

Russian Tradition

Richard Taruskin

Russian Tradition:

The Russian Tradition in Education Nicholas Hans, 2012 This volume describes the Russian tradition in education and in particular the dominant role of Russian nationality The whole history of Russian education is covered from Peter the Great to Khrushchev

Russian Traditional Culture Marjorie Mandelstam Balzer, 1992 This is an annotated collection of recent studies of Russian folk religion village organization and family life including the rituals associated with childbirth and paying special attention to women's roles and to the specificity of Siberia in Russian culture

The Cambridge Companion to Modern Russian Culture Nicholas Rzhevsky, 2012-04-05 A fully updated new edition of this overview of contemporary Russia and the influence of its Soviet past

Encyclopedia of Contemporary Russian Culture Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 This addition to the highly successful Contemporary Cultures series covers the period from period 1953 with the death of Stalin to the present day Both Russian and Culture are defined broadly Russian refers to the Soviet Union until 1991 and the Russian Federation after 1991 Given the diversity of the Federation in its ethnic composition and regional characteristics questions of national regional and ethnic identity are given special attention There is also coverage of Russian speaking immigrant communities Culture embraces all aspects of culture and lifestyle high and popular artistic and material art fashion literature music cooking transport politics and economics film crime all and much else are covered in order to give a full picture of the Russian way of life and experience throughout the extraordinary changes undergone since the middle of the twentieth century The Encyclopedia of Contemporary Russian Culture is an unbeatable resource on recent and contemporary Russian culture and history for students teachers and researchers across the disciplines Apart from academic libraries the book will also be a valuable acquisition for public libraries Entries include cross references and the larger ones carry short bibliographies There is a full index

Russian Culture At The Crossroads Dmitri N Shalin, 2018-02-12 The reexamination of values that began during the USSR's last years continues today in the search for a new Russian culture one rooted in the pre Soviet past but dynamic and evolving Multi textual polyphonic and contradictory the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles The chapters explore specific cultural domains surveying Russian and Soviet beliefs and behaviors and highlighting the range of choices that Russians are facing at this critical juncture During the waning years of Soviet power glasnost laid bare the distress of people trapped in a system they despised but felt powerless to change The reexamination of values that began then continues today in the search for a new Russian culture one rooted in the pre Soviet past but dynamic and evolving enabling Russians to meet the challenges they face in the contemporary world Multi textual polyphonic and contradictory the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles Each chapter focuses on a particular cultural domain surveying the historical origins of Russian beliefs and behaviors exploring their Soviet and post Soviet

permutations and highlighting the range of choices that Russians are facing at this critical juncture The decisions they make will shape their society and culture for generations to come Illuminating the universal significance of the Soviet experience this volume raises provocative questions about the social political and economic sources of cultural change **Joseph Brodsky and Modern Russian Culture** ,2024-09-23 This volume is a major contribution to the study of the life work and standing of Joseph Brodsky 1987 Nobel Prize Laureate and the best known Russian poet of the second half of the twentieth century This is the most significant book devoted to him in the last 25 years and features work by many of the leading experts on him both in Russia and the West Every one of the chapters makes a real contribution to different aspects of Brodsky the growth of interest in his work his world view and political position and the unique aspects of his poetics Taken together the sixteen chapters offer a rounded interpretation of his significance for Russian culture today **Stravinsky and the Russian Traditions** Richard Taruskin,1996 During his career Stravinsky underplayed his Russian past in favour of a European cosmopolitanism This study defines Stravinsky s relationship to the musical and artistic traditions of his native land and provides a dramatic new picture of one of the major figures in the history of music **The Culture of Military Innovation** Dima Adamsky,2010-01-27 This book studies the impact of cultural factors on the course of military innovations One would expect that countries accustomed to similar technologies would undergo analogous changes in their perception of and approach to warfare However the intellectual history of the Revolution in Military Affairs RMA in Russia the US and Israel indicates the opposite The US developed technology and weaponry for about a decade without reconceptualizing the existing paradigm about the nature of warfare Soviet new theory of victory represented a conceptualization which chronologically preceded technological procurement Israel was the first to utilize the weaponry on the battlefield but was the last to develop a conceptual framework that acknowledged its revolutionary implications Utilizing primary sources that had previously been completely inaccessible and borrowing methods of analysis from political science history anthropology and cognitive psychology this book suggests a cultural explanation for this puzzling transformation in warfare The Culture of Military Innovation offers a systematic thorough and unique analytical approach that may well be applicable in other perplexing strategic situations Though framed in the context of specific historical experience the insights of this book reveal important implications related to conventional subconventional and nonconventional security issues It is therefore an ideal reference work for practitioners scholars teachers and students of security studies **The Russian Moment in World History** Marshall T. Poe,2011-06-27 Is Russian history one big inevitable failure The Soviet Union s demise and Russia s ensuing troubles have led many to wonder But this is to look through a skewed prism indeed In this provocative and elegantly written short history of Russia Marshall Poe takes us well beyond the Soviet haze deep into the nation s fascinating not at all inevitable and in key respects remarkably successful past Tracing Russia s course from its beginnings to the present day Poe shows that Russia was the only non Western power to defend itself against Western imperialism for centuries It did so by

