Russian Revolution The Essential Readings

S Ben Porath

Russian Revolution The Essential Readings:

The Russian Revolution Martin A. Miller, 2001-01-09 This indispensable volume comprises the work of nine of the most prominent scholars of the Russian Revolution with introductions by the editor that help students contextualize and understand each piece

Readings on the Russian Revolution Melissa K. Stockdale, 2020-09-03 *Readings on the Russian Revolution* brings together 15 important post Cold War writings on the history of the Russian Revolution It is structured in such a way as to highlight key debates in the field and contrasting methodological approaches to the Revolution in order to help readers better understand the issues and interpretative fault lines that exist in this contested area of history The book opens with an original introduction which provides essential background and vital context for the pieces that follow The volume is then structured around four parts Actors Language Symbols War Revolution and the State Revolutionary Dreams and Identities and Outcomes and Impacts that explore the beginnings events and outcomes of the Russian Revolution as well as examinations of central figures critical topics and major historiographical battlegrounds Melissa Stockdale also provides translations of two crucial Russian language works published here in English for the first time and includes useful pedagogical features such as a glossary chronology and thematic bibliography to further aid study *Readings on the Russian Revolution* is an essential collection for anyone studying the Russian Revolution

Centenary of the Russian Revolution (1917-2017) Andreu Mayayo i Artal, Antoni Segura i Mas, 2019-01-08 This collection of essays provides an historical plural and original analysis of the Russian Revolution to mark its first centenary It focuses on both regional aspects such as the impact of the Revolution in Spain and Latin America and major events ideas and phenomena including the importance of World War I the birth of the Communist International and the definition of revolution and counterrevolution The book will mainly appeal to academic audiences as well as non specialized readers interested in the major issues of the contemporary world It offers new insights into an event that contributed to the shaping of the twentieth century and that is still fundamental to understanding the world of today

Leaflets of the Russian Revolution , 2018-11-27 When workers and peasants rose up across Russia and smashed the centuries old Tsarist autocracy their actions reverberated across the world and continue to inspire activists to this day This carefully assembled and expertly translated collection of documents from the Petrograd socialist movement in 1917 provides contemporary readers with a firsthand glimpse into the revolutionary ferment as it unfolds In *Leaflets of the Russian Revolution* Barbara Allen selects and introduces the pamphlets and other agitational material that give life to the debates disagreements and perspectives that animated the masses during the revolution

The Anatomy of Revolution Revisited Bailey Stone, 2014 This study aims to update a classic of comparative revolutionary analysis Crane Brinton s 1938 study *The Anatomy of Revolution* It invokes the latest research and theoretical writing in history political science and political sociology to compare and contrast in their successive phases the English Revolution of 1640 60 the French Revolution of 1789 99 and the Russian Revolution of 1917 29 This book intends to do what no other

comparative analysis of revolutionary change has yet adequately done. It not only progresses beyond Marxian socioeconomic class analysis and early revisionist stresses on short term accidental factors involved in revolutionary causation and process, it also finds ways to reconcile state centered structuralist accounts of the three major European revolutions with postmodernist explanations of those upheavals that play up the centrality of human agency, revolutionary discourse, mentalities, ideology and political culture.

Stalinism John L. H. Keep, Alter L. Litvin, 2004-12-15. Stalinism surveys the efforts made in recent years by professional historians in Russia and the West to better understand what really went on in the USSR between 1929 and 1953 when the country's affairs were shrouded in secrecy. The opening of the Soviet archives in 1991 has led to a profusion of historical studies whose strengths and weaknesses are assessed here impartially though not uncritically. While Joseph Stalin now emerges as a less omnipotent figure than he seemed to be at the time, most serious writers accept that the system over which he ruled was despotic and totalitarian. Some nostalgic nationalists in Russia along with some Western post modernists disagree. Their arguments are carefully dissected here. Stalinism was of course much more than state sponsored terror and so due attention is paid to a wide range of socio economic and cultural problems. Keep and Litvin applaud the efforts of Soviet citizens to express dissenting views.

