Resurrection Part One Acceptance:

A Theology of Paul the Apostle, Part One G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all Christian theology While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of Paul's letters within their historical matrix The work Theology of Paul the Apostle is presented in two parts Part One Paul's Eschatological Gospel addresses matters relevant for Paul's appreciation of the gospel of God in the establishment of the eschatological community in Christ Paul's Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco Roman world Part Two Cross and Atonement examines a perennial storm center within Paul's theology from both an exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul's theology and the understandings of Paul must be established point by point Paul's theology has continuing relevance within the very different matrix of a postmodern world **The Atonement**, 1863 **The Atonement** Jonathan Edwards, John Smalley, Jonathan Maxcy, Nathanael Emmons, Edward Dorr Griffin, Caleb Burge, 1859 *Letters from Prison, Part One* Vincent Smiles, Terence J. Current Literature ,1902 **Deification and the Rule of Faith** Daniel E. Wilson Ph.D.,2015-11-05 Evangelicals are often surprised or maybe even shocked whenever they encounter the early Church Fathers description of salvation in terms of deification divinization or apotheosis It was Athanasius the black dwarf the champion of Nicene orthodoxy who coined the phrase in his *On the Incarnation* God became man that man might become god Hundreds of years before Athanasius Irenaeus disciple of Polycarp disciple of the Apostle John wrote of Christs salvific provision for humanity using similar deification type concepts Why did these Church Fathers use such seemingly foreign biblical concepts Could it be that influential theologian Adolf Harnack is right and these church Fathers implementation of deification reveal that the gospel changed from what Jesus originally intended after being exposed to Hellenistic culture Not at all at least that is what this work argues It does so first by comparing an overall understanding of deification in both Athanasius and Irenaeus respective writings This section encompasses the first three chapters which exhibit how the Fathers use of deification is immersed in their respective descriptions of salvation history the Trinity and Christology Further this work assesses Harnacks proposal by comparing the Fathers respective descriptions of deification with that of many Greek and Roman philosophers Finally this work seeks to propose that both Irenaeus and Athanasius contextualize the gospel by comparing the Fathers respective descriptions of deification with their respective understandings of scriptural authority and the rule of faith *Give Them Jesus* Dillon T.
