Rusty's Story Carol Gino, 2010-10-12 Why do they keep locking me up Rusty's Story is Carol Gino's account of the extraordinary life of the woman she undertook to help the woman who ended up teaching her an invaluable lesson about the will to live the strength of hope Rusty used to wonder if she would make it through the day seeing danger in everyday living Rusty has epilepsy She was twenty when Carol Gino met her and learned of her past ordeals the stigma of mental illness the drugs that took away her self control the treatments that only worsened her symptoms Carol and Rusty set out to prove that illness can be overcome and that there is no substitute for love and care From Library Journal While many advancements have been made in understanding and treating epilepsy the disease is still surrounded by an aura of dread Rusty was a teenager when she was stricken with epilepsy Misdiagnosed as a paranoid schizophrenic for years she suffered more from inappropriate medical treatment than from her condition The reader is

mesmerized as Gino passionately relates Rusty's plight. Despite repeated incarcerations in a frightful state mental institution and the toxic effects of drugs she never lost her sense of humanity or her strong desire to help others. Gino's deep distrust of the medical establishment, her fervent attachment to nursing and her conviction that the patient knows best are themes that are interwoven into the emotional story of Rusty's fight for a normal life. Trenton, N.J. **The Family in English Children's Literature** Ann Alston, 2008-06-03 From the trials of families experiencing divorce as in Anne Fine's *Madame Doubtfire* to the childcare problems highlighted in Jacqueline Wilson's *Tracy Beaker* it might seem that the traditional family and the ideals that accompany it have long vanished. However, in *The Family in English Children's Literature* Ann Alston argues that this is far from the case. She suggests that despite the tales of family woe portrayed in children's literature the desire for the happy, contented nuclear family remains inherent within the ideological subtexts of children's literature. Using 1818 as a starting point, Alston investigates families in children's literature at their most intimate, focusing on how they share their spaces, their ideals of home and even on what they eat for dinner. What emerges from Alston's study are not so much the contrasts that exist between periods but rather the startling similarities of the ideology of family intrinsic to children's literature. *The Family in English Children's Literature* sheds light on who maintains control, who behaves and how significant children's literature is in shaping our ideas about what makes a family good. **I Am Woman** Lee Maracle, 1996 One of the foremost Native writers in North America, Lee Maracle links her First Nations heritage with feminism in this visionary book. Maracle has created a book of true wisdom, intense pride, sisterhood and love. Milestones Review

Rusty Cindy Devereaux, 2013-08-06 My little dog's heartbeat at my feet. Edith Wharton. This story begins in Brooklyn, New York. Rusty, a terrier chow mix, could be described as a family member, loyal companion, teacher, best friend and quite possibly the neighborhood mascot. If the proverb "it takes a village to raise a child" could be paraphrased and "dog" substituted for "child," it would describe Rusty's relationship with his neighbors. They looked after him as if he were their own, giving him walks, rides, play dates and treats. His owners adored him. Children made sure to visit him every day on their way home from school and on those rare occasions when he ran away, search parties were formed to bring him back home. He was known for his playfulness and sweet disposition. When family members had emotional challenges, he stayed by their sides. A channeled message from Archangel Michael at an International Angel Day workshop said, "Don't worry about Rusty; the angels are looking after him." The reason for this message became clear two years later when Rusty's idyllic lifestyle was surprisingly interrupted. That situation was turned around when one of his owners remembered to call on the angels. They answered, saved him and fulfilled Archangel Michael's promise. That is why his story is called *Rusty, A Dog and His Angels*. **A Gunner in the Navy** Frank Dumont, 1909 *The 5th of July* R.K. Lindsey Jr., 2014-02-13 Robert K.
