## **Russia Under Krushchev:**

**Russia Under Khrushchev** Alexander Werth, 2017-06-28 Nikita Sergeyevich Khrushchev 1894 1971 was a politician who led the Soviet Union during part of the Cold War He served as First Secretary of the Communist Party of the Soviet Union from 1953 1964 and as Chairman of the Council of Ministers or Premier from 1958 1964 Khrushchev was responsible for the de Stalinization of the Soviet Union for backing the progress of the early Soviet space program and for several relatively liberal reforms in areas of domestic policy Khrushchev s party colleagues removed him from power in 1964 replacing him with Leonid Brezhnev as First Secretary and Alexei Kosygin as Premier Originally published in 1961 concerns what I call the Khrushchev phase rather than the Khrushchev epoch An epoch suggests something complete with clearly defined limits and contours and sharply marked characteristics A phase especially one still in progress is something much more fluid During these years dominated by Khrushchev the most changeable most empirical and sometimes most unpredictable of Soviet leaders Russia continues to be in a state of flux and transition Author s Note The book is a political and cultural analysis of Khrushchev s Russia and its relations with the West and particularly with the United States From inside the Iron Curtain a very human portrayal The Times London **Russia under Khrushchev** Abraham

Brumberg, 2023-03-24 First Published in 1962 *Russia under Khrushchev* is a comprehensive collection of articles from *Problems of Communism* a journal published by U S Information Agency These provide a chronological and thematic commentary on internal developments in Soviet Union varying from the changes in official ideology to the latest development in Soviet agriculture They provide the broadest picture of the political economic and cultural trends of Khrushchev s Russia and represent a galaxy of writing talent including work by Carew Hunt Lowenthal Avon Dallin de Jouvenel Peter Wiles and others This is an interesting read for scholars of Russian history and Soviet history **Khrushchev in the Kremlin** Jeremy

Smith, Melanie Ilic, 2011-01-25 This book presents a new picture of the politics economics and process of government in the Soviet Union under the leadership of Nikita Khrushchev Based in large part on original research in recently declassified archive collections the book examines the full complexity of government and provides an overview of the internal development of the Soviet Union in this period locating it in the broader context of Soviet history Russia Under

Khrushchev Abraham Brumberg, 1962 *Post Stalinist Russia Under Khrushchev and Brezhnev* A. P. van Goudoever, Zdenek R. Dittrich, 1997 Russia Under Khrushchev Alexander 1901- Werth, 2021-09-10 This work has been selected by scholars as

being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical

elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Russia under Western Eyes** Martin E Malia, 2009-06-30 A dazzling work of intellectual history by a world renowned scholar spanning the years from Peter the Great to the fall of the Soviet Union this book gives us a clear and sweeping view of Russia not as an eternal barbarian menace but as an outermost if laggard member in the continuum of European nations

**Khrushchev's Thaw and National Identity in Soviet Azerbaijan, 1954-1959** Jamil Hasanli, 2014-12-18 On February 25 1956 Soviet leader Nikita S Khrushchev delivered the so called secret speech in the Twentieth Party Congress of the CPSU in which he denounced Stalin's transgressions and the cult of personality around the deceased dictator Replete with sharp criticism of the Terror of the late 1930s the unpreparedness of the USSR for the Nazi invasion numerous wartime blunders and the deportation of various nationalities the speech reverberated throughout the subordinate Soviet republics For republics such as Azerbaijan the speech was an unmistakable signal to readjust the entire political orientation and figure out ways to redefine governance in post Stalin era Previously frozen under the mortal threat of Stalinist persecution various forms of national self expression began to experience rapid revival under the Khrushchev thaw Encouraged by the winds of change at the Center the Azeris cautiously began to reclaim possession of their administrative domain Among other local initiatives the declaration of the Azerbaijani language as the official language was one step that stood out in its audacity for it was not pre arranged with the Kremlin and defied the modus operandi of the Soviet leadership Somewhat reformist in his intentions yet ignorant of the non Slavic peripheries Mr Khrushchev had not foreseen the scenarios that would unfold as a result of its new tone and the developments that would come to be interpreted as the rise of nationalism in the republics Jamil Hasanli's research on 1950s Azerbaijan sheds light on this watershed period in Soviet history while also furnishing the reader with a greater understanding of the root causes of the dissolution of the USSR

Protest, Reform and Repression in Khrushchev's Soviet Union Rob Hornsby, 2013-02-14 Robert Hornsby draws on a range of declassified archival material to analyse political protest and government repression in post Stalin USSR

