Russia Under Western Eyes 1517 1825:

Russia Under Western Eyes, 1517-1825 Anthony Glenn Cross, 1971 **Russia Under Western Eyes, 1517-1825**
Anthony Glenn Cross, 1971 **The Western Christian Presence in the Russias and Qājār Persia, c.1760-c.1870**
Thomas O'Flynn, 2017-08-28 Winner of The 2018 Saidi Sirjani Book Award In The Western Christian Presence in the Russias and Qājār Persia c 1760 c 1870 Thomas O'Flynn vividly paints the life and times of missionary enterprises in early nineteenth century Russia and Persia at a moment of immense change when Tsarist Russia embarked on an expansionist campaign reaching to the Caucasus Simultaneously he charts the relationship between the new Persian dynasty of the Qājārs and missionary activity on the part of European and American missionaries This book reconstructs that world from a predominantly religious perspective It recounts the sustaining ideals as well as the everyday struggles of the western missionaries Protestant Scottish Basel and American Congregationalist and Catholic Jesuit and Vincentian It looks at the reactions of diverse tribal peoples the Tatars of the North Caucasus the Kabardians and Circassians Persia was the ultimate goal of these missionaries which they eventually reached in the 1820s Altogether this study throws light on the troubled course of history in West Asia and provides the background to politico religious conflicts in Chechnya and Persia that persist to the present day **The Routledge Companion to Literature and Science** Bruce Clarke, Manuela Rossini, 2010-09-13
With forty four newly commissioned articles from an international cast of leading scholars The Routledge Companion to Literature and Science traces the network of connections among literature science technology mathematics and medicine Divided into three main sections this volume links diverse literatures to scientific disciplines from Artificial Intelligence to Thermodynamics surveys current theoretical and disciplinary approaches from Animal Studies to Semiotics traces the history and culture of literature and science from Greece and Rome to Postmodernism Ranging from classical origins and modern revolutions to current developments in cultural science studies and the posthumanities this indispensable volume offers a comprehensive resource for undergraduates postgraduates and researchers With authoritative accessible and succinct treatments of the sciences in their literary dimensions and cultural frameworks here is the essential guide to this vibrant area of study **Alexander I** Alan Palmer, 2014-06-12 As Alan Palmer himself writes in his preface Alexander I ruler of Russia for the first quarter of the nineteenth century is remembered today mainly on three counts as the Tsar who refused to make peace with the French when Moscow fell in 1812 as the idealist who sought to bind Europe's sovereigns in a Holy Alliance in 1815 and as the Emperor who died or gave the impression of having died at the remote southern seaport of Taganrog in the winter of 1825 Recent interest has concentrated perhaps excessively on the third of these dramatic episodes although it is natural that the epic years of the struggle with Napoleon should continue to excite the historical imagination He has been dubbed The Enigmatic Tsar There are many contrasting opinions of him Thomas Jefferson declared A more virtuous man I believe does not exist nor one who is more enthusiastically devoted to better the condition of mankind

Castlereagh thought well of him too but both Metternich and Napoleon considered him inconsistent and untrustworthy And Pushkin famously described him as a Sphinx who carried his riddle with him to the tomb an assessment even more piquant if it is true as some maintain his tomb in empty With his customary blend of meticulous scholarship and agreeable writing Alan Palmer provides the most balanced and engaging portrait imaginable A pleasure to read and unlikely to be replaced for many years Philip Ziegler The Times Excellent a major biographical achievement a notable contribution to our understanding of this still enigmatic monarch Robert Blake Spectator

The Bronze Horseman Alexander M. Schenker, 2003-01-01 This is a comprehensive treatment of the most consequential work of art ever to be executed in Russia the equestrian monument to Peter the Great Schenker deals with the cultural setting that prepared the ground for the monument and provides life stories of those who were involved in its creation

The Course of Russian History, 5th Edition Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history

