Revelations Child:

Revelation Elisabeth Schüssler Fiorenza, 1991 Elisabeth Schussler Fiorenza charts a new and provocative course in the interpretation of the book of Revelation She recognizes not only the ideological distortions but also the sociopolitical location of the Apocalypse In this way she opens to the reader the world of vision of this powerful New Testament book This book has three major sections 1 an introduction that centers on social location and rhetorical analysis 2 the commentary and 3 a theo ethical rhetorical reading of the visionary world of the book of Revelation under the headings of empire tribulation resistance and competing voices

The Quest for the Christ Child in the Later Middle Ages Mary Dzon, 2017-01-25 Beginning in the twelfth century clergy and laity alike started wondering with intensity about the historical and developmental details of Jesus early life Was the Christ Child like other children whose characteristics and capabilities depended on their age Was he sweet and tender or formidable and powerful Not finding sufficient information in the Gospels which are almost completely silent about Jesus childhood medieval Christians turned to centuries old apocryphal texts for answers In *The Quest for the Christ Child in the Later Middle Ages* Mary Dzon demonstrates how these apocryphal legends fostered a vibrant and creative medieval piety Popular tales about the Christ Child entertained the laity and at the same time were reviled by some members of the intellectual elite of the church In either case such legends so persistent left their mark on theological devotional and literary texts The Cistercian abbot Aelred of Rievaulx urged his monastic readers to imitate the Christ Child's development through spiritual growth Francis of Assisi encouraged his followers to emulate the Christ Child's poverty and rusticity Thomas Aquinas for his part believed that apocryphal stories about the Christ Child would encourage youths to be presumptuous while Birgitta of Sweden provided pious alternatives in her many Marian revelations Through close readings of such writings Dzon explores the continued transmission and appeal of apocryphal legends throughout the Middle Ages and demonstrates the significant impact that the Christ Child had in shaping the medieval religious imagination

Revelations of Divine Love Julian (of Norwich), 2015 Julian of Norwich is one of the subtlest writers and profoundest thinkers of the Middle Ages and the earliest woman writer in English Her *Revelations* describe a loving and merciful God and a positive vision of humanity This sensitive new translation conveys the poise and serenity of her style and includes the two versions of her text

Child Sexual Abuse and the Catholic Church Marie Keenan, 2013-07-18 A meticulously researched inside look at child sexual abuse by clergy this exhaustive hard hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders Linking the personal and the institutional researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology but also within larger systemic factors such as the very institution of priesthood itself the Catholic take on sexuality clerical culture power relations governance structures of the Catholic Church the process of formation for priesthood and religious life and the complex manner in which these factors coalesce to create serious institutional risks for

boundary violations including child sexual abuse Keenan draws on the priests own words not to excuse their horrific crimes but to offer the first in depth account of a tragic multi faceted phenomenon What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new more critical theology Only through radical institutional reform Keenan argues can a more representative and accountable Church emerge Child Sexual Abuse and the Catholic Church is a unique reference for scholars of the Church and therapists who work with both victims and offenders as well as a forward thinking blueprint for reform **Revelations of Chance** Roderick

Main,2007-03-08 In this fascinating book Roderick Main examines meaningful coincidence or what Swiss psychiatrist C G Jung called synchronicity Moving beyond Jung s psychological theory he explores the plausibility and value of viewing synchronicity as a form of spiritual experience and clarifies connections between the phenomenon and a range of traditional spiritual concepts including numinosity miraculousness transformation unity transcendence and immanence providence and revelation Through the detailed analysis of two remarkable series of synchronistic events Main illustrates and further develops these connections He also includes an examination of the alleged synchronistic basis of the ancient Chinese Oracle of Change the I Ching Child Abuse and Day Care United States. prophet joseph smith on the atonement of christ Chad C. Morris,2023-07-10 As members of The Church of Jesus Christ of Latter day Saints we sometimes don t realize how unique much of our doctrine is on the Atonement of Jesus Christ The Lord revealed through the young Prophet Joseph Smith important truths that had been lost regarding our Redeemer s great sacrifice Were Adam and Eve forgiven for the Fall Is it possible that there will be two separate resurrections Will we inherit our Heavenly Father s kingdom The answers to these truths are familiar to most Latter day Saints today However there was a time when these revelations were not widely available a time when Satan was desperately trying to keep these revolutionary truths buried in darkness A first of its kind Chad Morris s book *New Light on the Atonement* focuses on the first two years of the organized Church and the events surrounding the revelations that we now take for granted Readers now have the opportunity to gain a greater knowledge of Joseph Smith and the restored truths that came through him regarding the most important sacrifice of all time the Atonement of Jesus Christ *Revelations of a Child of God* Harold Cummings,2016-11-18 Hello readers I hope this book finds everyone in good spirits I got the title *Revelations of a Child of God* directly from Almighty God himself As a matter of fact that is the first thing God revealed to me when He first put it on my heart and that was the title My first name in spiritual meaning is ruler and or leader I didn t understand this till God awakened it in me Some folks have called me colonel before because of my military style attitude toward walking with God *Revelations of a Child of God* is what I have had for the last two years or more of my life God reveals something to me to speak to people and encourage them and I share it with them Sometimes it can be overwhelming when God speaks to you but when He does take time to listen He knows what s best for your life more than you do I hope this book gives you and I incredible determination to succeed spiritually while we all still have breath in our little bodies May God bless and keep you
