Paris Trance Geoff Dyer, 2025-09-23 People talk about love at first sight about the way that men and women fall for each other immediately but there is also such a thing as friendship at first sight Luke moves to Paris with the idea of writing a novel but things get in the way He becomes friends with a fellow expatriate Alex then he falls in love with Nicole Alex meets Sahra and the two couples form an intimacy that changes their lives As they discover the clubs and cafés of the eleventh arrondissement the four become inseparable united by deeply held convictions about dating strategies tunneling in P O W films and crucially the role of the Styrofoam cup in action movies Experiencing the exhilarating highs of Ecstasy and sex they reach a peak of rapture the comedown from which is unexpected and devastating In this book Geoff Dyer fixes a dream of happiness and its aftermath with photographic precision Boldly erotic and hauntingly elegiac comic and romantic Paris Trance confirms Dyer as one of England's most original and talented writers *Paris trance* Geoff Dyer, 1999 *The Making of Revolutionary Paris* David Garrioch, 2002-09-17 An excellent general history as well as an innovative synthesis of new research The Making of Revolutionary Paris offers vivid portraits of individual lives accounts of social trends and analyses of significant events exploring the evolution of Parisian society during the eighteenth century and revealing the city's pivotal role in shaping the French Revolution BOOK JACKET *We'll Never Have Paris* Andrew Gallix, 2019-05-14 Fiction and essays inspired by Paris from more than 70 Anglophone writers A Moveable Feast for the twenty first century When good Americans die they go to Paris wrote the Irish playwright Oscar Wilde in 1894 The French capital has always radiated an unmatched cultural political and intellectual brilliance in the anglophone imagination maintaining its status as the modern cosmopolitan city par excellence through the twentieth century to today We'll Never Have Paris explores this enduring fascination with this myth of a bohemian and literary Paris that of the Lost Generation Joyce Beckett and Shakespeare and Company which also happens to be a largely anglophone construct one which the Eurostar and Brexit only seem to have exacerbated in recent years Edited by Andrew Gallix this collection brings together many of the most talented and adventurous writers from the UK Ireland USA Australia and New Zealand to explore this theme through short stories essays and poetry in order to build up a captivating portrait of Paris as viewed by English speakers today A Moveable Feast for the twenty first century We'll Never Have Paris includes contributions from seventy nine authors including Tom McCarthy Will Self Brian Dillon Joanna Walsh Eley Williams Max Porter Sophie Mackintosh and Lauren Elkin **The London and Paris Observer**, 1826 *The Measure of Paris* Stephen Scobie, 2012-03-01 Paris remains one of the most fascinating cities in the world It provides a measure of excellence in many areas of culture and it is itself constantly being measured both by its lovers and by its critics This book presents a series of studies on the images of Paris presented by writers mostly Canadian from John Glassco to Mavis Gallant to Lola Lemire Tostevin but also in such other areas as social history and personal memoir The result is a wide ranging discussion of the city's history in 20th century literature and thought which will appeal

to all those who love Paris or who have ever walked on its streets The Dream Killer of Paris Fabrice Bourland,2012-08-13 Enter the world of supernatural crime investigation In the autumn of 1934 a channel crossing to France takes a paranormal turn for private detective Andrew Singleton when he sees an extraordinary mirage and has an encounter with a lady in white On arrival in Paris he is quickly drawn into a very unusual murder investigation in which the victim appears to have died of fright in his sleep Who caused this death and how And could there be some connection to Singleton s experience on the channel In a city alive with surrealism and metaphysical research Singleton and his partner James Trelawney set off on the trail of a criminal mastermind whose evil methods and motives will prove bizarre beyond their wildest imaginings **Travel and Transformation** Garth Lean,Russell Staiff,2016-02-24 Travel and tourism have a long association with the notion of transformation both in terms of self and social collectives What is surprising however is that this association has on the whole remained relatively underexplored and unchallenged with little in the way of a corpus of academic literature surrounding these themes Instead much of the literature to date has focused upon describing and categorising tourism and travel experiences from a supply side perspective with travellers themselves defined in terms of their motivations and interests While the tourism field can lay claim to several significant milestone contributions there have been few recent attempts at a rigorous re theorization of the issues arising from the travel transformation nexus The opportunity to explore the socio cultural dimensions of transformation through travel has thus far been missed Bringing together geographers sociologists cultural researchers philosophers anthropologists visual researchers literary scholars and heritage researchers this volume explores what it means to transform through travel in a modern mobile world In doing so it draws upon a wide variety of traveller perspectives including tourists backpackers lifestyle travellers migrants refugees nomads walkers writers poets virtual travellers and cosmetic surgery patients to unpack a cultural phenomenon that has captured the imagination since the very first works of Western literature **Old Paris** Catherine Hannah C. Jackson,1898 **New York Magazine** ,1968-09-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
