Foley,2016-04-01 For many people step dancing is associated mainly with the Irish step dance stage shows Riverdance and Lord of the Dance which assisted both in promoting the dance form and in placing Ireland globally But in this book Catherine Foley illustrates that the practice and contexts of step dancing are much more complicated and fluid Tracing the trajectory of step dancing in Ireland she tells its story from roots in eighteenth century Ireland to its diverse cultural manifestations today She examines the interrelationships between step dancing and the changing historical and cultural contexts of colonialism nationalism

postcolonialism and globalization and shows that step dancing is a powerful tool of embodiment and meaning that can provoke important questions relating to culture and identity through the bodies of those who perform it Focusing on the rural European region of North Kerry in the south west of Ireland Catherine Foley examines three step dance practices one the rural Molyneaux step dance practice representing the end of a relatively long lived system of teaching by itinerant dancing masters in the region two Rinceoir na R ochta a dance school representative of the urbanized staged competition orientated practice cultivated by the cultural nationalist movement the Gaelic League established at the end of the nineteenth century and practised today both in Ireland and abroad and three the stylized commoditized folk theatrical practice of Siamsa T re the National Folk Theatre of Ireland established in North Kerry in the 1970s Written from an ethnochoreological perspective Catherine Foley provides a rich historical and ethnographic account of step dancing step dancers and cultural institutions in Ireland *Magazine of Art* ,1926 Fodor's Essential Ireland 2020 Fodor's Travel Guides,2019-09-24 Ready to experience Ireland The experts at Fodor s are here to help Fodor s Ireland 2020 travel guide is packed with customizable itineraries with top recommendations detailed maps of Ireland and exclusive tips from locals Whether you want to explore Ireland s iconic coastal scenery visit the Cliffs of Moher or the Ring of Kerry or experience Ireland s thriving arts and music scene this user friendly guidebook will help you plan it all out Our local writers vet every recommendation to ensure that you not only make the most of your time but that you also have all the most up to date and essential information you need to plan the perfect trip This new edition has been FULLY REDESIGNED with a new layout and beautiful images for more intuitive travel planning Fodor s Essential Ireland 2020 includes AN ULTIMATE EXPERIENCE GUIDE that visually captures the top highlights of Ireland SPECTACULAR COLOR PHOTOS AND FEATURES throughout including special features on Dublin s literary heritage iconic sights like the Ring of Kerry and the Rock of Cashel and the Anglo Irish Georgian House Other features shine a spotlight on cruising on the Shannon hiking in the West and Irish whiskeys INSPIRATIONAL BEST OF LISTS identify the best things to see do eat drink and more MULTIPLE ITINERARIES for various trip lengths help you maximize your time MORE THAN 20 DETAILED MAPS help you plot your itinerary and navigate confidently EXPERT RECOMMENDATIONS ON HOTELS AND RESTAURANTS offer options for every taste TRIP PLANNING TOOLS AND PRACTICAL TIPS include guides to getting around saving money and time beating the crowds and a calendar of festivals and events LOCAL INSIDER ADVICE tells you where to find under the radar gems along with the best walking tours HISTORICAL AND CULTURAL OVERVIEWS add perspective and enrich your travels NEW FEATURES include Top Castle Hotels and Manor Houses Best Golf Courses What to Buy in Ireland and new Itineraries for Ireland s Wild Atlantic Way and Ireland s Ancient East COVERS Dublin Belfast Kerry Clare Galway Cork Belfast Northern Ireland the Aran Islands the Ring of Kerry The Giants Causeway the Wild Atlantic Way Killarney Connemara Trinity College Dublin s museums the Book of Kells Dingle Donegal Irish Castles and Monasteries Irish Design Irish Festivals and events and more ABOUT FODOR S AUTHORS Each

Ireland Christopher Somerville, 2022-09-13T00:00:00+02:00. The National Geographic Traveler guidebooks are in tune with the growing trend toward experiential travel. Each book provides inspiring photography, insider tips, and expert advice for a more authentic, enriching experience of the destination. These books serve a readership of active, discerning travelers and supply information, historical context, and cultural interpretation not available online. History and culture-based tourism is experiencing an unprecedented boom, and Ireland is a destination that is rich in both. Tower after tower, the Irish Anglo-Norman castles stud the island. They are the calling card of the country's ancient culture, and turning the pages of this guide, readers will discover them one by one in the company of Christopher Somerville, one of the U.K.'s most famous travel narrators. The guide covers all of the regions of Ireland, including the cosmopolitan capital city of Dublin, the charming hills of Wicklow, and the limestone plateau in Burren. It covers Northern Ireland as well, beginning with the lively city of Belfast and continuing on to Ulster, Derry, and a number of other significant historical destinations. Every page offers useful advice about how to get around and about the best way to visit each location. Images in the guide include 170 photographs, more than 20 maps, and the three-dimensional drawings that illustrate the intricate architectural structures of Dublin's Kilmainham Gaol, which was once a prison but is now a museum. With suggestions from local experts, visitors can dive into Irish culture through firsthand experiences, such as learning traditional Irish dancing in Galway, taking Irish language lessons in Ennis, or helping volunteers to restore Ireland's raised bogs.
