

Russian Peasantry

Mary Buckley

Russian Peasantry:

The Russian Peasant Howard Percy Kennard, 1907

Enserfment Russian Peasant R. E. F. Smith, 1968-05-02

Compilation of translated texts of historical documents tracing the process by which rural workers in Russia CAME to be legally enserfed in the 17th century covers the legal status of peasants the social status of landowners relevant aspects of forced labour land tenure ownership taxation etc and includes comments on relevant legislation Literature survey pp 164 to 167

Peasants in Russia from Serfdom to Stalin Boris B. Gorshkov, 2018-02-08 The peasantry accounted for the large majority of the Russian population during the Imperialist and Stalinist periods it is for the most part how people lived Peasants in Russia from Serfdom to Stalin provides a comprehensive realistic examination of peasant life in Russia during both these eras and the legacy this left in the post Soviet era The book paints a full picture of peasant involvement in commerce and local political life and through Boris Gorshkov's original ecology paradigm for understanding peasant life offers new perspectives on the Russian peasantry under serfdom and the emancipation Incorporating recent scholarship including Russian and non Russian texts along with classic studies Gorshkov explores the complex interrelationships between the physical environment peasant economic and social practices culture state policies and lord peasant relations He goes on to analyze peasant economic activities including agriculture and livestock social activities and the functioning of peasant social and political institutions within the context of these interrelationships Further reading lists study questions tables maps primary source extracts and images are also included to support and enhance the text wherever possible Peasants in Russia from Serfdom to Stalin is the crucial survey of a key topic in modern Russian history for students and scholars alike

The Russian Peasantry Sergiei Mikhailovich Stepnyak-Kravchinskii, Sergej Michajlovič Stepnjak, 1905 *The Russian Peasantry 1600-1930* David Moon, 2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant's traditional world under Stalin Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites In the process he presents a fresh perspective on the history of Russia itself A big book in every way xxx and compellingly readable *The Russian*

Peasantry S. Stepniak, 1905 **The Russian Peasantry** Sergeĭ Mikhaĭlovich] [Krachinskii, 1888 The Russian Peasantry Sergeĭ Mikhaĭlovich Kravchinskii, 1894

The World of the Russian Peasant Ben Eklof, Stephen P. Frank, 2023-10-13 First published in 1990 The World of the Russian Peasant is designed to provide a wide ranging survey of new developments in Russian peasant studies Editors Eklof and Frank paint a broad picture of what life was like for the vast majority of Russia's population before 1917 Individual authors treat the intricacies of the village community and peasant commune social structure the everyday life and labour of peasant women the impact of migration the spread of education and peasant art

religion justice and politics The result is a portrait of a people greatly influenced by rapid and radical changes in the world yet seeking to maintain control over their lives and their communities This is a must read for students of Russian history
 Russian peasantry and rural sociology **Russian Peasants and Tsarist Legislation on the Eve of Reform** David Moon,1992-06-18 This study examines the interaction of peasant and official Russia in the period prior to the reforms of 1861 In a series of case studies the issues of communication and understanding between the peasantry and officialdom peasant aims and behavioural patterns are explored **The Russian Peasant 1920 and 1984** Robert Ernest Frederick Smith,2005-06-28 First published in 1977 The Russian Peasant 1920 and 1984 is a significant contribution to history **The Russian Peasant** Howard Percy Kennard,1907 **Mobilizing Soviet Peasants** Mary Buckley,2006-04-27 Exploring the story of rural shock work and Stakhanovism in the Soviet countryside in the late 1930s this book tries to contextualise Stakhanovism considering historical context changing party priorities propaganda the press the nature of farm leaderships shortages peasant attitudes gender purges and local organisations **The Peasant in Nineteenth-Century Russia** Wayne S. Vucinich,John Shelton Curtiss,1968 Studies of foreign scholars and observers have created many useful perspectives on the Russian peasant The present volume is part of this continuing expansion of scholarship on the peasantry **The Language of Russian Peasants in the Twentieth Century** Alexander D. Nakhimovsky,2019-10-28 The Language of Russian Peasants in the Twentieth Century A Linguistic Analysis and Oral History analyzes the social dialect of Russian peasants in the twentieth century through letters and stories that trace their tragic history In 1900 there were 100 000 000 peasants in Russia but by mid century their language was no longer passed from parents to children resulting in no speakers of the dialect left today In this study Alexander D Nakhimovsky argues that for all the variability of local dialects there was an underlying unity in them which derived from their old shared traditions and oral nature Their unity is best manifested in word formation syntax phraseology and discourse Different social groups followed somewhat different paths through the maze of Soviet history and peasants path was one of the most painful The chronological organization of the book and the analysis of powerful concise and simple but expressive language of peasant letters and stories culminate into an oral history of their tragic Soviet experience *Peasant Rebels Under Stalin* Lynne Viola,1999-01-28 The first book to document the peasant rebellion against Soviet collectivization Peasant Rebels Under Stalin retrieves a crucial lost chapter from the history of Stalinist Russia The peasant revolt against collectivization as reconstructed by author Lynne Viola was the most violent and sustained resistance to the Soviet state after the Russian Civil War Conservative estimates suggest that over the course of the 1020s and early 1930s more than 1 100 people were assassinated more than 13 000 villages rioted and over 2 5 million people participated in this active struggle of resistance This book is about the men and women who tried to preserve their families communities and beliefs from the depredations of Stalinism Their acts were often heroic but these heroes were homespun ordinary people who were driven to acts of desperation by cruel and brutal state policies This is a study of peasant

