**JPS: the Americanization of Jewish Culture, 1888-1988** Jonathan D. Sarna, 2021-10 Published to mark the 100th anniversary of The Jewish Publication Society Jonathan Sarna's engaging blend of anecdote and analysis presents the personalities and the controversies the struggles and the achievements behind a century of publishing by the oldest English language publisher of Jewish books in the world Includes black and white photographs and extensive listings of JPS officers and editors governing boards and authors translators and illustrators up to 1988 *Sabbatai Zevi* David J.

Halperin, 2011-12-01 Sabbatai Zevi stirred up the Jewish world in the mid seventeenth century by claiming to be the messiah then stunned it by suddenly converting to Islam The story is presented here for the first time through contemporary documents written by Sabbatai's followers and by one of his detractors in translations that brilliantly capture the vividness of this landmark episode in early modern Jewish history **Scholar and Kabbalist: The Life and Work of Gershom**

**Scholem** Mirjam Zadoff, Noam Zadoff, 2018-10-02 The articles collected in *Scholar and Kabbalist: The Life and Work of Gershom Scholem* present diverse biographical aspects and the scholarly oeuvre of arguably the most influential Jewish Israeli intellectual of the 20th century Immigrating to Palestine in 1923 Gershom Scholem became one of the founders of the Hebrew University in Jerusalem and was the first to establish Jewish Mysticism as a scholarly discipline The articles collected here reflect the diversity of Scholem's intellectual scope including his contribution to Jewish Studies as a scholar of Kabbalah religion and history as a bibliophile and an expert librarian of Judaica Central aspects of Scholem's impact on Jewish historiography literature and art in Israel Europe and the US are presented to the reader for the first time *Kabbalah and Literature* Kitty Millet, 2024-01-11 Focuses on a range of Jewish and non Jewish writers to examine the intersection of Kabbalah the Jewish mystical tradition and secular Jewish literatures *Kabbalah and Literature* shows how the Jewish mystical tradition contributes to the renewal of literature in a modern global and increasingly disconnected age Kitty Millet explores Kabbalah's conceptual underpinnings aesthetic principles tenets and signifiers to demonstrate how literature's absorption of kabbalistic material has altered its ontology function and the tasks it sets for itself Reading writers from Europe and the Americas Kitty Millet maps how the kabbalist's desire to recover Eden transforms into a latent messianic drive only intuitable through text Thus it charts a journey of sorts a migration of Jewish mystical material embedded surreptitiously within text in order to shift ever so slightly at times the range of the literary to encompass an aesthetic vision not easily reducible to the literal the known the allegorical or even the philosophical In this way Kabbalah and Literature proposes a novel intuitive approach shifting focus away from the Jewish text's epistemological elements to embrace its secrets **Jewish Education**

*figures*, 1999 **The Renaissance of Jewish Culture in Weimar Germany** Michael Brenner, 1998-01-01 Although Jewish

participation in German society increased after World War I Jews did not completely assimilate into that society In fact says Michael Brenner in this intriguing book the Jewish population of Weimar Germany became more aware of its Jewishness and created new forms of German Jewish culture in literature music fine arts education and scholarship Brenner presents the first in depth study of this culture drawing a fascinating portrait of people in the midst of redefining themselves The Weimar Jews chose neither a radical break with the past nor a return to the past but instead dressed Jewish traditions in the garb of modern forms of cultural expression Brenner describes for example how modern translations made classic Jewish texts accessible Jewish museums displayed ceremonial artifacts in a secular framework musical arrangements transformed synagogue liturgy for concert audiences and popular novels recalled aspects of the Jewish past Brenner s work while bringing this significant historical period to life illuminates contemporary Jewish issues The preservation and even enhancement of Jewish distinctiveness combined with the seemingly successful participation of Jews in a secular non Jewish society offer fresh insight into modern questions of Jewish existence identity and integration into other cultures
