Russian Struggle For Power 1914 1917:

The Russian Struggle for Power, 1914-1917 Clarence Jay Smith (Jr.),1956 *The Russian Struggle for Power, 1914-1917* Clarence Jay Smith,1953 **The Russian Struggle for Power, 1914-1917** C. Jay Smith (jr.),1969 *The Russian Struggle for Power, 1914-1917* Clarence Jay Smith Jr.,2011-07-01 *The Russian Struggle for Power, 1914-1917* Clarence Jay Smith,1969 **The Russian Struggle for Power, 1914-1917. A Study of Russian Foreign Policy During the First World War** C. Jay Smith,1969 *The Russian Origins of the First World War* Sean McMeekin,2013-05-06 In a major reinterpretation Sean McMeekin rejects the standard notion of the war s beginning as either a Germano Austrian preemptive strike or a miscalculation The key to the outbreak of violence he argues lies in St Petersburg Russian statesmen unleashed the war through policy decisions based on imperial ambitions in the Near East **The Struggle for the Eurasian Borderlands** Alfred J. Rieber,2014-03-20 A major new account of the Eurasian borderlands as shatter zones which have generated some of the world s most significant conflicts **With Snow on Their Boots** Jamie H. Cockfield,1999-07-02 In 1916 in an exchange of human flesh for war material the Russian government sent to France two brigades to fight on the side of their French allies By the end of World War I these two brigades had experienced their own form of the Russian Revolution had been isolated at a southern training post in a discipline move by the French government had battled against each other in what was one of the first confrontations of the Russian Civil War and had emerged from the conflict as a single force the Russian Legion of Honor which would remain loyal to France until the end of the war The remarkable story of these Russian soldiers has been overlooked by historians until now Jamie Cockfield here explores the journey and transformation of these men and in so doing he examines the impact of the revolution on the Russians who were caught in the middle of wartime alliances and nationalist ardor **Transformation in Russian and Soviet military history , The Establishment of the Balkan National States, 1804-1920** Charles Jelavich,Barbara Jelavich,2012-09-20 This highly readable and thoroughly researched volume offers an excellent account of the development of seven Balkan peoples during the nineteenth and the first part of the twentieth centuries Professors Charles and Barbara Jelavich have brought their rich knowledge of the Albanians Bulgarians Croatians Greeks Romanians Serbians and Slovenes to bear on every aspect of the area s history political diplomatic economic social and cultural It took more than a century after the first Balkan uprising that of the Serbians in 1804 for the Balkan people to free themselves from Ottoman and Habsburg rule The Serbians and the Greeks were the first to do so the Albanians the Croatians and the Slovenes the last For each people the national revival took its own form and independence was achieved in its own way The authors explore the contrasts and similarities among the peoples within the context of the Ottoman Empire and Europe *The Oxford Illustrated History of the First World War* Hew Strachan,2000 Having a profound influence on the history of the twentieth century the First World War left an intense legacy that continues to affect both those who lived through it and those who merely read about it in school It was the first conflict

in which airplanes submarines and tanks played a significant role and the first in which casualties on the battlefield outnumbered those from disease It precipitated the collapse of the empires of Austria Hungary and Turkey and it promoted revolution in Russia America's entry into the war and the part it played in the peace settlement signaled the arrival on the world stage of a new great power In this extensively illustrated book an international team of experts explores the war in all its different aspects From its causes to its consequences from the strategy of the politicians to the tactics of the generals the course of the war is charted and its political and human consequences assessed The legacy of the war to end wars in poetry and prose in collective memory and political culture is with us still eighty years after that first Armistice Day This remarkable book helps us understand that legacy *The First World War* Keith Robbins, 2002-08-22 The tragic slaughter of the trenches is imprinted on modern memory but it is more difficult to grasp the wider extent and significance of the First World War This book gives a clear chronological account of the campaigns on the Western and Eastern Fronts and then moves on to investigate areas that many studies ignore the war poets the diplomacy of war aims and peace moves logistics and the experience of the war It was soon seen that war has nothing to do with chivalry any more but it was harder to say what the First World War was fought for or what the combatants gained Professor Robbins approaches this problem from two angles he analyses the complex political and diplomatic background to the alliances between the Great Powers he also explores the mood of Europe between 1914 and 1918 by examining the experience of war from the different standpoints of the nations and individuals caught up in it *Peasants in Power* John D. Bell, 2019-03-12 Agrarianism has received relatively little attention from scholars interested in the modern history of Eastern Europe Contending that an understanding of the agrarian contribution is necessary for an appraisal of the full dynamic of Eastern European politics John D Bell explores the history of the Bulgarian Agrarian National Union the strongest of the East European organizations Tracing the union's career from its founding to its overthrow in 1923 the author discusses the reasons for its appearance its ideology and program and its accomplishments and failure in both domestic and foreign policy He concentrates in particular on the career of Alexander Stamboliski who guided and inspired the BANU during its rise to power This book is thus a comprehensive objective biography of both a movement and a man John D Bell is Associate Professor of History at the University of Maryland Baltimore County Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The First World War in Africa** Hew Strachan, 2004-10-14 *To Arms* is Hew Strachan's most complete and definitive study of the opening of the First World War Now key sections from this magisterial work are published as individual paperbacks each complete in itself and with a

new introduction by the author The First World War was not just fought in the trenches of the western front It embraced all of Africa Many of those who fought this white man s war were black The dangers they confronted went beyond those of the battlefield They fell prey to malaria and dysentery and they were attacked by lions and crocodiles But it was a vast and spectacular theatre of operations in which great personalities thrusting German officers like Paul von Lettow Vorbeck or big game hunters like Peter Pretorius could impose themselves Embracing the perspectives of all the nations who fought there this is the first ever full account of the Great War in Africa **The Modern Assyrians of the Middle East** John Joseph, 2000 As Assyrians members of this religio linguistic minority have either been romanticized for gallantry and integrity or have been portrayed as rebellious and mischievous This study covers as summed up by its subtitle some of the unexplored aspects of this history *Professional Journal of the United States Army* ,1956 **Military Review** ,1956 **Quarterly Review of Military Literature** ,1956 **Review of Current Military Literature** ,1956-06