*Power Restructuring In China And Russia* Mark Lupher, 2018-02-12 The massive economic transformations and political upheavals that have been sweeping China and the Soviet Union in the final decades of the twentieth century are among the great dramas of our time Yet the origins of these revolutionary changes are murky and their outcomes unclear Have we witnessed the demise of an archaic authoritarian order and the rise of pluralism and democracy or are the tumultuous events of the post Mao era and the period of perestroika more usefully viewed in light of broader patterns of power and politics in Chinese and Russian history Considering these questions with a new interpretation of power relations and political processes in China and Russia Mark Lupher explores the imperial era the communist period and the current situation in both countries Rather than speaking of reform which too often is understood as liberalization along Western lines his discussion is focused on power restructuring the ebb and flow of state power the

centralization and decentralization of political and economic power and the three way struggles between central rulers various elites and nonprivileged groups that drive these processes Lupher s power restructuring analysis is noteworthy in combining broad comparative historical analysis and conceptualization with a closely focused discussion and reinterpretation of the Chinese Cultural Revolution the core of his book By comparing and bringing new light to bear on a series of pivotal episodes in Chinese and Russian history he furthers our understanding and assessment of processes that will continue to unfold in China Russia and the former Soviet republics *Women in the Khrushchev Era* M. Ilic,S. Reid,L.

Attwood,2004-02-27 This collection of essays examines women in the Khrushchev era using both newly accessible archival material and a re reading of published sources Exploring diverse subjects including housing space flight women workers cinema religion and consumption the volume places the analysis of specific events or issues within a broader discussion of economic political ideological and international developments to provide a full analysis of the era [Russia and Eastern Europe, 1789-1985](#)

Raymond Pearson,1989 **The Course of Russian History, 5th Edition** Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia s turbulent history **Russia under Khrushchev** Abraham Brumberg,1964 **Soviet**

**Politics** Richard Sakwa,2012-11-12 Soviet Politics in Perspective is a new edition of Richard Sakwas successful textbook Soviet Politics an introduction Thoroughly revised and updated it builds on the previous editions comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991 The book is divided into five parts which focus on key aspects of Soviet politics They are historical perspectives beginning with the Tsarist regime on the eve of Revolution the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors and Gorbachev s attempts to revive the system institutions of Government such as the Communist Party security apparatus the military the justice system local government and participation theoretical approaches to Soviet politics including class and gender politics the role of ideology and the shift from dissent to pluralism key policy areas the command economy and reform nationality politics and foreign and defence policy an evaluation of Soviet rule and reasons for its collapse Providing

key texts and bibliographies this book offers the complete history and politics of the Soviet period in a single volume It will be indispensable to students of Soviet and post Soviet politics as well as the interested general reader *Press and*

*Publications Summary* United States Information Service (Taipei, Taiwan),1964-11 **Problems of Communism** ,1959

*Democratization in Russia under Gorbachev, 1985-91* Anne White,1999-07-10 Self help organizations and charities were the most numerous but least studied of pressure groups to emerge during perestroika This book examines the social exclusion experienced before 1985 by non working citizens studies the pre 1985 disabled people s movement and its numerous unofficial but non dissident organizations discusses why the Gorbachev leadership adopted the non Soviet concept of charity analyses the failure of local authorities after 1985 to stave off pluralism and defeat the voluntary organizations and assesses how successfully the latter built the foundations of a civil society *After Sputnik* Alan J. Levine,2017-12-12 On October 4 1957 in the midst of the Cold War the Soviet Union launched Sputnik I the first artificial earth satellite For the West and especially the United States it was a shattering blow to national morale and pride It led to a deep seated fear that the Soviet Union would surpass the United States in both technology and power and that even nuclear war might be near After Sputnik shows that the late 1950s were not an era of complacency and smugness but were some of the most anxious years in American history The Cold War was by no means a time of peace It was an era of a different kind of battle one that took place in negotiations and in the internal affairs of many countries but not always on the battlefield While many choose to remember President Eisenhower as a near pacifist his actions in Lebanon the Taiwan Straits crisis Berlin and elsewhere proved otherwise Seconded by his able secretary of state John Foster Dulles he steered America through some of the most difficult parts of the Cold War not always succeeding but preventing disaster The Middle East and Berlin crises the Indonesian Civil War Fidel Castro s rise to power and other events are all bluntly discussed in the light of Western and other illusions and delusions In this engaging history Alan J Levine delves deeply into this often misrepresented period of history and provides new insight into one of the most formative decades in American history *Russia's Sputnik Generation* Donald J. Raleigh,2006-06-02 Russia s Sputnik Generation presents the life stories of eight 1967 graduates of School No 42 in the Russian city of Saratov Born in 1949 50 these four men and four women belong to the first generation conceived during the Soviet Union s return to normality following World War II Well educated articulate and loosely networked even today they were first graders the year the USSR launched Sputnik and grew up in a country that increasingly distanced itself from the excesses of Stalinism Reaching middle age during the Gorbachev Revolution they negotiated the transition to a Russian style market economy and remain active productive members of society in Russia and the diaspora In candid interviews with Donald J Raleigh these Soviet baby boomers talk about the historical times in which they grew up but also about their everyday experiences their family backgrounds childhood pastimes favorite books movies and music and influential people in their lives These personal testimonies shed valuable light on Soviet childhood and adolescence on the reasons and course of

perestroika and on the wrenching transition that has taken place since the collapse of the Soviet Union in 1991
