OF PUSHKIN'S  
*EUGENE ONEGIN*

TRANSLATED BY  
*Sona Stephan Hoisington*

# Russian Views Of Pushkins Eugene Onegin

**Alexander Pushkin**

## **Russian Views Of Pushkins Eugene Onegin:**

Russian Views of Pushkin's Eugene Onegin, 1988      **Russian Views of Pushkin's Eugene Onegin** Sona Stephan Hoisington, 1988      Pushkin: Eugene Onegin Owc P Alexander Pushkin, 1998-09-10 Eugene Onegin is the master work of the poet whom Russians regard as the fountainhead of their literature Set in 1820s Russia Pushkin's novel in verse follows the fates of three men and three women It was Pushkin's own favourite work and this new translation conveys the literal sense and the poetic music of the original Eugene Onegin is the master work of the poet whom Russians regard as the fountainhead of their literature Set in 1820s imperial Russia Pushkin's novel in verse follows the emotions and destiny of three men Onegin the bored fop Lensky the minor elegiac and a stylized Pushkin himself and the fates and affections of three women Tatyana the provincial beauty her sister Olga and Pushkin's mercurial Muse Engaging full of suspense and varied in tone it also portrays a large cast of other characters and offers the reader many literary philosophical and autobiographical digressions often in a highly satirical vein Eugene Onegin was Pushkin's own favourite work and it shows him attempting to transform himself from a romantic poet into a realistic novelist This new translation seeks to retain both the literal sense and the poetic music of the original and capture the poem's spontaneity and wit The introduction examines several ways of reading the novel and text is richly annotated      *Eugene Onegin (EasyRead Super Large 18pt Edition)* Aleksandr Sergeevich Pushkin, Eugene Onegin is the master work of the poet whom Russians regard as the fountainhead of their literature Set in 1820s Russia Pushkin's verse novel follows the fates of three men and three women Engaging full of suspense and varied in tone it also portrays a large cast of other characters and offers the reader many literary philosophical and autobiographical digressions often in a highly satirical vein Eugene Onegin was Pushkin's own favorite work and this new translation conveys the literal sense and the poetic music of the original Amazon      *Alexander Pushkin* A. D. P. Briggs, 1983-01-01 A clear detailed and accessible account of all Pushkin's poetry      **The Cambridge Companion to Pushkin** Andrew Kahn, 2006-12-21 Alexander Pushkin stands in a unique position as the founding father of Russian literature In this Companion leading scholars discuss Pushkin's work in its political literary social and intellectual contexts In the first part of the book individual chapters analyse his poetry his theatrical works his narrative poetry and historical writings The second section explains and samples Pushkin's impact on broader Russian culture by looking at his enduring legacy in music and film from his own day to the present Special attention is given to the reinvention of Pushkin as a cultural icon during the Soviet period No other volume available brings together such a range of material and such comprehensive coverage of all Pushkin's major and minor writings The contributions represent state of the art scholarship that is innovative and accessible and are complemented by a chronology and a guide to further reading      Pushkin's Tatiana Olga Peters Hasty, 1999 ONE OF THE most discussed and elusive female characters in the Russian literary tradition Pushkin's Tatiana Larina is the progenetrix of an impressive list of heroines ranging from Tolstoy's Anna Karenina to Pasternak's Lara Guishar in Doctor

Zhivago In this provocative new book Olga Hasty offers the first study of Pushkin's novel in verse Eugene Onegin that focuses systematically on Tatiana. A major revisionist reading of one of the central texts of the Russian canon, Hasty's Tatiana-centric approach to Eugene Onegin revitalizes our understanding of both Pushkin's heroine and the novel in which she appears. Hasty shows with elegance and psychological insight how Tatiana is able to realize her imaginative potential in a context full of real risk and constraint. Tatiana emerges as a new literary psychological and cultural model who enacts precisely those creative tensions and possibilities on which Pushkin himself drew. Pushkin's Tatiana recovers the erotic energy, self-control and expressivity of Pushkin's most beloved heroine, freeing her from the clichéd image of self-sacrificial woman. Hasty concludes with an insightful exploration of Tatiana's subsequent role in the self-presentations of the Russian poets Karolina Pavlova and Marina Tsvetaeva.

**Pushkin on Literature** Aleksandr Sergeevich Pushkin, 1986 Pushkin on Literature approaches Pushkin's literary accomplishment from a unique perspective: it focuses on Pushkin the critic and on his fascination with the literary world that surrounded him. This is the only English language edition of the complete set of Pushkin's critical writing, both on his own work and on the wide range of European literature: Byron, Shakespeare, Voltaire, Milton, which he read and studied, and which so profoundly influenced his own writing. These extracts from Pushkin's letters, articles and working notes provide a complete chronological record of the artist's literary evolution and provide a fascinating glimpse into the poet's intellectual passions.

**Reference Guide to Russian Literature** Neil Cornwell, 2013-12-02 First Published in 1998, this volume will surely be regarded as the standard guide to Russian literature for some considerable time to come. It is therefore confidently recommended for addition to reference libraries, be they academic or public.