building a powerful state that molded society to its military needs Thus arose the only non Western path to modern society a unique path neither European nor Asian but most aptly Russian From the fifteenth to the eighteenth centuries Russia prevailed despite unparalleled onslaughts by powerful Western armies However while Europe nurtured limited government capitalism and scientific and cultural revolution early Russian society cultivated autocracy and command economics Both Europe and Russia eventually created modern infrastructures but the European model proved more productive and powerful The post World War I communist era can be seen as a natural continuation of Russia s autocratic past that despite its tragic turns kept Russia globally competitive for decades The Russian moment in world history thus began with its first confrontations with Europe in the fifteenth century and ended in 1991 with the Soviet collapse Written with verve and great insight The Russian Moment in World History will be widely read and vigorously debated by those who seek a clear and unequivocal understanding of the complex history that has made Russia what it is today

Stravinsky and the Russian Traditions, Volume Two Richard Taruskin, 2016-04-27 This book undoes 50 years of mythmaking about Stravinsky s life in music During his spectacular career Igor Stravinsky underplayed his Russian past in favor of a European cosmopolitanism Richard Taruskin has refused to take the composer at his word In this long awaited study he defines Stravinsky s relationship to the musical and artistic traditions of his native land and gives us a dramatically new picture of one of the major figures in the history of music Taruskin draws directly on newly accessible archives and on a wealth of Russian documents In Volume One he sets the historical scene the St Petersburg musical press the arts journals and the writings of anthropologists folklorists philosophers and poets Volume Two addresses the masterpieces of Stravinsky s early maturity Petrushka The Rite of Spring and Les Noces Taruskin investigates the composer s collaborations with Diaghilev to illuminate the relationship between folklore and modernity He elucidates the Silver Age ideal of neonationalism the professional appropriation of motifs and style characteristics from folk art and how Stravinsky realized this ideal in his music Taruskin demonstrates how Stravinsky achieved his modernist technique by combining what was most characteristically Russian in his musical training with stylistic elements abstracted from Russian folklore The stylistic synthesis thus achieved formed Stravinsky as a composer for life whatever the aesthetic allegiances he later professed Written with Taruskin s characteristic mixture of in depth research and stylistic verve this book will be mandatory reading for all those seriously interested in the life and work of Stravinsky

Russian Culture in Modern Times Robert P. Hughes, Irina Paperno, 1994-01-01 The acceptance of Christianity in the tenth century is the most significant cultural event in the history of modern Russia Ukraine and Byelorussia Now Slavic specialists theologians historians and literary scholars can turn to a collection that examines the majestic sweep of a thousand years of Slavic Christianity This three volume collection brings together essays from two international conferences The present volume explores cultural history from the eighteenth to the twentieth centuries Volume I published in 1993 examines the history and influences of Christianization from the tenth to the seventeenth century

and Volume III will focus on the literature of the nineteenth and twentieth centuries From Empire to Eurasia Sergey Glebov, 2017-05-15 The Eurasianist movement was launched in the 1920s by a group of young Russian migrants who had recently emerged from years of fighting and destruction Drawing on the cultural fermentation of Russian modernism in the arts and literature as well as in politics and scholarship the movement sought to reimagine the former imperial space in the wake of Europe's Great War The Eurasianists argued that as an heir to the nomadic empires of the steppes Russia should follow a non European path of development In the context of rising Nazi and Soviet powers the Eurasianists rejected liberal democracy and sought alternatives to Communism and capitalism Deeply connected to the Russian cultural and scholarly milieu Eurasianism played a role in the articulation of the structuralist paradigm in interwar Europe However the movement was not as homogenous as its name may suggest Its founders disagreed on a range of issues and argued bitterly about what weight should be accorded to one or another idea in their overall conception of Eurasia In this first English language history of the Eurasianist movement based on extensive archival research Sergey Glebov offers a historically grounded critique of the concept of Eurasia by interrogating the context in which it was first used to describe the former Russian Empire This definitive study will appeal to students and scholars of Russian and European history and culture **Libertinage in Russian Culture and Literature** Alexei Lalo, 2011-09-09 The monograph explores traditions of expressing the body and sexuality designated as silence and burlesque throughout Russia's literary history with a particular focus on how these traditions affect the literary modernization during the Silver Age 1890-1921 and subsequent migrant writing *The Spectre of Tradition and the Aesthetic-Political Movement of Theatre and Performance* Min Tian, 2022-10-25 This book interrogates anew the phenomenon of tradition in a dialogical debate with a host of Western thinkers and critical minds In contrast to the predominantly Western approaches which look at traditions Western and non Western from a predominantly Western modernist perspective this book interrogates from an intercultural perspective the transnational and transcultural consecration translation reinvention and displacement of traditions theatrical and cultural in the aesthetic political movement of twentieth century theatre and performance as exemplified in the case studies of this book It looks at the question of traditions and modernities at the centre of this aesthetic political space as modernities interculturally evoke and are haunted by traditions and as traditions are interculturally refracted reconstituted refunctioned and reinvented It also looks at the applicability of its intercultural perspective on tradition to the historical avant garde in general postmodern postcolonial and postdramatic theatre and performance and to the twentieth century classical intercultural theatre and the twenty first century new interculturalisms in theatre and performance To conclude it looks at the future of tradition in the ecology of our globalized theatrum mundi and considers two important interrelated concepts future tradition and intercultural tradition This book will be of great interest to students and scholars in performance studies **Foundations of Russian Culture** Alexander Schmemmann, 2023-10-02 A culture that demands only freedom from politics while rejecting and