Catherine the Great John T. Alexander, 1989-11-09 One of the most colorful characters in modern history Catherine II of Russia began her life as a minor German princess until the childless Empress Elizabeth and Catherine's own scheming mother married her off to the Grand Duke Peter of Russia at age sixteen By thirty three she had overthrown her husband in a bloodless coup and established herself as Empress of the multinational Russian Empire the largest territorial political unit in modern history Portrayed both as a political genius who restored to Russia the glory it had known in the days of Peter the Great and as a despotic foreign adventuress who usurped the Russian throne murdered her rivals and tyrannized her subjects she was by all accounts an extraordinary woman Catherine the Great the first popular biography of the empress based on contemporary scholarship provides a vivid portrait of Catherine as a mother a lover and above all an extremely savvy ruler Concentrating on her long reign 1762-96 John Alexander examines all aspects of Catherine's life and career the brilliant political strategies by which she won the acceptance of a nationalistic elite her expansive foreign policy the domestic reforms with which she revamped the Russian military political structure and economy and of course her infamous love life Beginning with an account of the dramatic palace revolt by which Catherine

unseated her husband and a background chapter describing the circumstances of her early childhood and marriage Alexander then proceeds chronologically through the thirty four years of her reign Presenting Catherine in more human terms than previous biographers have Alexander includes numerous quotations from her reminiscences and notes We learn for instance not only the names and number of her lovers but her understanding of what many considered a shocking licentiousness The trouble is she wrote that my heart would not willingly remain one hour without love The result of twenty years research by one of America s leading narrative historians of modern Russia this truly impressive work offers a much needed balanced reappraisal of one of history s most scandal ridden figures **The First Cold War** Barbara

Emerson,2024-05-30 Britain and Russia maintained a frosty civility for a few years after Napoleon s defeat in 1815 But by the 1820s their relations degenerated into constant acrimonious rivalry over Persia the Ottoman Empire Central Asia the Great Game and towards the end of the century East Asia The First Cold War presents for the first time the Russian perspective on this game drawing on the archives of the Tsars Imperial Ministry Both world powers became convinced of the expansionist aims of the other and considered these to be at their own expense When one was successful the other upped the ante and so it went on London and St Petersburg were at war only once during the Crimean War But Russophobia and Anglophobia became ingrained on each side as these two great empires hovered on the brink of hostilities for nearly 100 years Not until Britain and Russia recognised that they had more to fear from Wilhelmine Germany did they largely set aside their rivalries in the Anglo Russian Convention of 1907 which also had major repercussions for the balance of power in Europe Before that came a century of competition diplomacy and tension lucidly charted in this comprehensive new history **The Empress of**

Art Susan Jaques,2016-04-15 A German princess who married a decadent and lazy Russian prince Catherine mobilized support amongst the Russian nobles playing off of her husband s increasing corruption and abuse of power She then staged a coup that ended with him being strangled with his own scarf in the halls of the palace and herself crowned the Empress of Russia Intelligent and determined Catherine modeled herself off of her grandfather in law Peter the Great and sought to further modernize and westernize Russia She believed that the best way to do this was through a ravenous acquisition of art which Catherine often used as a form of diplomacy with other powers throughout Europe She was a self proclaimed glutton for art and she would be responsible for the creation of the Hermitage one of the largest museums in the world second only to the Louvre Catherine also spearheaded the further expansion of St Petersburg and the magnificent architectural wonder the city became is largely her doing There are few women in history more fascinating than Catherine the Great and for the first time Susan Jaques brings her to life through the prism of art *Queer(ing) Russian Art* Brian James Baer,Yevgeniy Fiks,2023-09-12 While the topic of queer sexuality in imperial Russia and the Soviet Union has been investigated for decades by scholars working in the fields of sociology history literary studies and musicology it has yet to be studied in any comprehensive or systematic way by those working in the visual arts *Queer ing Russian Art Realism Revolution Performance*

is meant to address this lacuna by providing a platform for new scholarship that connects Russian art with queerness in a variety of ways Situated at the intersection of Visual Studies and Queer Studies and working from different theoretical and disciplinary perspectives the contributors expose and explore the queer imagery and sensibilities in works of visual art produced in pre Soviet Soviet and post Soviet contexts and beneath the surface of conventional histories of Russian and Soviet art

Christendom and European Identity Mary Anne Perkins, 2015-02-06 This book critically explores the idea of Europe since the French Revolution from the perspective of intellectual history It traces the dominant and recurring theme of Europe as Christendom in discourse concerning the relationship of religion politics and society in historiography and hermeneutics and in theories and constructions of identity and otherness It examines the evolution of a grand narrative by which European elites have sought to define European and national identity This narrative the author argues maintains the existence of common historical and intellectual roots common values culture and religion The book explores its powerful legacy in the positive creation of a sense of European unity the ways in which it has been exploited for ideological purposes and its impact on non Christian communities within Europe

