Trends in Russia's Armed Forces Keith Crane,Olga Oliker,Brian Nichiporuk,2019-10-10 The authors assess how Russian military forces are postured and resourced and how they are likely to operate They also discuss the goals and effects of Russian military reform efforts including initiatives that span all of the Russian armed forces services and independent branches Touching on most of Russia s armed forces major capabilities the authors conclude with a look at how those capabilities are being integrated in practice

The Russian Revolution Sheila Fitzpatrick,2017-09-29 The Russian Revolution had a decisive impact on the history of the twentieth century In the years following the collapse of the Soviet regime and the opening of its archives it has become possible to step back and see the full picture Starting with an overview of the roots of the revolution Fitzpatrick takes the story from 1917 through Stalin s revolution from above to the great purges of the 1930s She tells a gripping story of a Marxist revolution that was intended to transform the world visited enormous suffering on the Russian people and like the French Revolution before it ended up by devouring its own children This updated edition contains a fully revised bibliography and updated introduction to address the centenary what does it all mean in retrospect

Russia's Corporate Soldiers Seth G. Jones,Catrina Doxee,Brian Katz,Eric McQueen,Joe Moyer,2021-11-07 This report examines Russia s growing use of private military companies PMCs to increase its influence through irregular means In recent years Moscow has expanded its overseas use of PMCs to countries such as Ukraine Syria Libya Sudan the Central African Republic Madagascar and Mozambique Many of the PMCs operating in these countries such as the Wagner Group frequently cooperate with the Russian government including the Kremlin Ministry of Defense particularly the Main Intelligence Directorate or GRU Foreign Intelligence Service SVR and Federal Security Service FSB and perform a variety of combat paramilitary security and intelligence tasks However many of these PMCs have a poor track record including operational failures and human rights abuses and there are opportunities to exploit PMC vulnerabilities Although Russian PMCs present only one of a variety of national security threats and challenges facing the United States this report assesses that they warrant a more substantive and coordinated response from the United States and its partners Russian National

Interests and the Current Crisis in Russia Henry Trofimenko, 2019-05-23 First published in 1999 this book analyses the national interests of Russia as they are indicated by the current policies of the Russian government and formulated in public and not so public discussions in high echelons of government The author not only sums up and critically reviews those interests in general but gives detailed analysis of specific interests of Russia in Europe Asia and the Middle East A large chapter is devoted to the review of converging and diverging interests of the USA and Russia The main value of the book is in its philosophical aspect An outstanding Russian foreign policy expert who for 20 years participated in inner debates on a high level on issues of Soviet foreign policy and was considered by US politicians and scholars to be one of the top experts in Moscow on the US foreign policy and military strategy muses over the fate of Russia and its current foreign policy and domestic predicaments

Russia's First Civil War Chester S. L. Dunning, 2010-11-01 He shows that serfs did not actively participate in the civil war and that the abolition of serfdom was never a rebel goal Instead most rebels were petty gentry professional soldiers townsmen and cossacks who were united in fierce opposition to tsars they believed to be illegitimate usurpers

Spymaster Helen Fry, 2021-11-30 The dramatic story of a man who stood at the center of British intelligence operations the ultimate spymaster of World War Two Thomas Kendrick Thomas Kendrick 1881 1972 was central to the British Secret Service from its beginnings through to the Second World War Under the guise of British Passport Officer he ran spy networks across Europe facilitated the escape of Austrian Jews and later went on to set up the M Room a listening operation which elicited information of the same significance and scope as Bletchley Park Yet the work of Kendrick and its full significance remains largely unknown Helen Fry draws on extensive original research to tell the story of this remarkable British intelligence officer Kendrick's life sheds light on the development of MI6 itself he was one of the few men to serve Britain across three wars two of which while working for the British Secret Service Fry explores the private and public sides of Kendrick revealing him to be the epitome of the English gent easily able to charm those around him and scrupulously secretive

Fortress Earth Travis Hightower, 2010 Earth is a small blue world in a solar system barely hanging on to the edge of a galaxy between 200 and 400 billion stars The race of beings that inhabit this world the more ancient and evolved races of the galaxy consider to be quite primitive They are

isolated still absorbed in themselves and alone in their view of the universe That was how their world was supposed to stay until one of the most war driven race s of the galaxy discovers a rare resource on this tiny backwater planet and they want it Duke Ross is unusual for a brash young fighter pilot Underneath the head strong and cocky exterior is the heart of a family man who loves his wife and child and enjoys the peace presented by an unusual non aggressive martial art As hostile invaders from the stars tear his world out from under him Duke finds himself becoming the chosen champion of alien beings that wish to defend the Earth and restore its rightful peace in the galaxy They bestow upon him a secret which can unlock an unimaginable power and grant the Earth and humanity it s salvation But the journey to the mythical Air Force base in the Nevada desert known to pilots as Dreamland will be long and dangerous for a pilot without wings Accompanied by his faithful wingman an incorrigible ex girlfriend turned reporter and a few other skilled allies Duke must complete a sojourn across a devastated American landscape They must fight their way past and elude a very persistent alien general who has made it his mission to capture Duke and the technology he holds But not even Duke knows the full extent of the secret power he carries or what will be revealed when he reaches his goal And in the shadows an even more sinister and ancient power plots the downfall of much more than just the tiny island fortress known as Earth **Unfulfilled Promise** Leroy Thompson,1998-09

Journal of the Senate, Legislature of the State of California California. Legislature. Senate,1942 *The New Russia* ,1920 This publication includes the continuation of Bulletins of the Russian liberation committee under the heading Facts and documents **Russia** Gregory Carleton,2017-04-24 Outsiders view Russia as an aggressor but Russians see themselves as surrounded by enemies defensively fighting off invader after invader or called upon by history to be the savior of Europe or Christianity or civilization itself often at immense cost As Gregory Carleton shows war is the unifying thread of Russia s national epic *Professional Journal of the United States Army* ,1942
