Kostihová,2010-10-20 Using themed performance reviews and extensive interviews with theatre professionals this book explores how Shakespeare's cultural capital has been evoked in the reinvention of a post communist nation against a backdrop of political tensions surrounding the ascendance of Central and Eastern Europe to the European Union      **Socially Just Mining** Jordan Aitken,Rita Armstrong,Vicki Bilro,Andy Fourie,Kylie Macpherson,2022-05-31 In this book we consider ways in which mining companies do and can should respect the human rights of communities affected by mining operations We examine what can and should mean and to whom in a variety of mostly Peruvian contexts and how engineers engage in normative practices that may interfere with the communities best interests We hope to raise awareness of the complexity of issues at stake and begin the necessary process of critique of self and of the industry in which an engineer chooses to work This book aims to alert engineering students to the price paid not only by vulnerable communities but also by the natural environment when mining companies engage in irresponsible and often illegal mining practices If mining is to be in our future and if we are to have a future which is sustainable engineering students must learn to mine and support mining in new ways ways which are fairer more equitable and cleaner than today      At the Intersection of Hermeneutics and Homiletics Yung Suk Kim,2025-04-18 While hermeneutics involves comprehensive study of the biblical text whether through historical or literary or reader focused approaches homiletics is concerned with a selected theme message and on the composition and delivery of sermonic discourse aimed at a particular audience But the border between hermeneutics and homiletics is blurry because both disciplines require readers to engage the biblical text from their own contexts This collection deals with the intersection of hermeneutics and homiletics by exploring two revelatory texts one from the Hebrew Bible and the other from the New Testament the book of Ruth and Matthew 15 21 28 a Canaanite woman's encounter with Jesus Both reflect agonizing issues that readers must tackle immigration family community identity agency race ethnicity gender class culture economy and religion A diverse group of scholars brings their transgressive perspectives to the above texts Unfolding new areas of interest inquiry and insight they will transgress authoritative readings of biblical texts fashion hermeneutic horizons in dialogue with the text and forge homiletic trajectories toward contemporary audiences Without limiting interpretation to a box this volume looks to register bold voices to perennial issues in our day Homiletic transformation occurs through the relentless resistant reading of the text and through reimagining our world      **American Teenager** Nico Lang,2024-10-08 NATIONAL BESTSELLER A 2025 STONEWALL BOOK AWARD HONOREE From an award winning journalist comes a vivid and moving portrait of eight trans and nonbinary teenagers across the country following their daily triumphs struggles and all that
