Russian Critics On The Cinema Of Glasnost:

Russian Critics on the Cinema of Glasnost Michael Brashinsky, Andrew Horton, 1994-09-30 *Russian Critics on the Cinema of Glasnost* gathers together 23 essays written by some of Russia's most astute commentators of film and culture. Written during the 1980s and published in English for the first time, this collection includes reviews of films such as *Little Vera* and *Taxi Blues* which were critically hailed in the West. Their comments not only illuminate important aspects of Russian filmmaking during this decade as importantly they capture a sense of a society in flux during the waning years of Communism as well as the larger context within which Glasnost cinema and culture developed. This collection provides insight into the successes and shortcomings of Glasnost as captured in film for a Western audience. **The Cambridge**

Companion to Modern Russian Culture Nicholas Rzhevsky, 2012-04-05 A fully updated new edition of this overview of contemporary Russia and the influence of its Soviet past. [Pop Culture Russia!](#) Birgit Beumers, 2005-06-21 A revealing look at contemporary Russian popular culture exploring the historical and social influences that make it unique. Pop music is only one aspect of contemporary Russian culture that has taken some unexpected turns in the chaotic aftermath of the Soviet Union's collapse. Television and advertising, theater and cinema, athletics and religion, even fashion and food now reflect more exposure to the West yet remain in essence distinctively Russian. *Pop Culture Russia* introduces readers to the fascinating, often surprising post-Soviet cultural landscape. With chapters on media, the arts, recreation, religion, and consumerism, the book offers an insightful survey of Russian mass culture from the death of Stalin in 1953 to the present, exploring the historical significance of important events and trends as well as the social and political contexts from which they emerged.

Sound, Speech, Music in Soviet and Post-Soviet Cinema Lilya Kaganovsky, Masha Salazkina, 2014-03-07 This innovative volume challenges the ways we look at both cinema and cultural history by shifting the focus from the centrality of the visual and the literary toward the recognition of acoustic culture as formative of the Soviet and post-Soviet experience. Leading experts and emerging scholars from film studies, musicology, music theory, history, and cultural studies examine the importance of sound in Russian Soviet and post-Soviet cinema from a wide range of interdisciplinary perspectives. Addressing the little-known theoretical and artistic experimentation with sound in Soviet cinema, changing practices of voice delivery and translation, and issues of aesthetic ideology and music theory, this book explores the cultural and historical factors that influenced the use of voice, music, and sound on Soviet and post-Soviet screens. *The European Cinema Reader* Catherine Fowler, 2002 This comprehensive introduction to national cinemas in Europe brings together classic writings by key filmmakers such as Sergei Eisenstein, Luis Buñuel, and John Grierson, and critics from André Bazin to Peter Wollen.

Russian War Films Denise Jeanne Youngblood, 2007 A panoramic survey of nearly a century of Russian films on wars and wartime from World War I to more recent conflicts in Afghanistan and Chechnya, with heavy emphasis on films pertaining to World War II. [Teaching Shakespeare in Film and the Arts Today](#) Jorge L. Bueno Alonso, 2024-10-16 This book presents a

collection of chapters that revise past present and future approaches related to Shakespeare on Film in order to trace the models methods and materials used by teachers and scholars when dealing with these issues in and out of the classroom The volume offers the reader practical examples of teaching textual analysis through film and the arts as methodological case studies that might be adapted by other instructors or enjoyed by readers interested in the field **The Holy Fool in**

European Cinema Alina G. Birzache,2016-02-05 This monograph explores the way that the profile and the critical functions of the holy fool have developed in European cinema allowing this traditional figure to capture the imagination of new generations in an age of religious pluralism and secularization Alina Birzache traces the cultural origins of the figure of the holy fool across a variety of European traditions In so doing she examines the critical functions of the holy fool as well as how filmmakers have used the figure to respond to and critique aspects of the modern world Using a comparative approach this study for the first time offers a comprehensive explanation of the enduring appeal of this protean and fascinating cinematic character Birzache examines the trope of holy foolishness in Soviet and post Soviet cinema French cinema and Danish cinema corresponding broadly to and permitting analysis of the three main orientations in European Christianity Orthodox Catholic and Protestant This study will be of keen interest to scholars of religion and film European cinema and comparative religion **Philosophical Issues in Indian Cinema** MK Raghavendra,2020-12-13 This book interrogates the vocabulary

