*Adventist Review* ,2001      Genesis Johann Peter Lange,2024-08-28 The original 63 volumes set are now reduced to 9 volumes We have completed volumes 1 6 9 which are the New Testament Lord willing during 2023 2024 we will try to complete volumes 2 5 which are the Old Testament This volume was published between 1867 1874 In contrast to the extreme skeptical critical mode which came to characterize much of German scholarship in the 19th century Lange represented a more traditional conservative and Evangelical approach shared in common with men such as E W Hengstenberg He was also a Reformed minister and the Commentaries reflect this combination of conservative criticism Evangelical theology and homiletics in a way that is unique For each passage that is covered a consistent approach is adopted throughout After giving the text in translation along with textual notes as footnotes three different kinds of commentary are presented EXEGETICAL AND CRITICAL DOCTRINAL AND ETHICAL HOMILETICAL AND PRACTICAL This gives you three times the value For each verse you select a drop down box will appear allowing you to choose from each of these areas or kinds of commentary For detailed analysis go to the exegetical critical notes for sermon ideas and pastoral insights select the Homiletical notes

Akerele,2014-01-03 Every month is peculiar and unique So is the gate of every month a midnight gate by western calendar system The name of the month numerical position and ordinal character in the calendar system are very important in advanced spiritual warfare My times are in your hands O Lord Employ these qualities and characteristics to speak by apostolic decrees to every month and the month shall yield you your portion Every month of the western world calendar has spiritual characteristics pointing to a definitely idolatrous background and origin This is not without consequence when it comes to the battle for the control of time Some spiritual powers are struggling to be in control of your time They pretend they have the time dedicated to themselves and can only

release it for the use of man in exchange for worship Command the Month The Midnight Gate gives you the spiritual tools to take back the control and administration of time that the adversary has arrogated to himself Shall we war

**Apocalypticism and Mysticism in Ancient Judaism and Early Christianity** John J. Collins, Pieter G. R. Villiers, Adela Yarbro Collins, 2018-09-24 The nature and origin of Jewish mysticism is a controversial subject This volume explores the subject by examining both the Hebrew and Aramaic tradition Dead Sea Scrolls 1 Enoch and the Greek philosophical tradition Philo and also examines the Christian transformation of Jewish mysticism in Paul and Revelation It provides for a nuanced treatment that differentiates different strands of thought that may be considered mystical The Hebrew tradition is mythical in nature and concerned with various ways of being in the presence of God The Greek tradition allows for a greater degree of unification and participation in the divine The New Testament texts are generally closer to the Greek tradition although Greek philosophy would have a huge effect on later Christian mysticism The book is intended for scholars and advanced students of ancient Judaism and early Christianity **The Ladies' Repository** ,1852 **Sunday Observance** United States.
