the most important concerns for any racer preparation and training div      The Making of Sporting Cultures John Hughson, 2013-09-13 The Making of Sporting Cultures presents an analysis of western sport by examining how the collective passions and feelings of people have contributed to the making of sport as a way of life The popularity of sport is so pronounced in some cases that we speak of certain sports as national pastimes Baseball in the United States soccer in Britain and cricket in the Caribbean are among the relevant examples discussed Rather than regarding the historical development of sport as the outcome of passive spectator reception this work is interested in how sporting cultures have been made and developed over time through the active engagement of its enthusiasts This is to study the history of sport not only from below but also from within as a means to understanding the deep relationship between sport and people within class contexts the middle class as well as the working class Contestation over the making of sport along axes of race gender and class are discussed where relevant A range of cultural writers and theorists are examined in regard to both how their writing can help us understand the making of sport and as to how sport might be located within an overall cultural context in different places and times The book will appeal to students and academics within humanities disciplines such as cultural studies history and sociology and to those in sport studies programmes interested in the historical cultural and social aspects of sport This book was published as a special issue of Sport in Society      *Brands* Jonathan E. Schroeder, 2014-11-27 Branding has emerged as a cornerstone of marketing practice and corporate strategy as well as a central cultural practice In this book Jonathan Schroeder brings together a curated selection of the most influential and thought provoking papers on brands and branding from Consumption Markets and Culture accompanied by new contributions from leading brand scholars Giana Eckhardt John F Sherry Jr Sidney Levy and Morris Holbrook Organised into four perspectives cultural corporate consumer critical these papers are chosen to highlight the complexities of contemporary branding through leading consumer brands such as Disney eBay Guinness McDonalds Nike and Starbucks They address key topics such as celebrity branding corporate branding place branding and retail branding and critique the complexities of contemporary brands to provide a rich trove of interdisciplinary research insights into the function of brands as ethical ideological and political objects This thought provoking collection will be of interest to all scholars of marketing consumer behaviour anthropology and sociology and anyone interested in the powerful roles brands play in consumer s lives and cultural discourse      *Darts in England, 1900-39* Patrick Chaplin, 2018-09-30 Drawing on an eclectic range of primary and secondary sources Chaplin examines the development of darts in the context of English society in the early twentieth century He reveals how darts was transformed during the interwar years to become one of the most popular recreations in England not just amongst working class men and to a lesser extent working class women but even to some extent among the middle and upper classes This book assesses the social economic and cultural forces behind this transformation This work also considers the growth of the darts manufacturing industry and assesses the overall effect the growing popularity of darts had on interwar society and popular culture with

particular reference to the changing culture and form of the English public house This original study will be of interest to sports historians social historians business historians sociologists and sports scientists **Vice and the Victorians** Mike Huggins,2015-12-17 Vice and the Victorians explores the ways the Victorian world gave meanings to the word vice and the role this complex notion played in shaping society Mike Huggins provides a richer and more nuanced understanding of a term that despite its vital importance to the Victorians has thus far lacked a clear definition Each chapter explores a different facet of vice Firstly the book seeks to define exactly what vice meant to the Victorians exploring how the language of vice was used as a tool to beat down opposition and dissent It considers the cultural geography and spatial dimensions of vice in the public and private spheres before moving on to look at specific vices the unholy trinity of drink sex and gambling Finally it shifts from vice to virtue and the efforts of moral reformers and reassesses the relationship between vice and respectability in Victorian life In his lively and engaging discussion Mike Huggins draws on a range of theory and exploits a wide variety of texts and representations from the periodical press parliamentary reports and Acts novels obscene publications paintings and posters newspapers sermons pamphlets and investigative works This will be an illuminating text for undergraduates studying Victorian Britain as well as anyone wishing to gain a more nuanced understanding of Victorian society **The Politics of**

**Drink in England, from Gladstone to Lloyd George** David M. Fahey,2022-01-25 This book is about alcoholic drink political parties and pressure groups From the 1870s into the 1920s excessive drinking by urban workers frightened the major political parties They all wanted to reduce the number of public houses It was not easy to find a way that would satisfy temperance reformers many of them prohibitionists and the licensed drink trade Brewers demanded compensation when pubs were closed but temperance reformers were vehemently opposed to this The book highlights a prolonged struggle of vested interests and ideologies in this regard showing that a Royal Commission in 1899 helped break the stalemate In a controversial deal brewers got compensation but they had to pay for closing some of their own pubs Later during the First World War the government experimented with an alternative to closing public houses disinterested or non commercial management and considered State Purchase of the entire drink trade **Swimming with Dr Johnson and Mrs Thrale**

Julia Allen,2012-11-29 Swimming with Dr Johnson and Mrs Thrale challenges the popular image of Samuel Johnson as a man who favoured energetic discussion over physical exercise enthroned in an armchair peering short sightedly at a book Thanks to the diarist and author Hester Thrale we have many anecdotes that connect Dr Johnson to a variety of sports and Julia Allen following Lytton Strachey s advice to attack her subject in unexpected places uses entries from Dr Johnson s dictionary and anecdotes about the great man as her window into the world of eighteenth century sport and exercise Revealing a world both foreign and familiar Allen takes the reader through a range of sports and activities from boxing and cricket to dancing and coach travel to swimming riding and skating She reasserts women s place in eighteenth century sport especially the luckier ones such as Mrs Thrale and draws on medical treatises and reports to show how dangerous these sports could be and to

explore the theories upon which contemporary notions about health and exercise were based Combined with fascinating biographies not only of Dr Johnson and Mrs Thrale but also of a host of eighteenth century sporting celebrities Swimming with Dr Johnson and Mrs Thrale gives a fascinating insight into a century where things were done very differently often with dangerous consequences This eccentric book brings together pieces of eighteenth century life to create a vivid picture of the whole making it essential reading for anybody interested in history or sport

**New Directions in Sport History** Duncan Stone, John Hughson, Rob Ellis, 2017-10-02 Emerging from the history from below movement sport history was marginalised for decades by those working within more traditional historical fields and institutions Although a degree of ignorance still exists sport history has now acquired a level of credibility through the dedicated work of professional historians And yet as this authority has been established changes to UK higher education funding the removal of direct state funding the Research Excellence Framework and tuition fees and academic publishing open access have the potential to damage or even end sports research This book examines sport history from a variety of perspectives Do mainstream historians need to engage or play with sports historians Has the postmodernist cultural turn in sports history been helpful to the sub discipline How can the teaching of sports studies be more innovative and inspiring How can oral history and sport history be utilised in the study of other branches of historical interest Although changes are required in dealing with the current political reality of UK higher education sport history still has a great deal to offer students future employers and the public alike This book was originally published as a special issue of the International Journal of the History of Sport

**Slow Cornwall and the Isles of Scilly** Kirsty Fergusson, 2012 As much an entertaining armchair read as a practical guide this is a personal slow tour of Cornwall Experience crashing waves and glorious beaches wild moorland and wooded valleys and the quiet and hitherto unsung byways of the Cornish landscape Take time to savour the outstanding cuisine and seek out the lively arts scene Interviews with locals from blacksmiths and bakers to artists and fishermen paint an intimate picture of the people of the region Kirsty Fergusson enriches your stay with her local knowledge on where to stay eat and drink and what to see and do Tips on where to paddle with the tide up wooded creeks to village pubs on where to discover lost varieties of Cornish apples and on riding a bike from standing stones to swimming holes provide an intimate picture of this popular tourist destination