shunning politics itself remains inadequate lifeless and is ultimately doomed In its turn politics that rejects the spiritual oversight of culture inevitably degenerates into tyranny or anarchy into corruption and mediocrity Inside this deceptively modest volume will be found a remarkably prescient collection of broadcasts that are perhaps even more pertinent to the contemporary culture and politics of Russia than they were to the audience within the Soviet Union to whom they were originally addressed Schmemann presents the complex history of Russia and analyzes trends and tendencies within its culture concisely and simply showing them to be frequently contradictory and even mutually exclusive He clarifies the multilayered meaning of foundations its underlying building blocks the spiritual the political the historical as well as the cultural assets in literature art science and philosophy In these elements he shows what Russia is grappling with in its struggle to find a synthesis that draws both from its own unique elements and its historical and ongoing interconnectedness with the West and the East **Russian Architecture and the West** Dmitrii Olegovich

Shvidkovskii, Shvidkovsky, 2007-01-01 This is the first book to show the development of Russian architecture over the past thousand years as a part of the history of Western architecture Dmitry Shvidkovsky Russia's leading architectural historian departs from the accepted notion that Russian architecture developed independent of outside cultural influences and demonstrates that to the contrary the influence of the West extends back to the tenth century and continues into the present He offers compelling assessments of all the main masterpieces of Russian architecture and frames a radically new architectural history for Russia The book systematically analyzes Russian buildings in relation to developments in European art pointing out where familiar European features are expressed in Russian projects Special attention is directed toward decorations based on Byzantine models the heritage of Italian master builders and carvers the impact of architects and others sent by Elizabeth I the formation of the Russian Imperial Baroque the Enlightenment in Russian art and 19th and 20th century European influences With over 300 specially commissioned photographs of sites throughout Russia and western Europe this magnificent book is both beautiful and groundbreaking Russian Culture Margaret Mead, John Rickman, 2001

This volume brings together two classic works on the culture of the Russian people which have been long out of print Gorer's Great Russian Culture and Mead's Soviet Attitudes towards Authority An Interdisciplinary Approach to Problems of Soviet Character were among the first attempts by anthropologists to analyze Russian society They were influential both for several generations of anthropologists and in shaping American governmental attitudes toward the Soviet Union during the Cold War period Additionally they offer fascinating insights into the early anthropological use of psychological data to analyze cultural patterns Read as part of the history of the anthropology of complex contemporary societies they are as fascinating for their more questionable conclusions as for their accurate characterizations of Russian life *Meanings and Values of Water in Russian Culture* Jane Costlow, Arja Rosenholm, 2016-11-25 Bringing together a team of scholars from the diverse fields of geography literary studies and history this is the first volume to study water as a cultural phenomenon within the Russian

Soviet context Water in this context is both a cognitive and cultural construct and a geographical and physical phenomenon representing particular rivers the Volga the Chusovaia in the Urals the Neva and bodies of water from Baikal to sacred springs and the flowing water of nineteenth century estates but also powerful systems of meaning from traditional cultures and those forged in the radical restructuring undertaken in the 1930s Individual chapters explore the polyvalence and contestation of meanings dimensions and values given to water in various times and spaces in Russian history The reservoir of symbolic association is tapped by poets and film makers but also by policy makers the popular press and advertisers seeking to incite reaction or drive sales The volume s emphasis on the cultural dimensions of water will link material that is often widely disparate in time and space it will also serve as the methodological framework for the analysis undertaken both within chapters and in the editors introduction

Reference Guide to Russian Literature Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public

The City in Russian Culture Pavel Lyssakov, Stephen Norris, 2018-04-19 Cities are constructed and organized by people and in turn become an important factor in the organization of human life They are sites of both social encounter and social division and provide for their inhabitants a sense of place This book explores the nature of Russian cities outlining the role played by various Russian cities over time It focuses on a range of cities including provincial cities considering both physical iconic created cities and also cities as represented in films fiction and other writing Overall the book provides a rich picture of the huge variety of Russian cities

Decoding **Russian Tradition**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Russian Tradition**," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Russian Tradition Introduction

In today's digital age, the availability of Russian Tradition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Tradition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Tradition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Tradition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Tradition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Tradition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Tradition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Tradition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Tradition books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Tradition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Tradition is one of the best book in our library for free trial. We provide copy of Russian Tradition in digital format, so the resources that you find are reliable.
