actors external as well as internal to a region has also gone unnoticed despite its increasingly sophisticated modern application by Russia in its peripheries This volume helps us understand what Anna Ohanyan calls fractured regions and their consequences for contemporary global security Ohanyan introduces a theory of regional fracture to explain how and why regions come apart consolidate dysfunctional ties within the region and foster weak states Russia Abroad specifically examines how Russia employs regional fracture as a strategy to keep states on its periphery in Eurasia and the Middle East weak and in Russia's orbit It argues that the level of regional maturity in Russia's vast vicinities is an important determinant of Russian foreign policy in the emergent multipolar world order Many of these fractured regions become global security threats because weak states are more likely to be hubs of transnational crime havens for militants or sites of protracted conflict The regional fracture theory is offered as a fresh perspective about the post American world and a way to broaden international relations scholarship on comparative regionalism

Things From the Flood Simon Stålenhag, 2020-07-07 From the author of the imaginative and awe inspiring New York Journal of Books The Electric State now a Netflix film comes the haunting sequel to his remarkable Tales from the Loop Welcome back to the Loop In 1954 the Swedish government ordered the construction of the world's largest particle accelerator in the pastoral countryside of M-lar-arna The local population called this marvel of technology The Loop and celebrated its completion But M-lar-arna and the world would never be the same Infused with strange machines and unfathomable creatures Things from the Flood is a transcendent look at technology that will stay with you long after you turn the final page

Determining the Future's Truth Through Bible Prophecy Peter Galarza, 2021-10-26 Two Persian wars in 1991 and 2003 have inspired the author to write about two more incoming wars according to Bible prophecy the latter being the war to end all wars Armageddon It concerns the Messiah's return during a time of trouble and turmoil known as the Tribulation It also comments about our current situation in the world economics technology unbelief wars weather patterns etc It's primary villain is the antichrist who comes to deceive the nations of the world and attacks God's people This antichrist is under the control of Satan himself But the finality of it all is the issuance of a peaceful one thousand year millennium by the Messiah Himself The author wants the reading audience to examine themselves to see if they are ready to receive Him the Son of God and live eternally with Him

Vampiro Don W. Hill M.D., Tom Cavaretta, 2018-10-03 When the last outbreak of human vampirism occurred in the narrow oasis of New Mexico's lower Rio Grande Valley the oral tradition that had been passed on for centuries had yet again been sadly reconfirmed Every two decades or so one or more bloodthirsty ghouls appears and preys upon the vulnerable members of this small but tightly knit community As a young curandera or healer Lorena Pastore was only twenty five years old when the last outbreak occurred and she remembers the shocking horror that spread throughout her beloved community at the time She erroneously predicted that she would be well into her middle years of life for the next outbreak but sadly that is not the case After a foolish man commits an egregious violation during a spiritual cleansing ritual the seven years of peace is shattered

The malignant disease of human vampirism is re incarnated and Lorena is forced to flee across the Mexican border with a five year old in peril Nathan s father is becoming a lethal vampire and the boy is now hunted as is Lorena as she takes the child into her care and fights the outbreak destined to destroy her home and people Showdown with Iran Mark Hitchcock,2020-04-14 The Threat of War with Iran Grows Day by Day Bible prophecy expert Mark Hitchcock PhD is noticing a dangerous trend the nation of Iran remains in the newspaper headlines for all the wrong reasons In Showdown with Iran he reveals why this rogue nation is so dangerous and how that connects to what the Bible says about what s to come while encouraging readers to remain alert aware and hopeful as the end times near He tackles questions such as Does Iran still plan to wipe Israel off the map What does this mean for the future of the Middle East Where does Iran stand in Bible prophecy What will be the role of the United States in Bible prophecy The warning of what will happen is not new In the book of Ezekiel the Bible records a multitude of predictions about the region then known as Persia as well as about the nation of Israel These ancient prophecies foretell an end time rise of Iran as well as Russia and Turkey But are the prophecies still unfulfilled today Hitchcock is convinced Iran continues to play a central role in bringing about chaos in the Middle East In Showdown with Iran he explores the continued validity and accuracy of end time prophecy and answers questions that will become increasingly relevant as the end times draw near **The Last Hunt** Deon Meyer,2020-04-07 A cold case reaches from Cape Town s shadowy past to bucolic Bordeaux France in this thriller by the Barry Award winning author of Thirteen Hours When a cold case dossier lands on Captain Benny Griessel s desk he and his partner Vaughn Cupido fellow member of the Hawks elite police unit in South Africa reluctantly set to work reviewing the evidence Did ex cop Johnson Johnson simply disappear on the world s most luxurious train line or was he murdered Two fellow travelers might have the answers Griessel and Cupido need but they too seem to have disappeared and the few clues that exist suggest a cover up Meanwhile Daniel Darret has settled into a new quiet life in Bordeaux far from his revolutionary past in South Africa But now a man from that past has reappeared And he wants to commission Daniel s unique skills one more time As the two storylines come crashing together Griessel and Cupido are left uncertain of the truth and of their own future A top notch addition to the acclaimed Benny Griessel series The Last Hunt makes a brave and powerful statement about the pervasive corruption that has stolen so much from Deon Meyer s native country Superb this may be the breakthrough book this author deserves Publishers Weekly starred review Spanish Connections Mark L. Asquino,2023-01-26 This is a memoir about my diplomatic journey to Equatorial Guinea an ill fated small Spanish speaking country I discuss the many stops along the way that finally led to my serving as U S ambassador to Spain s only former colony in sub Saharan Africa This is the story of a lifelong fascination with Spain that began with a strange tale my mother told me about a mysterious uncle who fought in the Spanish Civil War My assignment to Equatorial Guinea was the last piece needed to complete a full circle in my professional life that began in Franco s Spain
