Russian Names For Russian Dogs:

Russian Names for Russian Dogs Irene Zerebko, 1985 **Five Russian Dog Stories** Anton Chekhov, Mikhail Saltykov, Ivan Turgenev, 2012-07-12 Five Russian Dog Stories presents touching narratives from three giants in Russian literature Some heart warming some tear jerking none will easily be forgotten Turgenev's Mumu is rescued from drowning by a mute serf Gerasim and quickly becomes his closest friend and comforter until Gerasim's mistress intervenes with tragic consequences Shchedrin's Trezor is the perfect embodiment of canine fidelity carrying out his duties to the letter despite being chained up badly treated and sometimes not even fed Chekhov's Kashtanka when lost is taken in by a circus clown and trained for an act in the ring However she prefers to return to her former abusive master sitting in the audience at her first performance rather than remain with her new caring thoughtful owner These stories have long been held in high esteem tugging at the readers heartstrings When Turgenev died in 1883 a wreath was sent to the grave of the author of Moomoo by British Society for the Prevention of Cruelty to Animals **Gaf! Gaf! Russian Dog Stories** Terence Emmons, 2004-06-24 A collection of remarkable Russian dog stories selected translated and introduced by Terrence Emmons Several of Russia's most famous writers including Turgenev Tolstoy and Chekhov are represented here along with other masters of the genre who are less well known to western readers Mamin Sibiriak Kuprin Prishvin and others This is the first anthology of Russian dog stories to be published in any language *Russian Central Asia in the Works of Nikolai Karazin, 1842-1908* Elena Andreeva, 2021-02-03 This book provides a deep reading of Nikolai Karazin's works and his relationship with Central Asia Elena Andreeva shows how Karazin's prolific creations have much to tell us about Russian imperialism colonial and local society as well as Russians self identity as colonizers and Europeans The work offers an original contribution to the scholarship on Russian imperial history and that of Central Asia and Russian literary history also Karazin's importance at the time and now is appropriately highlighted Jeff Sahadeo Associate Professor Carleton University Canada Elena Andreeva's book resurrects a vital if forgotten figure from the Russian past Nikolai Karazin Russia's Kipling a multifaceted participant in Russian imperial expansion whose fiction journalism ethnography and visual representations may well have done more than any agent of the Russian state to represent and popularize Russia's conquest of Central Asia to a newly literate Russian public beyond the educated elites Archivaly based and carefully argued Andreeva's study of Karazin reveals the absence of any singular logic to Russian imperial expansion In her analysis Karazin emerges as a vernacular enthusiast of empire who was able to reconcile a skeptical attitude towards tsarist autocracy with an idealized view of Russia's civilizing mission in the East Harsha Ram Associate Professor University of California Berkeley USA This book is dedicated to the literary and visual images of Central Asia in the works of the popular Russian artist Nikolai Karazin It analyzes the ways Karazin's discourse inflected and was inflected by the expansion of the Russian empire and therefore sheds light on the place of art and culture in the Russian colonial enterprise It is the first attempt to interpret Karazin's images of Central Asia within Russian imperial

networks and within the maze of the Russian national identity that informed them