**The Companion to Juri Lotman** Marek Tamm, Peeter Torop, 2021-12-30 Juri Lotman (1922-1993), the Jewish Russian Estonian historian, literary scholar and semiotician, was one of the most original and important cultural theorists of the 20th century as well as a co-founder of the well-known Tartu-Moscow School of Semiotics. This is the first authoritative volume in any language to explore the main facets of Lotman's work and discuss his main ideas in the context of contemporary scholarship. Boasting an interdisciplinary cast of contributing academics from across mainland Europe as well as the USA, the UK, Australia, Argentina and Brazil, *The Companion to Juri Lotman* is the definitive text about Lotman's intellectual legacy. The book is structured into three main sections: Context, Concepts and Dialogue, which simultaneously provide ease of navigation and intriguing prisms through which to view his various scholarly contributions. Saussure, Bakhtin, Language, Memory, Space, Cultural History, New Historicism, Literary Studies and Political Theory are just some of the thinkers, themes and approaches examined in relation to Lotman, while the introduction and thematic Lotman bibliography that frame the main essays provide valuable background knowledge and useful information for further research. The book foregrounds how Lotman's insights have been especially influential in conceptualizing meaning-making practices in culture and society and how they in turn have inspired the work of a diverse group of scholars. *The Companion to Juri Lotman* shines a light on a hugely significant

and all too often neglected figure in 20th century intellectual history      *Two Hundred Years of Pushkin, Volume III*, 2021-11-01 Pushkin's status as Russia's national poet rests as much on the breadth of his cultural influence as on the intrinsic quality of his works Pushkin's Legacy reflects in various ways the areas in which this influence has been felt Part I considers some of the key factors in defining Pushkin for posterity in particular the crucial role played by the critic Belinskii and the problematics of periodising Pushkin Part II examines the richness of Pushkin's poetics including the ways in which his work challenged the established boundaries between poetry and prose Part III examines Russian music's debt to Pushkin and vice versa Russian music's role in popularising his works Part IV examines Pushkin's influence abroad via studies of his influence on Melville and Henry James and on a more personal level through his descendants in England Pushkin's Legacy offers a variety of approaches to Pushkin and his oeuvre and to the nature of his complex impact on Russian and European culture Pushkin's Legacy is the third volume devoted to Pushkin to be published in the SLP series under the general title Two Hundred Years of Pushkin It follows volume I Pushkin's Secret Russian Writers Reread and Rewrite Pushkin and volume II Alexander Pushkin Myth and Monument      **Pushkin and Romantic Fashion** Monika Greenleaf, 1994 Pushkin and Romantic Fashion is about the interpenetration of culture and personality specifically Alexander I's Russian Empire a latecomer in post-Napoleonic European history and Aleksandr Pushkin virtuoso improviser yet prisoner of the Golden Age discourses that now bear his name It focuses on Pushkin's use of the Romantic fragment especially the link between the fragment and Romantic irony's fundamental and modern questioning of the sources and intentionality of language In the view of such irony's most eloquent formulator Friedrich Schlegel identity does not precede speech but is forged in each improvisational interaction with interlocutor or reader One finds out who one is by speaking and all utterances and texts stand in a fragmentary contingent relation to an accumulating life text Pushkin may actually come closest of all major European poets to realizing what Schlegel prescribed or diagnosed as the poetics of modernity not because of any direct links but because as common latecomers on the European cultural scene Russian and German writers shared a fascination with European fashions and an ironic talent for conflating or stepping outside them Thus Pushkin's kaleidoscopic explorations of fashionable European genres from Augustan erotic elegy to the archaic Greek lyric fragment from the Byronic Oriental poetic tale to Shakespearean chronicle drama from the modern society tale to the Walter Scott historical novel can be seen as ever more dramatic rewritings of and meditations on a previous life text This fragmentary and ironic self-presentation has ensured that every generation of Pushkin readers no matter how gilded with cultural authority the poet became talked back The author is deeply concerned to embed Pushkin in a larger European context in a way critically consonant with the best in Western Romantic studies She locates Pushkin's penchant for fragmentary structures in a European discourse of fragmentation revealing      **Encyclopedia of the Romantic Era, 1760-1850** Christopher John Murray, 2013-05-13 In 850 analytical articles this two-volume set explores the developments that influenced the profound

changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism The Nurse in History and Opera Judith Barger,2024-04-08 From Scarabea Artusa s old nurse in Francesco Mannelli s La Maga Fuminata 1638 Venice through the Canadian nursing sisters in Stephanie Martin s Llandovery Castle 2018 Toronto over one hundred nurse characters appear in opera roles ranging from silent cast extra to principal singer The Nurse in History and Opera From Servant to Sister explores that role over the span of opera s existence Judith Barger examines the nurse character in opera within the sociohistorical context of her real life counterparts off stage the progression of the nurse from servant to sister both inside and outside the opera house is a commentary on how society has viewed its women The book then discusses textual and musical interactions between opera s nurses and other characters with attention to what the nurse s role contributes to opera in six categories identified as common to opera s nurses Comic Former Knowledgeable Motherly Scheming and Specialized When viewed through the lens of social history opera s nurse characters merit attention for the glimpse that they offer of a unique musical and dramatic journey from servant to sister and for the commentary that they offer on women s perceived place and status not only on the opera stage but in society as well View the author s website here Judith Barger Author Nurse Historian Music Scholar Literature as Communication and Cognition in Bakhtin and Lotman Allan Reid,2016-08-19 This title first published in 1990 argues for the existence of a significant connection between the theories of literature and culture of Mikhail Mikhailovich Bakhtin 1895 1975 and Iurii Mikhailovich Lotman 1922 1993 There is general agreement in the academic or scholarly community that there is such a connection however it is generally held to refer to Bakhtin s influence on Lotman which he expressed late in his life The major aim of this study meanwhile is to demonstrate that the critical theories of Lotman and Bakhtin are highly compatible independent of and prior to any direct influence This title will be of interest to students of literature and literary theory **Commemorating Pushkin** Stephanie Sandler,2004 Commemorating Pushkin is a study of the fascination with Pushkin that has helped Russian culture define itself as seen in poems stories essays memoirs films museums and commemorative celebrations **A Bibliography of Alexander Pushkin in English** ,1999 A Bibliography of Anton Chekhov in English Studies Translations Reviews and Notes is offered in three appropriate parts Part One Studies comprises sections for book length bio literary studies and bio literary articles introductions comparative studies Russian and foreign memoirs popular studies general and individual studies of Chekhov s plays and short stories studies of his non fiction letters notes and diaries and special categories film language and stylistics documents and documentation translation studies dissertations bibliography and collections Part Two Translations is divided into general collections drama collections individual dramas story collections individual stories non fiction letters notes and

diaries and film Part Three Critical Reviews provides a comprehensive selection of the most significant reviews in major English language newspapers and journals through the year 1993 It is not possible to provide a comprehensive selection of an estimated 350 000 reviews of Chekhov plays 1994 2003 but an attempt has been made to provide a representative sampling of reviews in major newspapers and current periodicals Citations throughout this Bibliography are full and unabbreviated the intent being to provide access to each work in every appropriate category without complicating the search process with confusing cross listings Entries for collections are accompanied by listings of contents in the order given in tables of contents or alphabetically Entries for collections provide a base for subsequent listings of individual major works for addition of subsequent editions reprints and re publications Translations of plays are categorized by their most commonly known English titles and cited within categories by the English title given for a particular translation English titles of stories have not been rationalized in this way because the large number of Chekhov s stories would require division of the section on individual stories into virtually hundreds of sub sections Instead stories are listed in alphabetical order by the various English titles given for a particular translation

**Modern Genre Theory** David Duff, 2014-09-11 Since Aristotle genre has been one of the fundamental concepts of literary theory and much of the world s literature and criticism has been shaped by ideas about the nature function and value of literary genres Modern developments in critical theory however prompted in part by the iconoclastic practices of modern writers and the emergence of new media such as film and television have put in question traditional categories and challenged the assumptions on which earlier genre theory was based This has led not just to a reinterpretation of individual genres and the development of new classifications but also to a radically new understanding of such key topics as the mixing and evolution of genres generic hierarchies and genre systems the politics and sociology of genres and the relations between genre and gender This anthology the first of its kind in English charts these fascinating developments Through judicious selections from major twentieth century genre theorists including Yuri Tynyanov Vladimir Propp Mikhail Bakhtin Hans Robert Jauss Rosalie Colie Fredric Jameson Tzvetan Todorov Gerard Genette and Jacques Derrida it demonstrates the central role that notions of genre have played in Russian Formalism structuralism and post structuralism reception theory and various modes of historical criticism Each essay is accompanied by a detailed headnote and the volume opens with a lucid introduction emphasising the international and interdisciplinary character of modern debates about genre Also included are an annotated bibliography and a glossary of key terms making this an indispensable resource for students and anyone interested in genre studies or literary theory

The Pushkin Handbook David M. Bethea, 2013-12-19 From its beginnings Pushkin s oeuvre has accommodated numerous often competing readings of which the major trends are discussed in David Bethea s introduction The Pushkin Handbook containing arguments whose wellsprings lie in a range of intellectual traditions including structuralism prosody Bakhtin Orientalist studies musicology and more if further testimony to the continuing complexity of Russia s preeminent writer Jacket

Two Hundred Years of

Pushkin Joe Andrew, Robert Reid, 2003 Pushkin's status as Russia's national poet rests as much on the breadth of his cultural influence as on the intrinsic quality of his works Pushkin's Legacy reflects in various ways the areas in which this influence has been felt Part I considers some of the key factors in defining Pushkin for posterity in particular the crucial role played by the critic Belinskii and the problematics of periodising Pushkin Part II examines the richness of Pushkin's poetics including the ways in which his work challenged the established boundaries between poetry and prose Part III examines Russian music's debt to Pushkin and vice versa Russian music's role in popularising his works Part IV examines Pushkin's influence abroad via studies of his influence on Merimee and Henry James and on a more personal level through his descendants in England
