Philips Real Christmas Story:

Philip's Real Christmas Story Matthew Svoboda, 2004-08 What was the first Christmas like Who was lucky enough to witness Jesus birth Philip's Real Christmas Story is a tale of what it was like through the eyes of a nine year old boy Find out how he got to be one of the lucky few and catch a glimpse of what it all meant Philip tried as hard as he could to stay awake But now his thoughts were becoming a blur and his eyelids very heavy He was having trouble keeping his eyes open and when they were about to close for the last time FLASH There was a sudden bolt of light that shown all around them Philip in one sudden movement leaped up out of his blanket and grabbed for his father His heart was racing and his eyes because of the intense light had trouble focusing Their eyes gradually started to come into focus on a huge form in the shape of a person with wings hovering just over their heads The bright light was radiating from the form It was so bright the light from the campfire was no longer even visible Finally a voice came from the light Do not be afraid a big resonating voice but peaceful in tone The human eyes now adjusted could clearly see the angel's outline With its peaceful voice they slowly began to relax a little The angelic being continued I bring you good news of great joy that will be for all the people Today in the town of David a Savior has been born to you He is Christ the Lord All ages with appreciate this story and makes for great family reading

A Christmas Story Jean Shepherd, Phil Grecian, 2000 A beloved bestselling classic of humorous and nostalgic Americana the book that inspired the equally classic Yuletide film The holiday film A Christmas Story first released in 1983 has become a bona fide Christmas perennial gaining in stature and fame with each succeeding year Its affectionate wacky and wryly realistic portrayal of an American family's typical Christmas joys and travails in small town

Depression era Indiana has entered our imagination and our hearts with a force equal to *It's a Wonderful Life* and *Miracle on 34th Street*. This edition of *A Christmas Story* gathers together in one hilarious volume the gems of autobiographical humor that Jean Shepherd drew upon to create this enduring film. Here is young Ralphie Parker's shocking discovery that his decoder ring is really a device to promote Ovaltine; his mother and father's pitched battle over the fate of a lascivious leg; and most crucially Ralphie's unstoppable campaign to get Santa or anyone else to give him a Red Ryder carbine action 200 shot range model air rifle. Who cares that the whole adult world is telling him "You'll shoot your eye out, kid"? The pieces that comprise *A Christmas Story*, previously published in the larger collections *In God We Trust*, *All Others Pay Cash*, and *Wanda Hickey's Night of Golden Memories*, coalesce in a magical fashion to become an irresistible piece of Americana, quite the equal of the film in its ability to warm the heart and tickle the funny bone.

THE TRUCE OF GOD - A Christmas Story Mary Roberts Rinehart, 2017-07-08 A Classic Christmas short story set in medieval times with a courageous young girl who affects the peace the world so badly needs. This book was written during the era of Rinehart's serious writing. It is a medieval Christmas fairy tale about Lord Charles the Fair and his young daughter Clotilde who longs for something more than her gender allows at that period in time. This is not such an unusual wish as between the 5th C and the 15th C there are no less than 105 women recorded as taking up arms to fight alongside their male counterparts. However, this was not as easily achieved as one might think, if only because of the differences in a woman's upper body shape to men which made the shaping of armour more difficult, not to mention more cumbersome in battle.

Mary Roberts Rinehart, August 12, 1876 – September 22, 1958 was a prolific author often called the American Agatha Christie. She is considered the source of the phrase "The butler did it" although she did not actually use the phrase herself and also considered to have invented the "Had I But Known" school of mystery writing. Rinehart wrote hundreds of short stories, poems, travelogues, and special articles. Many of her books and plays were adapted for movies such as *The Bat* (1926), *The Bat Whispers* (1930), and *The Bat* (1959). While many of her books were best sellers, critics were most appreciative of her murder mysteries.