Science, Utility and Maritime Power Roger Morriss, 2016-04-01 During the French Revolutionary and Napoleonic Wars Samuel Bentham influenced both the technology and the administrative ideas employed in the management of the British navy His influence stemmed from his passion for science from his desire to achieve improvements based on a belief in the principle of Utility and from experience gained over eleven years in Russia a large part in the service of Catherine the Great and Prince Potemkin Having travelled extensively throughout the north and south of Russia Poland and Siberia he managed Potemkin's industries at Krichev built fast river galleys armed the Russian flotilla of small craft at Kherson and served with the flotilla that defeated the Turks in the Black Sea His main ambition was to open river communication in Siberia and develop trade into the Pacific However he returned to England and in 1796 became Inspector General of Naval Works a post in which he fought for innovations in the technology and management of the British royal dockyards Regarded then by the Navy Board as a dangerous maverick this book reveals the experiences creativity and thinking that made him a major figure in British naval development

Medicine at the Courts of Europe Vivian Nutton, 2018-12-18 Originally published in 1990 *Medicine at the Courts of Europe 1500-1837* is a collection of essays examining the whole range of medical activities in a variety of European courts from Rome of the Borgias to the Russia of Catherine the Great It documents the diverse influences of custom wealth religion and royal intervention along with foreign innovation popular literary satire and matters of litigation which so changed the face of court medicine over three centuries By looking at court medical practitioners in such a wide chronological geographic and thematic context these essays provide many new insights for all those interested in the history of medicine society and politics from the sixteenth century to the early nineteenth century

European Literatures in Britain, 18-15-1832: Romantic Translations Diego Saglia, 2019 Sheds new light on the presence and impact of Continental European literary traditions in post Napoleonic

Britain **Rosa Newmarch and Russian Music in Late Nineteenth and Early Twentieth-Century England** Philip Ross Bullock, 2017-07-05 Philip Ross Bullock looks at the life and works of Rosa Newmarch 1857-1940 the leading authority on Russian music and culture in late nineteenth and early twentieth century England Although Newmarch's work and influence are often acknowledged most particularly by scholars of English poetry and of the role of women in English music the full range of her ideas and activities has yet to be studied As an inveterate traveller prolific author and polyglot friend of some of Europe's leading musicians such as Elgar Sibelius and Janáček Newmarch deserves to be better appreciated On the basis of both published and archival materials the details of Newmarch's busy life are traced in an opening chapter followed by an overview of English interest in Russian culture around the turn of the century a period which saw a long standing Russophobia largely political and military challenged by a more passionate and well informed interest in the arts Three chapters then deal with the features that characterize Newmarch's engagement with Russian culture and society and more significantly perhaps which she also championed in her native England nationalism the role of the intelligentsia and feminism In each case Newmarch's interest in Russia was no mere instance of ethnographic curiosity rather her observations about and passion for Russia were translated into a commentary on the state of contemporary English cultural and social life Her interest in nationalism was based on the conviction that each country deserved an art of its own Her call for artists and intellectuals to play a vital role in the cultural and social life of the country illustrated how her Russian experiences could map onto the liberal values of Victorian England And her feminism was linked to the idea that women could exercise roles of authority and influence in society through participation in the arts A final chapter considers how her late interest in the music of Czechoslovakia pivots on the role of women

pi **The Baltic** Alan Palmer, 2007-12-18 Alan Palmer traces the history of the Baltic region from its early Viking days and its time under the Byzantine Empire through its medieval prime when the Baltic Sea served as one of Europe's central trading grounds Palmer addresses both the strong nationalist sentiments that have driven Baltic culture and the early attempts at Baltic unification by Sweden and Russia The Baltic also dissects the politics and culture of the region in the twentieth century when it played multiple historic roles it was the Eastern Front in the First World War the setting of early uprisings in the Russian Revolution a land occupied by the Nazis during the Second World War and until very recently a region dominated by the Soviets In the twenty first century increasing attention has been focused on the Baltic states as they grow into their own in spite of growing neo imperialist pressure from post Soviet Russia In *The Baltic* Alan Palmer provides readers with a detailed history of the nations and peoples that are now poised to emerge as some of Europe's most vital democracies

