This reference work is certainly a valuable addition to the study of Russia and its music The dictionary is of course a must for
academic and large public libraries or any library where research is done Reference Quarterly This important new
biographical dictionary is the most comprehensive single volume work on Russian and Soviet composers published outside of
the Soviet Union to date Incorporating contributions by a distinguished group of performers musicologists and other scholars
including many specialists in Russian music it provides detailed up to date information on over 2 000 composers the majority
of whom are not represented in other English language references Entries vary from brief profiles of lesser known figures to
lengthy articles on major Russian and Soviet composers Each of the longer essays summarizes current scholarship on the
composer offers new insights and complements or corrects coverage available in standard music references Commentary on
musical style is presented in most entries and musical influences are clarified through careful documentation of teacher
student relationships The biographical section is followed by a selective list of compositions arranged according to media and
genre The accompanying bibliography lists works consulted as well as sources of additional information on the individual
composer and an international discography documents the breadth of the repertoire committed to phonodisc tape and
compact disc Thorough cross referencing facilitates the location of materials Reflecting meticulous research and including
first hand information supplied by living Soviet composers this work makes a significant contribution to music scholarship
This book is recommended for library reference shelves and courses in Russian music **A Biographical Dictionary of**

Biographaical dictionary emphasizes classical and art music also gives ample attention to the classics as well as Jazz Blues
rock and pop and hymns and showtunes across the ages **Historical Dictionary of Russian Music** Daniel
Jaffé, 2022-02-15 Russian music today has a firm hold around the world in the repertoire of opera houses ballet companies
and orchestras The music of Pyotr Tchaikovsky Nikolai Rimsky Korsakov Sergey Rachmaninov Sergey Prokofiev and Dmitri
Shostakovich is very much today's lingua franca both in the concert hall and on the soundtracks of international blockbusters
from Hollywood Meanwhile the innovations of Modest Musorgsky Alexander Borodin and Igor Stravinsky have played their
crucial role in the development of Western music influencing the work of virtually every notable composer of the past century
Historical Dictionary of Russian Music Second Edition contains a chronology an introduction and an extensive bibliography

The dictionary section has more than 600 cross referenced entries for each of Russia's major performing organizations and performance venues and on specific genres such as ballet film music symphony and church music This book is an excellent resource for students researchers and anyone wanting to know more about Russian Music **Baker's Biographical**
