Russia The Weimar Republic:

Russia and the Weimar Republic Lionel Kochan, 1957 Exploring the Weimar Russia Analogy Gary P.

Russell, 1999-12-01 The Weimar Russia analogy is based on a comparison between the failures of the Weimar Republic in Germany 1918-33 and the current problems of post Soviet Russia. The premise of the analogy is that initial advances toward democracy and economic stabilization might fail and that an authoritarian leader might assume power, rearm and destabilize the Eurasian continent. The comparison has been the subject of academic conferences, books, journal articles, news stories, and miscellaneous comments. This thesis examines the following elements of the comparison: Defeat in War, Revolution as the Internal Cause, Loss of Territory and Resources, Economic Turmoil, Political Systems, Governments and Leaders, Decline of the Military, The Diaspora, and the Desire for an Ethnically based Nation State, Revanchism and Irredentism, and Fascism and Anti-Semitism. While some analysts question the validity of the comparison, the Weimar Russia analogy commands attention from experts in Russian affairs and government officials concerned with the future of Russia. Russia and the Weimar Republic

Royal Vale Heath, 1954 Russia and Germany Walter Laqueur, 2018-04-24 Despite changes in the international constellation since Russia and Germany initially appeared in 1965, the relationship between these two nations remains the most important single issue in European politics and East-West affairs. This study of what Russians and Germans have thought of each other and the fateful consequences of their interacting ideas is of lasting significance. The fact that Russia and Germany have embodied extreme manifestations of the totalitarian plague in the twentieth century. After briefly exploring the historical origins of Russophobia in Germany and of anti-Germanism in Russia, Laqueur reviews in detail the confrontation of Nazism and Bolshevism that culminated in World War II. He deals with the Russian origins of National Socialism and the ideology of the Russian far right from the days of the Black Hundred to its recent revival. This edition includes a major new introduction by the author reviewing developments in the relationship between Russia and Germany in the last 25 years and speculating about its future. Long out of print, *Russia and Germany* will be again welcomed by political scientists, students of international relations, and all those with an interest in recent history and current events. **Russia in the German Global Imaginary** James E. Casteel, 2016-05-06 This book traces transformations in German views of Russia in the first half of the twentieth century, leading up to the disastrous German invasion of the Soviet Union in 1941. Casteel shows how Russia figured in the imperial visions and utopian desires of a variety of Germans, including scholars, journalists, travel writers, government and military officials, as well as nationalist activists. He illuminates the ambiguous position that Russia occupied in Germany's global imaginary as both an imperial rival and an object of German power. During the interwar years, in particular, Russia, now under Soviet rule, became a site onto which Germans projected their imperial ambitions and expectations for the future, as well as their worst anxieties about modernity. Casteel shows how the Nazis drew on this cultural repertoire to construct their own devastating vision of racial imperialism. **100 Years On: Revisiting the First**

Russian Art Exhibition of 1922 Isabel Wünsche, Miriam Leimer, 2022-12-12 The First Russian Art Exhibition Erste Russische Kunstausstellung which opened at the Galerie van Diemen in Berlin on October 15 1922 and later travelled to Amsterdam introduced a broad Western audience to the most recent artistic developments in Russia The extensive show more than a thousand works including paintings graphic works sculptures stage designs architectural models and works of porcelain was remarkably inclusive in its scope which ranged from traditional figurative painting to the latest constructions of the Russian avant garde Coming on the heels of the Treaty of Rapallo the exhibition was a first cultural step towards bilateral relations between two young and yet internationally isolated new states the Weimar Republic and the Russian Soviet Republic Moving away from the narrow focus on the avant garde the volume presents new research that examines the exhibition's broader historical scope and cultural implications The reception of the exhibition within artistic circles in Germany Europe the United States and Japan in the 1920s is addressed as well as the disposition of many of the works exhibited The combination of longer thematic essays and short features along with reproductions of newly identified works and a selection of unpublished archival materials make this book valuable to both a scholarly and a general readership

