G. Kostomarov, A. A. Leontyev, 1987-01-01 Global Russian Cultures Kevin M. F. Platt, 2019-01-15 Is there an essential Russian identity What happens when Russian literature is written in English by such authors as Gary Shteyngart or Lara Vapnyar What is the geographic home of Russian culture created and shared via the internet Global Russian Cultures innovatively considers these and many related questions about the literary and cultural life of Russians who in successive waves of migration have dispersed to the United States Europe and Israel or who remained after the collapse of the USSR in Ukraine the Baltic states and the Central Asian states The volume s internationally renowned contributors treat the many different global Russian cultures not as displaced elements of Russian cultural life but rather as independent entities in their own right They describe diverse forms of literature music film and everyday life that transcend and defy political geographic and even linguistic borders Arguing that Russian cultures today are many this volume contends that no state or society can lay claim to be the single or authentic representative of Russianness In so doing it contests the conceptions of culture and identity at the root of nation building projects in and around Russia Russian for Tourists Vitalij Grigor'evič Kostomarov, 1978 **Tourism Management of Russian Behavioral Intention toward Thailand** Sinee Sankrusme, 2017-06-06 Tourism is identified as one of the major potential industries of Thai economy Tourism is considered to be a top priority for the following reasons Firstly it is an industry requiring much labor thus it provides many jobs for city residents by which it helps to solve unemployment for society Secondly it is an industry which brings with it many important benefits improving the social economic situation and enhancing income for people Thirdly it can promote peace enhancing common understanding and building a unified and sustainable country In the last years Thailand s tourism industry has made significant progress and contributed significantly to the economic development and social progress of the nation In the context of international integration the Thailand

government has focused on developing the tourism industry even further enhancing service quality and expanding operations scale As a result the number of tourists coming to Thailand has increased significantly between 2009 and 2015 This study investigates the perceived value satisfaction and revisit of Russian tourists who visit Thailand on the basis of selected tourism destinations in Bangkok Thailand **Russian for Tourists** Виталий Григорьевич Костомаров,1987 Russian National Income, 1885-1913 Paul R. Gregory,2004-06-07 A frame of reference against which to contrast Soviet economic performance

Turkish-Russian Relations Fatma Ashı Kelkitli,2017-04-07 As the two most influential and powerful actors in Eurasia the nature of the Turkish Russian relationship affects the situation in the Black Sea South Caucasus Central Asia and Middle East and steers the foreign policy formulations of both regional states and global powers Examining post Cold War relations between Eurasia s most prominent actors this book takes into account regional dynamics and global power struggles and identifies three important stages in Turkish Russian relations during the period Using complex interdependency theory the author offers valuable insights into the initial confrontational period and its transition to an atmosphere of compromise cooperation and the evolution of multi dimensional partnership Leadership theory then explains the most recent deterioration in rapport as crises in Syria and Ukraine have placed severe strain on the previously warm bilateral relations

EU-Russian Border Security S. V. Golunov,2013 The land border between Russia and the European Union is one of the longest land borders in the world with very considerable trade flowing across the border in both directions This book examines the nature of the EU Russia border and the issues connected with its management It describes the territories and the societies on each side of the border discusses the challenges which confront border management including migration and criminal activities and explores how people on both sides perceive each other and perceive threats and security issues It concludes by assessing achievements to date in managing the border and by assessing continuing unresolved challenges

Russian English Zoya G. Proshina,Anna A. Eddy,2016-10-06 A fascinating discussion of Russian English as a World English variety and its function in politics business and culture *The Russian Economic Grip on Central and Eastern Europe* Ognian Shentov,2018-10-08 This book is about the use of economic and state capture levers for achieving political clout It details how Moscow has been able to exploit governance deficits and influence decision making in the countries of Central and Eastern Europe through a range of economic means The comparative country by country perspective on Russia s corporate presence trade and investment in particular sectors of the region especially energy shows the patterns of the Kremlin s use of economic presence and state capture tactics to amplify political and social leverage By collating economic data with an analysis of governance loopholes and the political process the authors reveal the Kremlin s methods for swaying national policies especially through the exploitation of governance failures in these countries The book thereby highlights how Russia s economic power is related to its wider strategic goals It concludes that Russia s economic grip both direct and indirect is tighter than official statistics imply **Contested Russian Tourism** Susan Layton,2021-08-10 This literary

cultural history examines imperial Russian tourism's entanglement in the vexed issue of cosmopolitanism understood as receptiveness to the foreign and pitted against provinciality and nationalist anxiety about the allure and the influence of Western Europe. The study maps the shift from Enlightenment cosmopolitanism to Byronic cosmopolitanism with special attention to the art pilgrimage abroad. For typically middle class Russians daunted by the cultural riches of the West vacationing in the North Caucasus, Georgia and the Crimea afforded the compensatory opportunity to play colonizer kings and queens in Asia. Drawing on Anna Karenina and other literary classics, travel writing, journalism and guidebooks, the investigation engages with current debates in cosmopolitan studies including the fuzzy paradigm of colonial cosmopolitanism.

Turkish-Russian Relations Gökçe Bayindir Goularas, Natalya Ketenci, 2019-12-12 Turkey and Russia are countries with growing international importance. Turkish-Russian Relations: Prospects and Challenges analyzes Turkish-Russian relations from multiple perspectives in order to better understand the multifaceted arenas of their cooperation and how these relations may affect the collaboration with other countries. The first part of this book starts with a geopolitical analysis of Turkish-Russian relations in the context of the Middle East and then delves into the origin of these relations with reference to Cold War realities still in play today. The next part of the book analyzes the Turkish-Russian relations in terms of micro-level studies with special reference to mass media, suicide and migration to give color to a dynamic and constantly changing geopolitical relationship.

Encounters across Difference Natalia Bloch, 2021-05-07 In Encounters across Difference, Natalia Bloch examines tourism encounters in the informal sector in India and their potential to empower subaltern communities. Drawing from ethnographic evidence in Hampi and Dharamshala, Bloch explores the potential of tourism to promote political engagement, volunteering, sponsorship, local entrepreneurship and women's empowerment. Contrary to the frequent criticism of tourism to the Global South as a colonial practice, Bloch argues that workers and small entrepreneurs in displaced communities see tourists as allies in their political struggles and on a more individual level as an opportunity to build better lives.