used in theorizing about Indian cinema to reach into the deeper cultural meanings of philosophies and traditions from which it derives its influences It re examines terms and concepts used in film criticism and contextualizes them within the aesthetics poetics and politics of Indian cinema The book looks at terms and concepts borrowed from the scholarship on American and world cinema and explores their use and relevance in describing the characteristics and evolution of cinema in India It highlights how realism romance and melodrama in the context of India appear in a culturally singular way and how the aggregation of constituent elements like songs action comedy in Indian film can be traced to classical theatre and other diverse religious and philosophical influences These influences have characterized popular film and drama in India which present all aspects of life for a diverse nation The author explores concepts like fantasy family and patriotism by using various examples from films in India and outside as well as practices in the other arts He identifies the fundamental logic behind the choices made by film makers in India and discusses concepts which allow for a fresh theorizing on Indian cinema s characteristics This book will be of great interest to students and researchers of film studies media studies cultural studies literature cultural history and South Asian studies It will also be useful for general readers who are interested in learning more about Indian cinema its forms origins and influences **Soviet Science Fiction Cinema and the Space Age** Natalija

Majsova,2021-04-28 This book interrogates the relations between nostalgias of today and past utopias in the context of the space age of the 20th century and its cinematic representations in the USSR and in post Soviet Russia Once an enthusiastic projection then a promising and uncanny present and eventually an assemblage of nostalgic signifiers in the history of world

cinema this space age has been linked primarily to the genre of science fiction Here aspects of the space age such as humanity s imminent expansion to space interplanetary travel contact with extraterrestrial intelligence and intergalactic governance and economy were both celebrated and critically interrogated as cosmopolitan ideals and nation branding strategies This book presents the contemporary relevance of this genre as heritage and legacy archive and canon and a nest of forgotten ideals and warnings as well as nostalgic anchoring points The author analyzes over 30 Soviet science fiction films foregrounding their structures of utopia and their evolution over time in order to trace both their transnational positionalities transmedial resonance and impact on post Soviet Russian films about the space age Concepts crucial to the understanding of space futures of the past such as utopianism otherness liminality and now stalgia are activated to draw out the fictional tenants of the memory of the Soviet space age and to establish the limits and potentialities of Soviet extra terraformative ambitions

Another Frank Capra Leland Poague, 1994 Another Frank Capra offers a new interpretation of the great Hollywood director beyond the patriotic sentimentalist or the cynical opportunist that he has been taken for Often cast as a cinematic simpleton or primitive Capra's exploitation of the stylistic and narrative resources of cinema was in fact extremely self-conscious and adventurous in ways typical of artistic modernism His modernism is also evident in his repeated and strong identification with female characters Informed by recent work in genre theory and feminist psychology Another Frank Capra shows Capra to be a proto-feminist director whose feminism has been entirely neglected by previous critics

Television Beyond and Across the Iron Curtain Kirsten Bönker, Sven Grampp, Julia Obertreis, 2016-09-23 From the mid 1950s onwards the rise of television as a mass medium took place in many East and West European countries As the most influential mass medium of the Cold War television triggered new practices of consumption and media production and of communication and exchange on both sides of the Iron Curtain This volume leans on the long neglected fact that even during the Cold War era television could easily become a cross border matter As such it brings together transnational perspectives on convergence zones observations collaborations circulations and interdependencies between Eastern and Western television In particular the authors provide empirical ground to include socialist television within a European and global media history Historians and media cultural and literary scholars take interdisciplinary perspectives to focus on structures actors flow contents or the reception of cross border television Their

contributions cover Albania the CSSR the GDR Russia and the Soviet Union Serbia Slovenia and Yugoslavia thus complementing Western dominated perspectives on Cold War mass media with a specific focus on the spaces and actors of East European communication Last but not least the volume takes a long term perspective crossing the fall of the Iron Curtain as many trends of the post socialist period are linked to or pick up socialist traditions **Central Asia on Display** European Society for Central Asian Studies. International Conference,2004 Despite its geostrategic importance and its easier accessibility since the dissolution of the Soviet Union Central Asia has nevertheless remained a white spot on the map of western scholarship and public awareness Bringing together papers presented at the VII ESCAS Conference this volume aims to shed light on the historical political cultural and socio economic development of this region Scholars from within and outside Central Asia discuss a wide range of topics covering historical processes and events on the one hand and present developments of regional and global concern on the other Imaging Russia 2000 Anna M. Lawton,2004 Anna Lawton deftly tells two stories one about the evolution of Russian film since the collapse of the Soviet Union in 1991 and the other about Russian life during that same period She managed to capture a vivid portrait of Moscow of the 1990s and to remind us that the Soviet past remains omnipresent in the new Russia Russia 2000 Film and Facts is a must read for anyone who cares about Russia or about film Blair Ruble Director The Kennan Institute of the Woodrow Wilson Center
