Revelation: God's Last Love Letter Kenneth E. Nissen, 2014-04 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect God's last love letter to be a favorite book among Christians but it isn't It isn't because it isn't understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina

Revelation: God's Gift of Hope Kevin Perrotta, Gerald Darring, 2004-09 In Revelation God's Gift of Hope authors Kevin Perrotta and Gerald Darring provide teens with the background information and key points they need to know to properly interpret and understand the book of Revelation and to find in this book a message of hope and love

The Revelation of God's Love Through Jesus Christ Mathew Simon, 2020-12-02 Many people have the wrong idea about God They see Him as a harsh judge that must be pleased by our many works But Jesus Christ came to reveal God who loves us so much that He forgives our sins if we simply believe The Bible reveals how God loves the world so much that He sent His only Son Jesus Christ to fulfill the Law Jesus died on the cross for our sins He was buried and rose from the dead on the third day Jesus established a New Covenant offering the free gift of the forgiveness of sins righteousness of God and eternal life to all who believe in Him Mathew Simon's book explains the Gospel of Jesus Christ the love of God the grace of Jesus Christ It also describes the clear difference between the New Covenant and the Old Covenant The New Covenant is all about Christ's finished work that brought us salvation The Old Covenant is all about man's efforts that failed We are righteous by faith and not by works The Law demanded perfection from man This is why Jesus Christ gave the full extent of the Law to Israel in the 3 Synoptic Gospels All of the impossible demands were before the cross under the Law But after the cross we see the Gospel of Grace We are made righteous by faith without any works God not only saves us but also bears fruit in us by the Holy Spirit in us We will understand how not to mix Grace with the Law We will be set free by understanding the truths about confession of sins Lord's prayer repentance faith and works we cannot lose salvation etc Believers will be set free in the knowledge of God's love through the Gospel of Jesus

Your understanding of God's Word will expand as you engage with this careful study of Jesus' love letter to His church. The Revealing Revelation Workbook will give you a clearer picture of the fascinating enigmatic final book of the Bible. **A Revelation from God** Prophetess Ruby Clark, 2018-08-27. The book of Revelation is a foretelling of all future events that will happen here on the earth during these last days and the fulfilling of these events will bring to a conclusion this imperfect world its order and its lifestyle as we know it. The book of Revelation gives us an advanced look into the future of mankind. The Bible tells us about all the things that will occur during this time period in history. The war that is now being waged by the devil and the kingdom of darkness is for total control of God's kingdom. God tells us that at the end of this war the devil will lose and He will be victorious and set up his eternal kingdom. This is the time for all who are not saved to repent of their sins and ask Jesus for salvation. It is also the time for all those who are backslidden to come back to Jesus and be restored while there is still time. For all of us understanding God's prophetic revelation is a first step toward being spiritually prepared for the last days when we will finally escape this world through Jesus Christ and enjoy eternal life with him forever. **The Self-revelation of God** Samuel Harris, 1886. **Revelation** Kenneth B. The title of this book is Revelation. Revelation is variously defined as an uncovering a bringing to light of that which had been previously wholly hidden or only obscurely seen. God has been pleased in various ways and at different times Heb 1:1 to make a supernatural revelation of himself and his purposes and plans which under the guidance of his Spirit has been committed to writing. Easton's Dictionary. Although this book does contain an attempted interpretation of the Book of Revelation anything God does or speaks is in and of itself revelation in that it is bringing to light something hidden. The Bible is unlike any other book written by man. The Bible although written by man is the inspired writing of that man moved by the Spirit of God and so becomes not the word of man but the Word of God. Books written by men convey emotions ideas entertainment concepts and other mental images. God's word brings revelation to the Spirit of man. Jesus said It is the Spirit who gives life the flesh profits nothing the words that I have spoken to you are spirit and are life John 6:33. The words are food for man's spirit just as natural food nourishes the body. Revelation is highly valued in the Kingdom of God. Now when Jesus came into the district of Caesarea Philippi He was

asking His disciples Who do people say that the Son of Man is And they said Some say John the Baptist and others Elijah but still others Jeremiah or one of the prophets He said to them But who do you say that I am Simon Peter answered You are the Christ Messiah the Son of the living God And Jesus said to him Blessed are you Simon Barjona because flesh and blood did not reveal this to you but My Father who is in heaven Matthew 16 13 19 The Lord was overjoyed in that man had not talked Peter into anything regarding the Lord s identity but Peter had received revelation directly from the Father This book along with others I have written attempt to convey the truth of the Lord through revelation obtained from Him The following are some odds and ends I have gathered together helping you will gain a better understanding of Him from His words Everything said here is confirmed by scriptures from God s word I hope it opens an even clearer picture as to He is and His purpose in the earth Heavens

Revelation Richard Swinburne, 1992 The great religions often claim that their books or creeds contain truths revealed by God How could we know that they do In Part II of *Revelation* renowned philosopher of religion Richard Swinburne addresses this central question But since the books of great religions often contain much poetry and parable Part I is devoted to the preliminary question of how eternal truth can be conveyed in unfamiliar genres by analogy and metaphor within false presuppositions about science and history In the final part of the book Swinburne then applies the results of Parts I and II to assessing the evidence that the teaching of the Christian Church constitutes a revelation from God In the course of his philosophical exploration Swinburne considers how the church which Jesus founded is to be identified today and presents a sustained discussion of which passages in the Bible should be understood literally and which should be understood metaphorically This is a fuller and entirely rewritten second edition of *Revelation* the most notable new feature of which is a long chapter examining whether traditional Christian claims about personal morality divorce homosexuality abortion etc can be regarded as revealed truths A formal appendix shows how the structure of evidence supporting the Christian revelation can be articulated in terms of the probability calculus and shows that Plantinga s well known argument from dwindling probabilities against probabilistic arguments of this kind is not cogent Book jacket

The Book of Revelation: a New Beginning Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden

secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance

Revelation of Jesus Christ Margaret Barker, 2000-11-02 A new and transforming approach to the Book of Revelation Margaret Barker bases her study on a fresh reading of the primary sources As an Old Testament scholar she can read Revelation as Hebrew prophecy ancient temple oracles which inspired Jesus and his own prophecies and influenced the whole Jerusalem Church Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee This expectation fuelled the revolt against Rome Josephus who deserted to Rome was the false prophet John who escaped to Patmos compiled Revelation as a record of the first generation In the future he taught the Lord would return to his people in the Eucharist This work illuminates the formative years of Christianity in the social religious and political situation of mid first century Palestine in a quite remarkable way It will have profound implications for the understanding of Christian origins and the development of Christian liturgy