Readings on the Russian Revolution Melissa K. Stockdale, 2020-09-03. Readings on the Russian Revolution brings together 15 important post Cold War writings on the history of the Russian Revolution. It is structured in such a way as to highlight key debates in the field and contrasting methodological approaches to the Revolution in order to help readers better understand the issues and interpretative fault lines that exist in this contested area of history. The book opens with an original introduction which provides essential background and vital context for the pieces that follow. The volume is then structured around four parts: Actors, Language, Symbols, War, Revolution and the State, Revolutionary Dreams and Identities, and Outcomes and Impacts that explore the beginnings, events and outcomes of the Russian Revolution as well as examinations of central figures, critical topics and major historiographical battlegrounds. Melissa Stockdale also provides translations of two crucial Russian language works published here in English for the first time and includes useful pedagogical features such as a glossary, chronology and thematic bibliography to further aid study. Readings on the Russian Revolution is an essential collection for anyone studying the Russian Revolution.

The Russian Revolution in Retreat, 1920-24, **The Standard of Living and Revolutions in Imperial Russia, 1700-1917** Boris Mironov, 2012-05-31. This is the first full scale anthropometric history of Imperial Russia 1700-1917. It mobilizes an immense volume of archival material to chart the growth, weight and other anthropometric indicators of the male and female populations in order to chart how the standard of living in Russia changed over slightly more than two centuries. It draws on a wide range of data, statistics on agricultural production, taxation, prices and wages, nutrition and demography to draw conclusions on the dynamics in the standard of living over this long period of time. The economic, social and political interpretation of these findings make it possible to reconsider the prevailing views in the

historiography and to offer a new perspective on Imperial Russia

The Russian Revolution and Civil War 1917-1921

Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history. It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves. However, until now, historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature. *The Russian Revolution and Civil War 1917-1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history. The Bibliography focuses on the key years of 1917 to 1921, starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921, and covers all the key events of the intervening years. As such, it identifies these crucial years as something more than simply the creation of a communist state.

Out of Ashes Konrad H. Jarausch, 2016-08-30 A sweeping history of twentieth century Europe that examines its unprecedented destruction and abiding promise. A sweeping history of twentieth century Europe. *Out of Ashes* tells the story of an era of unparalleled violence and barbarity yet also of humanity, prosperity and promise. Konrad Jarausch describes how the European nations emerged from the nineteenth century with high hopes for continued material progress and proud of their imperial command over the globe, only to become embroiled in the bloodshed of World War I which brought an end to their optimism and gave rise to competing democratic, communist and fascist ideologies. He shows how the 1920s witnessed renewed hope and a flourishing of modernist art and literature, but how the decade ended in economic collapse and gave rise to a second, more devastating world war and genocide on an unprecedented scale. Jarausch further explores how Western Europe surprisingly recovered due to American help and political integration. Finally, he examines how the Cold War pushed the divided continent to the brink of nuclear annihilation and how the unforeseen triumph of liberal capitalism came to be threatened by Islamic fundamentalism, global economic crisis and an uncertain future. A gripping narrative. *Out of Ashes* explores the paradox of the European encounter with modernity in the twentieth century, shedding new light on why it led to cataclysm, inhumanity and self destruction, but also social justice, democracy and peace.

The Many Deaths of Tsar Nicholas II Wendy Slater, 2007-06-26 How did Nicholas II, Russia's last Tsar, meet his death? This book recounts the horrific details of his death and the thrilling discovery of the bones, and also investigates the alternative narratives that have grown up around these events.

An Introduction to Russian History

Robert Auty, Dimitri Obolensky, 1976

The Bolsheviks and the Russian Empire Liliana Riga, 2012-11-12 This comparative historical sociology of the Bolshevik revolutionaries offers a reinterpretation of political radicalization in the last years of the Russian Empire. Finding that two thirds of the Bolshevik leadership were ethnic minorities (Ukrainians, Latvians, Georgians, Jews and others), this book examines the shared experiences of assimilation and socioethnic exclusion that underlay their class universalism. It suggests that imperial policies toward the Empire's diversity radicalized class and ethnicity as intersectional experiences, creating an assimilated but excluded elite, lower class Russians and middle class minorities universalized.

particular exclusions as they disproportionately sustained the economic and political burdens of maintaining the multiethnic Russian Empire The Bolsheviks social identities and routes to revolutionary radicalism show especially how a class universalist politics was appealing to those seeking secularism in response to religious tensions a universalist politics where ethnic and geopolitical insecurities were exclusionary and a tolerant imperial imaginary where Russification and illiberal repressions were most keenly felt