community culture and politics through the prism of resistance Based on newly declassified Soviet archives including previously inaccessible OGPU secret police reports Viola s work documents the manifestation in Stalin s Russia of universal strategies of peasant resistance in what amounted to a virtual civil war between state and peasantry This book is must reading for scholars of Soviet history Stalinism popular resistance and Russian peasant culture **The Independent** William Livingston,1921 *The Modernisation of Russia, 1676-1825* Simon Dixon,1999-07-29 This is the first book to place Russia s long eighteenth century squarely in its European context The conceptual framework is set out in an opening critique of modernisation which while rejecting its linear implications maintains its focus on the relationship between government economy and society Following a chronological introduction a series of thematic chapters covering topics such as finance and taxation society government and politics culture ideology and economy emphasise the ways in which Russia s international ambitions as an emerging great power provoked administrative and fiscal reforms with wide ranging and often unanticipated social consequences This thematic analysis allows Simon Dixon to demonstrate that the more the tsars tried to modernise their state the more backward their empire became A chronology and critical bibliography are also provided to allow students to discover more about this colourful period of Russian history Deconstructions of the Russian Empire in Western Travel Literature Dimitrios Kassis,2020-10-27 Situated between Europe and Asia Russia has systematically challenged the European theories attached to nationhood due to its geopolitical and cultural peculiarities After the rise of European nationalist movements imperial Russia posed a threat to the very existence of the Germanic empires of Britain Germany and Austria and was frequently evoked to epitomise European barbarism paganism despotism and the Orient In its struggle to acquire a new identity which would bridge the gap with Western empires Russia could not conform to the rising Anglo Saxon movements that sought to glorify Nordic supremacy at the expense of the Oriental Other Drawing upon this binary opposition between the Orient and the Occident the Russian Empire concentrated on the development of its own nation building theories which managed to incorporate the ascending Pan Slavic wave into its nationalist agenda The anti Western rhetoric that often characterised Russian politics contributed to the subversion of the conventional Western perspective of the Orient and the emergence of Eurasianism as a political theory that exalted the different traits of its imperial system This book sets the focus on the representations of the Russian Empire from 1792 until 1912 in the field of travel literature To this end it selects British and American travel narratives of the aforementioned period to explore all aspects of Russian identity and culture For this reason it addresses major issues attached to Russian history and culture that were investigated by Western travellers in their attempt to approach the Russian Empire Late Imperial Russia Ian Thatcher,2024-06-04 This volume offers a detailed examination of the stability of the late imperial regime in Russia Students and scholars will appreciate the lively summaries of the latest scholarship in political economic social cultural and international history Accessible yet insightful contributions cover the historiography of complex topics such as peasants

workers revolutionaries foreign relations and Nicholas II In addition there are original studies of some of the leading intellectuals of the time The late imperial economy is examined through the writings of Tugan Baranovsky There is an account of M N Pokrovskii s radical interpretation of late imperial Russia s historical path of development The state of the Russian theatre is studied through the lives of theatrical impresarios Each chapter also highlights a unique interpretation suggesting new lines of inquiry and research This book will be compulsory reading for students of Russian and European history of the late nineteenth and early twentieth centuries seeking to better understand why Tsarism collapsed in 1917

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, Tender Moments: **Russian Peasantry** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
