*The Art of Standing Still* Penny Culliford, 2009-08-30 Nothing much ever happens in Monksford Even so reporter Jemma Durham dreams of the story that will take her from the small Monksford Gazette to a national newspaper Then the town revives the tradition of the medieval mystery plays that were performed across England hundreds of years ago and life in Monksford turns decidedly more interesting Ruth Alice L. Laffey, Mahri Leonard-Fleckman, 2017 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God's vision of dignity equality and justice for all Book jacket **Ford's Christian Repository & Home Circle**, 1890 *The Stars Incline* Jeanne Judson, 1920 **The Lawman** Lyle Brandt, 2009 More information to be announced soon on this forthcoming title from Penguin USA **California. Supreme Court, Arthur Remington, Solon Dickerson Williams, 1911 *Significant Food* Jeff Birkenstein, Robert C. Hauhart, 2024 Significant Food is a collaborative work of textual analysis and criticism that chews on the role and prominence of food in American literature The volume offers close readings of many well known and some less well known examples of American writing as studied through the food culture sensibilities of a well stocked cupboard of contributors who offer their analyses for public consumption Editors Jeff Birkenstein and Robert C Hauhart find that literary criticism has focused on the role food plays in literary production to a greater extent than recognized at first glance and that its role has become increasingly common only in the last two decades Still while there is critical commentary regarding authors use of food across the expanse of American literature there has been a lack of a unifying critical theories to guide these analyses Birkenstein and Hauhart offer the

theory of significant food a method that asks literary critics to evaluate and assess the extent nature and role that food plays in literary production When food and food moments are used intensively and significantly within the drama memoir poem novel short story or other writing then one can say that it has achieved a status that makes it indispensable to the work at hand