The Russian Roots of Nazism Michael Kellogg, 2005-05-12 This book analyses the contributions of White migr's anti Bolshevik Russian exiles to Nazism *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989 **Weimar Germany Between Two Worlds** R. Seth C. Knox, 2006 During the interwar period America and Russia provided German travel writers with opposing visions of Germany's future as well as blank screens for the projections of their hopes and anxieties The travel literature genre allowed authors and readers to approach Weimar Germany's social issues from a psychologically safe distance This is the first book to analyze the American and Russian travels of Kisch Toller Holitscher Goldschmidt and Rundt from a psychogeographic and imagologic perspective It is a work of particular interest to researchers and students of travel literature cultural studies the construction and perception of the other and literary psychology

Soviet Russia and the Weimar Republic Charles Wentz Fehrenbach, 1955 Putinism Marcel Van Herpen, 2013-01-21 In this original analysis of contemporary Russia the author shows how Putin's regime is a completely new right wing political model that combines features of Mussolini's Italy with the 19th Century Bonapartism of Napoleon III and 21st Century Populism of Berlusconi An essential read **Russia and the New States of Eurasia** Karen Dawisha, Bruce Parrott, 1994-01-28 This book surveys the possibilities for future alignments both among the new states of the former Soviet Union and between the new states and their neighbours *Russia's Transformation* Robert Vincent Daniels, 1998 An astute observer of the Soviet Union Bill Daniels collects here his observations of political change in the USSR over a twenty five year period Complete with a new introduction conclusion and explanatory notes these essays offer a moment by moment picture of the decline and fall of the Communist state Beginning with the era of impasse from Brezhnev to Chernenko Daniels then traces the beginnings of reform initiated by Mikhail Gorbachev the crisis and failure of perestroika and the tribulations

of Boris Yeltsin's government Capturing the weaknesses of past and present regimes while illustrating the difficulties of anticipating the course of events in Russia Daniels's commentaries will have a central place in the ongoing debate about the failure of Western scholarship to predict the Soviet collapse and its aftermath Specialists students and general readers alike will find his work a stimulating point of departure for considering the Soviet and post Soviet paradox Paths to Democracy Rosemary H. T. O'Kane, 2004 How and why countries become democracies remain intriguing questions This innovative volume provides a theoretically informed comparative investigation of the links between revolutions totalitarianism and democracy It will appeal to those interested in the relationship between history and democracy and the implications for the understanding of democracy today **Russia Resurrected** Kathryn Stoner, 2021 Taking into account how Russian domestic politics under Vladimir Putin influence its foreign policy Stoner explains how Russia has battled its way back to international prominence **Russia's New Authoritarianism** David G. Lewis, 2020-03-27 David G Lewis explores the transformation of Russian domestic politics and foreign policy under Vladimir Putin Using contemporary case studies including Russia's legal system the annexation of Crimea and Russian policy in Syria he critically examines Russia's new authoritarian political ideology The U.S. and Russia United States. Nationalist Imaginings of the Russian Past Konstantin Sheiko, 2012-05-25 Anatolii Fomenko is a distinguished Russian mathematician turned popular history writer founder of the so called New Chronology school and part of the explosion of alternative historical writing that has emerged in Russia since the collapse of the Soviet Union Among his more startling claims are that the Old Testament was written after the New Testament that Russia is older than Greece and Rome and that the medieval Mongol Empire was in fact a Slav Turk world empire a Russian Horde to which Western and Eastern powers paid tribute While academic historians dismiss Fomenko as a dangerous ethno nationalist or post modern clown Fomenko's publications invariably outsell his conventional rivals Just as Putin has restored Russia's faith in its future Fomenko and an army of fellow alternative historians are determined to restore Russia's faith in its past For Fomenko the key to Russia's greatness in the future lies in ensuring that Russians understand the true greatness of their past Fomenko and other pseudo historians have built upon existing Russian notions of identity specifically the widespread belief in the positive qualities of empire and the special mission of Russia He has drawn upon previous attempts to establish a Russian identity ranging from Slavophilism through Stalinism to Eurasianism While fantastic Fomenko's pseudo history strikes many Russian readers as no less legitimate than the lies and distortions peddled by Communist propagandists Tsarist historians and church chroniclers **Russian Politics and Society** Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney

democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society Congressional Record United States. Russia The Weimar Republic Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia The Weimar Republic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia The Weimar Republic has opened up a world of possibilities. Downloading Russia The Weimar Republic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia The Weimar Republic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia The Weimar Republic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia The Weimar Republic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia The Weimar Republic, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia The Weimar Republic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