Building Power to Change the World James Muldoon,2020-11-18 The German council movements arose through mass strikes and soldier mutinies towards the end of the First World War They brought down the German monarchy founded several short lived council republics and dramatically transformed European politics Building Power to Change the World reconstructs how participants in the German council movements struggled for a democratic socialist society It examines their attempts to democratize politics the economy and society through building powerful worker led organisations and cultivating workers political agency Drawing from the practices of the council movements and the writings of theorists such as Rosa Luxemburg Anton Pannekoek and Karl Kautsky Building Power to Change the World returns to their radical vision of a self determining society and their political program of democratization and socialization It presents a powerful argument for renewed attention to the political theories of this historical period and for their ongoing relevance for democratic politics today

Leon Trotsky Leon Trotsky,2012-02-13 Leon Trotsky was a key political figure of the twentieth century a leader of the Russian Revolution founder of the Red Army author of books on literature history morality and politics Leon Trotsky Writings in Exile contains some of his most insightful and penetrating works Thrown out of Russia by Stalin Trotsky settled in Mexico and turned to the only weapon he had left words In these writings he defends the 1917 Bolshevik revolution warns prophetically of fascism and analyses anti colonial movements in the global south This collection gives a sense of the real Trotsky passionate humanist Marxist

Art, Intellect and Politics Giusy Maria Ausilia Margagliotta,Andrea Aldo Robiglio,2012-11-30 The volume explores the relationship of artists and intellectuals from ancient Greece to modern times Special attention is paid to Plato Augustan poets including the reception Soviet art Mayakowsky and Jewish intellectuals Non European contexts China Turkey are treated as well

Key Readings in Journalism Elliot King,Jane Chapman,2012-11-12 Key Readings in Journalism brings together over thirty essential writings that every student of journalism should know Designed as a primary text for undergraduate students each reading was carefully chosen in response to extensive surveys from educators reflecting on the needs of today s journalism classroom Readings range from critical and historical studies of journalism such as Walter Lippmann s Public Opinion and Michael Schudson s Discovering the News to examples of classic reporting such as Carl Bernstein and Bob Woodward s All the President s Men They are supplemented by additional readings to broaden the volume s scope in every dimension including gender race and nationality The volume is arranged thematically to enable students to think deeply and broadly about journalism its development its practice its key individuals and institutions its social impact and its future and section

introductions and headnotes precede each reading to provide context and key points for discussion *Rethinking Revolutionary Change in Europe* Bailey Stone, 2020-02-17 Reconsidering the English French and Russian Revolutions this book offers an important new approach to the theoretical and comparative study of revolutions Bailey Stone proposes an innovative neostructuralist integration of competing structuralist and postmodernist theory Providing a balanced and nuanced critique of both sides he presents new ways of understanding radical change in the European polities that created the concept and the dramatic realities of modern revolution He focuses on the central issues of modernizers versus traditionalists old regime bourgeoisies regicides terror and state legitimacy By reconciling political and cultural theories of revolutionary causation and process Stone s synthesis marks a critical advance in our understanding of revolution

Boundaries of Utopia - Imagining Communism from Plato to Stalin Erik van Ree, 2015-05-22 The idea that socialism could be established in a single country was adopted as an official doctrine by the Soviet Union in 1925 Stalin and Bukharin being the main formulators of the policy Before this there had been much debate as to whether the only way to secure socialism would be as a result of socialist revolution on a much broader scale across all Europe or wider still This book traces the development of ideas about communist utopia from Plato onwards paying particular attention to debates about universalist ideology versus the possibility for socialism in one country The book argues that although the prevailing view is that socialism in one country was a sharp break from a long tradition that tended to view socialism as only possible if universal in fact the territorially confined socialist project had long roots including in the writings of Marx and Engels

Russian Revolution The Essential Readings Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Revolution The Essential Readings free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Revolution The Essential Readings free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Revolution The Essential Readings free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Revolution The Essential Readings. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Revolution The Essential Readings any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Revolution The Essential Readings Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Revolution The Essential Readings is one of the best book in our library for free trial. We provide copy of Russian Revolution The Essential Readings in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Revolution The Essential Readings. Where to download Russian Revolution The Essential Readings online for free? Are you looking for Russian Revolution The Essential Readings PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Russian Revolution The Essential Readings. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Russian Revolution The Essential Readings are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Russian Revolution The Essential Readings. So depending on what exactly you are searching, you will be able to

choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Russian Revolution The Essential Readings To get started finding Russian Revolution The Essential Readings, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Russian Revolution The Essential Readings So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Russian Revolution The Essential Readings. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Russian Revolution The Essential Readings, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Russian Revolution The Essential Readings is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Russian Revolution The Essential Readings is universally compatible with any devices to read.