[The Routledge Handbook of Translation and Sexuality](#) Brian James Baer, Serena Bassi, 2024-08-19 The Routledge Handbook of Translation and Sexuality questions what it would mean to think of sexualities transnationally and explores the way cultural ideas about sex and sexuality are translated across languages It considers how scholars chart the multilingual rise of the modern sexual sciences in the nineteenth and twentieth centuries how translators

writers and readers respond to sexual modernities and to what extent the keywords of queer social movements travel across borders The handbook draws from fields as diverse as translation studies critical multilingualism studies comparative literature European studies Slavic studies Middle Eastern studies Latin American studies and East Asian studies This pioneering handbook maps out an emerging brand of women's gender and sexuality studies that approaches sexualities as translational formations Divided into two parts the handbook covers Theoretical chapters on the interdisciplinary dialogue between translation studies and queer studies Empirical studies of both canonic and minor scientific religious literary philosophical and political texts about sex and sexuality in translation across a variety of world languages With 20 chapters written by leading academics from around the world The Routledge Handbook of Translation and Sexuality will serve as an important reference for students and scholars in the fields of translation studies applied linguistics modern languages and women's gender and sexuality studies

Uses of the Other Iver B. Neumann, 1999 In the wake of the Cold War European identities are up for grabs Identity formation is an integral and tangible aspect of contemporary European politics Drawing on an array of approaches the author investigates empirically how six national regional and all European identities involve the exclusion of the East The focus is on how identities are being renegotiated in practice The readings of how Europe is constituted by its discourse on Turkey and Russia respectively argue that European identity is marked by these exclusions The exclusions are part of the preconditions for action which are undertaken in political forums where European identity is seen as relevant such as the debates about NATO and EU enlargement Readings of regional discourses constituting respectively Northern and Central Europe argue that the politics of these regions serve to exclude those living further East The two readings of Bashkir and Russian discourse demonstrate how the self/other nexus may be used as a springboard for analyzing national identities The conclusion addresses the question of how far our present theoretical approaches may take us

Madame de Staël Angelica Goodden, 2008-03-06 How does exile beget writing and writing exile What kind of writing can both be fuelled by absence and prolong it Exile which was meant to imprison her paradoxically gave Madame de Staël a freedom that enabled her to be as active a dissident as any woman in the late eighteenth and early nineteenth centuries was capable of being Repeatedly banished for her nonconformism she felt she had been made to suffer twice over first for political daring and then for daring as a woman to be political a particularly grave offence in the eyes of the misogynist Napoleon Yet her outspokenness in novels comparative literary studies and works of political and social theory made her seem as much a threat outside her beloved France as within it while her friendship with statesmen soldiers and literary figures such as Byron Fanny Burney Goethe and Schiller simply added to her dangerous celebrity She preached the virtues of liberalism and freedom wherever she went turning the experiences of her enforced absence into an arsenal to use against all who tried to suppress her Even Napoleon perhaps her greatest foe conceded from his own exile on St Helena that she would last Her unremitting activity as a speaker and writer made her into precisely the sort of activist no woman at that time was

permitted to be yet she paradoxically remained a reluctant feminist seeming even to connive at the inferior status society granted her sex at the same time as vociferously challenging it and remaining torn by the conflicting demands of public and private life

Delve into the emotional tapestry woven by Crafted by in **Russia Under Western Eyes 1517 1825** . Russia Under Western Eyes 1517 1825 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia Under Western Eyes 1517 1825 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia Under Western Eyes 1517 1825 has opened up a world of possibilities. Downloading Russia Under Western Eyes 1517 1825 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia Under Western Eyes 1517 1825 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia Under Western Eyes 1517 1825. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia Under Western Eyes 1517 1825. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia Under Western Eyes 1517 1825, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia Under Western Eyes 1517 1825 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and

prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia Under Western Eyes 1517 1825 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia Under Western Eyes 1517 1825 is one of the best book in our library for free trial. We provide copy of Russia Under Western Eyes 1517 1825 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia Under Western Eyes 1517 1825. Where to download Russia Under Western Eyes 1517 1825 online for free? Are you looking for Russia Under Western Eyes 1517 1825 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russia Under Western Eyes 1517 1825. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russia Under Western Eyes 1517 1825 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russia Under Western Eyes 1517 1825. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to

our ebook online or by storing it on your computer, you have convenient answers with Russia Under Western Eyes 1517 1825 To get started finding Russia Under Western Eyes 1517 1825, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russia Under Western Eyes 1517 1825 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russia Under Western Eyes 1517 1825. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russia Under Western Eyes 1517 1825, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russia Under Western Eyes 1517 1825 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russia Under Western Eyes 1517 1825 is universally compatible with any devices to read.
