Sabbath Day Chris Smith, 2016-03-25. Sabbath Day is about the day of rest given to humanity on behalf of The Lord Jesus Christ. The day of rest should be a day of no work or labor, a day of enjoyment, a day of family time and a day of Praise. The book was written for those who are doers of the Word of God by faith with obedience and not a hearer only. Sabbath Day was finished because I believe by faith that my book will help people rest from working ourselves to death, says author Chris Smith.

The Undoing: Previously Published as You Should Have Known Jean Hanff Korelitz, 2014-03-18. In this smart and devious New York Times bestselling thriller, a marriage counselor's relationship begins to unravel when the mother of her son's classmate is murdered. The New York Times. The inspiration for the HBO series *The Undoing* starring Nicole Kidman and Hugh Grant. Grace Reinhart Sachs is living her best life. Devoted to her husband, a pediatric oncologist at a major cancer hospital, their young son Henry and the patients she sees in her therapy practice, her days are full of familiar things. Grace is also the author of a book *You Should Have Known* in which she cautions women to really hear what men are trying to tell them. But weeks before the book is published, a chasm opens in her own life: a violent death, a missing husband and in the place of a man, Grace thought she knew only an ongoing chain of terrible revelations leading her to dismantle her life in order to create a new one lest she allow these disasters to destroy her.
