of 2) (EasyRead Super Large 18pt Edition), **The Motherland of Civilization is Taiwan** Hsien-Jung Ho, 2023-04-15 The continent of Atlantis and Mu Land, the earliest civilization that disappeared by the great Flood, has never been found. According to my paper presented at an international academic conference in early September 2005, the mega tsunami in northeastern Taiwan at least 12,000 years ago just to find out the earliest civilization lost by mankind, it can be inferred from ancient cultural relics that these two are one Taiwan Island. Another 6,000 years ago the explosion volcano of the Seven Star Mountain in Taipei lasted for several years, causing Taiwan
