Geoffrey K. Nelson

Mud On My Doorstep Reminiscences Of A Yorkshire Farmwife:

Mud on My Doorstep Irene Megginson,1987-07-01

Transforming the Countryside Paul Brassley,Jeremy

Burchardt,Karen Sayer,2016-11-25 It is now almost impossible to conceive of life in western Europe either in the towns or the countryside without a reliable mains electricity supply By 1938 two thirds of rural dwellings had been connected to a centrally generated supply but the majority of farms in Britain were not linked to the mains until sometime between 1950 and 1970 Given the significance of electricity for modern life the difficulties of supplying it to isolated communities and the parallels with current discussions over the provision of high speed broadband connections it is surprising that until now there has been little academic discussion of this vast and protracted undertaking This book fills that gap It is divided into three parts The first on the progress of electrification explores the timing and extent of electrification in rural England Wales and Scotland the second examines the effects of electrification on rural life and the rural landscape and the third makes comparisons over space and time looking at electrification in Canada and Sweden and comparing electrification with the current problems of rural broadband

Working the Land

Nicola Verdon,2017-09-22 This book offers a new history of the

farmworker in England from 1850 to the present day It focuses on the paid worker considering how the experiences of farm work the work performed wages earned and conditions of hiring were shaped by gender age and region Combining data extracted from statistical sources with personal and autobiographical accounts it places the individual farmworker back into a broader collective history Beginning in the mid Victorian era when farmworkers were the most numerically significant occupational group in England it considers the impact of economic technological and social change on the scale and nature of farm work over the next hundred and fifty years whilst also highlighting the continuation of some practices including the use of casual and migrant workers to perform low paid seasonal work Written in a lively and accessible manner this book will appeal to those with an interest in rural history gender history and modern British history

Women's Lives and Clothes in

WW2 Lucy Adlington,2019-10-30 An illustrated history of World War II era women s fashions featuring ladies from all nations involved in conflict What would you wear to war How would you dress for a winter mission in the open cockpit of a Russian bomber plane At a fashion show in Occupied Paris Singing in Harlem or on fire watch in Tokyo *Women s Lives and Clothes in WW2* is a unique illustrated insight into the experiences of women worldwide during World War II and its aftermath The history of ten tumultuous years is reflected in clothes fashion accessories and uniforms As housewives fighters fashion designers or spies women dressed the part when they took up their wartime roles Attractive to a general reader as well as a specialist *Women s Lives and Clothes in WW2* focuses on the experiences of British women then expands to encompass every continent affected by war Woven through all cultures and countries are common threads of service survival resistance and emotion Historian Lucy Adlington draws on interviews with wartime women as well as her own archives and costume collection Well known names and famous exploits are featured alongside many never before told stories of quiet heroism You

ll indulge in luxury fashion bridal ensembles and enticing lingerie as well as thrifty make do and mend You ll learn which essential garments to wear when enduring a bomb raid and how a few scraps of clothing will keep you feeling human in a concentration camp Women s Lives and Clothes in WW2 is richly illustrated throughout with many previously unpublished photographs 1940s costumes and fabulous fashion images History has never been better dressed *Countrywomen on the Land* Geoffrey K. Nelson,1992 **Whitaker's Books in Print** ,1990 The Dalesman ,1987
