Joann Follett Mortensen

Regional Studies In Lds Church History California 1:

Regional Studies in Latter-day Saint Church History Brigham Young University. Department of Church History and Doctrine, 2000 **My Own Pioneers 1830-1918** Kathryn J. Kappler, 2015-01-29 Follow the fascinating true stories of one family through the Mormon pioneer era stories that follow four generations and several of the author's family lines as they and their fellow pioneers help shape the early history of the Mormon Church the American West and even Mexico This memorable journey is the culmination of fifteen years of painstaking research as the author carefully reconstructs the pioneer struggles from before 1830 to 1918 using information from family journals memoirs histories and letters Volume III The Last Pioneers Refuge in Mexico 1876 1918 concludes the family history by explaining how polygamous family pioneers moved from Utah to settle Arizona and New Mexico how the pioneers faced Indian and mob threats again in their new home how because of polygamy the threat of imprisonment forced the settlers to flee into Mexico where they battled Indians and the elements adjusted to Mexican culture and citizenship and prospered how they were soon victims of the Mexican Revolution caught between two marauding armies and how they were finally forced back across the border as impoverished refugees in the very states they had once pioneered My Own Pioneers is an important work illuminating the legacy of the Mormon pioneers It is a compilation of true chronological accounts through which their lives their sacrifices and their considerable accomplishments despite terrible hardship may be honored With its extensive index this book provides an excellent research tool for academics as well as history enthusiasts and it uplifts every reader by showcasing the enduring strength and mighty faith of these pioneers **Your Sister in the Gospel** Quincy D. Newell, 2019-04-05 Dear Brother Jane Manning James wrote to Joseph F Smith in 1903 I take this opportunity of writing to ask you if I can get my endowments and also finish the work I have begun for my dead Your sister in the Gospel Jane E James A faithful Latter day Saint since her conversion sixty years earlier James had made this request several times before to no avail and this time she would be just as unsuccessful even though most Latter day Saints were allowed to participate in the endowment ritual in the temple as a matter of course James unlike most Mormons was black For that reason she was barred from performing the temple rituals that Latter day Saints believe are necessary to reach the highest degrees of glory after death A free black woman from Connecticut James positioned herself at the center of LDS history with uncanny precision After her conversion she traveled with her family and other converts from the region to Nauvoo Illinois where the LDS church was then based There she took a job as a servant in the home of Joseph Smith the founder and first prophet of the LDS church When Smith was killed in 1844 Jane found employment as a servant in Brigham Young's home These positions placed Jane in proximity to Mormonism's most powerful figures but did not protect her from the church's racially discriminatory policies Nevertheless she remained a faithful member until her death in 1908 Your Sister in the Gospel is the first scholarly biography of Jane Manning James or for that matter any black Mormon Quincy D Newell chronicles the life of this remarkable yet largely unknown figure and

reveals why James s story changes our understanding of American history **A Guide to Mormon Family History**

Sources Kip Sperry,2011-01-01 Never before has the wide array of Mormon family history sources been gathered into one comprehensive and easy to use guide In A Guide to Mormon Family History Sources author professor and lecturer Kip Sperry explains electronic databases websites microfilm collections indexed and more all relating to the Latter day Saint family history Whether you are taking your first step into your Latter day Saint ancestry your fiftieth or your five hundredth A Guide to Mormon Family History Sources will lead you to something new *Saints: The Story of the Church of Jesus Christ in the Latter Days, Volume 3* The Church of Jesus Christ of Latter-day Saints,2022-04-22 After decades of opposition the Latter day Saints have dedicated the Salt Lake Temple a mighty symbol of their industry and faith Now with a new century on the horizon the Saints are optimistic about the future and ready to spread the Savior s message of peace across the globe But the world is rapidly changing Advances in transportation and communication allow people and information to cross vast distances in record time And young people are venturing far from home as never before seeking educational and professional opportunities their parents and grandparents could hardly imagine As the Church begins to take root in Europe South America and Asia the Saints rejoice in the rise of the global Church Yet many are wary of the challenges the changing world poses to the cause of Zion While the promise of the new century is bright it comes with dire economic hardships brutal global wars and other unprecedented trials Boldly Nobly and Independent is the third book in Saints a new four volume narrative history of The Church of Jesus Christ of Latter day Saints Fast paced meticulously researched and written under the direction of the First Presidency Saints recounts true stories of Latter day Saints across the globe and answers the Lord s call to write a history for the good of the Church and for the rising generations Doctrine and Covenants 69 8 *The Man Behind the Discourse* Joann Follett Mortensen,2011-12-05 Who was King Follett When he was fatally injured digging a well in Nauvoo in March 1844 why did Joseph Smith use his death to deliver the monumental doctrinal sermon now known as the King Follett Discourse Much has been written about the sermon but little about King Although King left no personal writings Joann Follett Mortensen King s third great granddaughter draws on more than thirty years of research in civic and Church records and in the journals and letters of King s peers to piece together King s story from his birth in New Hampshire and moves westward where in Ohio he and his wife Louisa made the life shifting decision to accept the new Mormon religion From that point this humble hospitable and hardworking family followed the Church into Missouri where their devotion to Joseph Smith was refined and burnished King was the last Mormon prisoner in Missouri to be released from jail According to family lore King was one of the Prophet s bodyguards He was also a Danite a Mason and an officer in the Nauvoo Legion After his death Louisa and their children settled in Iowa where some associated with the Cutlerities and the RLDS Church others moved on to California One son joined the Mormon Battalion and helped found Mormon communities in Utah Nevada and Arizona While King would have died virtually unknown had his name not been attached to the discourse his life story reflects the

