Mudhole Smith Alaska Flier:

Mudhole Smith, Alaska Flier Lone E. Janson, 1981 The story of a Kansas barnstormer who became a famous Alaskan bush pilot

Alaska's Skyboys Katherine Johnson Ringsmuth, 2015-10-01 This fascinating account of the development of aviation in Alaska examines the daring missions of pilots who initially opened up the territory for military positioning and later for trade and tourism Early Alaskan military and bush pilots navigated some of the highest and most rugged terrain on earth taking off and landing on glaciers mudflats and active volcanoes Although they were consistently portrayed by industry leaders and lawmakers alike as cowboys and their planes compared to settlers covered wagons the reality was that aviation catapulted Alaska onto a modern global stage the federal government subsidized aviation's growth in the territory as part of the Cold War defense against the Soviet Union Through personal stories industry publications and news accounts historian Katherine Johnson Ringsmuth uncovers the ways that Alaska's aviation growth was downplayed in order to perpetuate the myth of the cowboy spirit and the desire to tame what many considered to be the last frontier

Alaska's Bush Planes Ned Rozell, 2013-04-18 The passion for flight has seized Alaska flyers and those who yearn to fly to the Last Frontier since 1913 when the first biplane arrived in crates via steamship and paddle wheeler In the decades to follow Alaska's skies buzzed with aircraft some brand new others patched together and still others lovingly restored to their original beauty Alaska's Bush Planes offers a brief history of flight in Alaska then transports the reader on a visual journey with favorite aircraft some of which have served for decades It's a perfect book for the pilot or the pilot wannabe who dreams of flying in the Northland

Alaska History Marvin W. Falk, 2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom

Bush Pilot Arnold Griesse, 2005-01-01 Harold Gillam Sr's story is presented with new clarity and balance Bush Pilot describes a private introspective man torn between family responsibilities and his unrelenting drive to pursue his goals in aviation Early Alaska aviation did not rely on the actions of one single pilot but succeeded through the shared strength and will of many Yet Gillam made significant contributions The facts and details surrounding Gillam's adventures and some times edge of the seat flights keep readers involved from the first page through the controversy overshadowing his final tragic flight Bush Pilot is an Alaska aviation adventure Bush Pilot offers thought provoking insights into Alaska's aviation history and introduced me to its courageous and colorful pilots and other interesting characters many of whom had once been only names in the news during my growing up years here in the Interior Val Scullion Alaska grown Bush Pilot is a well researched account of an Alaska Pioneer aviator whose natural

instincts and high degree of self confidence help explain his success in off airport operation and weather and instrument flying Tom Hetherington lifelong Alaskan private pilot and Alaska aviation history aficionado In a book appealing to novice and experienced aviation buffs alike Arnold Grieser has brought new light to the life and legend of Harold Gillam Full of new details about the famed Alaska bush pilot Bush Pilot serves to demystify the events in Gillam s life while providing an excellent account of the early days in Alaska aviation history Kenny Williams a 20 000 hour airline pilot uses his Cessna 172 to reach prime hunting and fishing spots *Transportation in Alaska's Past* Michael Stephen Kennedy,1982 Proceedings of the Transportation in Alaska s Past Conference held in Fairbanks Alaska October 15 18 1981 Covers all aspects of transportation including shipbuilding aviation railways and source of historical information **Cultural Landscape Report** Paul J. White,2000 **Alaska Dept. of Fish and Game Newsletter** ,1975 *Alaska Geographic* ,1998 *The Alaska Almanac 1989* Alaska Northwest Books Staff,Alaska Northwest Publishing,1988-03 *The Alaska Almanac* ,1988 **The Pacific Historian** ,1981 *Historic McCarthy* M. J. Kirchhoff,1993 *AB Bookman's Weekly* ,1991 *Alaska* Claus-M. Naske,1987 History of the state of Alaska from early to contemporary times discussing its native peoples sale to the United States gold rush quest for statehood and oil boom **Never Say Can't** Tom Baker,2016-11-04 Orville E Dickerhoof was born before the Wright brothers flew their first airplane and lived to see a man walk on the moon His own adventures began when he bought a Curtiss Jenny biplane in 1922 and restored it to flying condition He barnstormed around the midwest in a variety of airplanes offering rides and participating in aerial circus acts When he wasn t flying he worked on the railroad During his aviation years he survived a number of mishaps and crashes and became acquainted with some of the most famous fliers of aviation s Golden Age In his 90s at the end of a full life and still retaining a sharp memory Dickerhoof related his memoirs to Tom Baker who wrote them down and added some historical context to create this book Photographs and letters from Dickerhoof s scrapbook help to illuminate life in rural and small town America during the time when great locomotives thundered across the prairies and the first airplanes took to the sky **Uniform Trade List Annual** ,1977 **Biography Index** Bea Joseph,1983 A cumulative index to biographical material in books and magazines *Facts about Alaska* ,1980 *The Cumulative Book Index* ,1981 A world list of books in the English language