reality of all those whose faith became the foundation for a new religion His biography is more than one man s life story It is the history of the early Restoration itself **Mormon Women's History** Rachel Cope,Amy Easton-Flake,Keith A. Erikson,Lisa Olsen Tait,2017-11-29 Mormon Women s History Beyond Biography demonstrates that the history and experience of Mormon women is central to the history of Mormonism and to histories of American religion politics and culture Yet the study of Mormon women has mostly been confined to biographies family histories and women s periodicals The contributors to Mormon Women s History engage the vast breadth of sources left by Mormon women journals diaries letters family histories and periodicals as well as art poetry material culture theological treatises and genealogical records to read between the lines reconstruct connections recover voices reveal meanings and recast stories Mormon Women s History presents women as incredibly inter connected Familial ties of kinship are multiplied and stretched through the practice and memory of polygamy social ties of community are overlaid with ancestral ethnic connections and local congregational assignments fictive ties are woven through shared interests and collective memories of violence and trauma Conversion to a new faith community unites and exposes the differences among Native Americans Yankees and Scandinavians Lived experiences of marriage motherhood death mourning and widowhood are played out within contexts of expulsion and exile rape and violence transnational immigration establishing civilization in a wilderness and missionizing both to new neighbors and far away peoples Gender defines limits and opens opportunities for private expression public discourse and popular culture Cultural prejudices collide with doctrinal imperatives against backdrops of changing social norms emerging professional identities and developing ritualization and sacralization of lived religion The stories experiences and examples explored in Mormon Women s History are neither comprehensive nor conclusive but rather suggestive of the ways that Mormon women s history can move beyond individual lives to enhance and inform larger historical narratives *Regional Studies in Latter-day Saint Church History, New York* Larry C. Porter,Milton V. Backman (Jr.),Susan Easton Black,1992

Gold Rush Saints Kenneth N. Owens,2005 Combines narrative history and firsthand Mormon accounts that cast light on the presence of Latter day Saints in California during the Gold Rush in the middle 1840s Reprint **Religious Tourism** Tzung-Cheng (TC) Huan,Anestis K. Fotiadis,Nikolaos (Niko) Stylos,2024-12-16 This book traces the evolving landscape of religious travel ranging from the responses of the tourism industry to Muslim travellers to the emergence of halal tourism trends Part I of the book examines the dynamics between religion and tourism including the commodification of heritage and the symbiotic relationship between religion and economics Part II delves into emerging trends and contemporary challenges such as the impact of COVID 19 on sacred journeys and the integration of virtual reality into religious tourism experiences The final part of the book explores diverse religious tourism experiences from Islamic tourism to Jewish pilgrimages providing a rich tapestry of insights into this fascinating aspect of travel Whether examining the commodification of religious heritage or delving into the motivations behind Sikh pilgrimage this volume provides a comprehensive overview of the

industry dynamics emerging trends and contemporary issues shaping religious tourism today Engaging and enlightening Religious Tourism Industry Dynamics Emerging Trends and Contemporary Issues is essential reading for scholars practitioners and enthusiasts seeking a deeper understanding of this fascinating intersection of faith and travel The chapters in this book were originally published in Tourism Recreation Research
