Transformative Teaching Darrell Dobson, 2008-01-01. This is a book that supports teachers, teacher educators, and educational researchers as they strive for ways to make their work more authentic, more meaningful, and therefore more spiritual. Dobson describes the practices of exemplary teachers, offers a theoretical framework for transformative teaching, and includes useful examples that the reader can readily include in her own teaching and/or research. Dobson offers two innovative methods of teacher reflectivity: *Interacting Narratives* and *Archetypal Reflectivity*, and an original methodology of teaching literature and the arts that draws on the insights of depth psychology. Interwoven throughout the book is Dobson's own story of an at-risk student who was deeply affected by his high school experiences with drama and literature. The book will be of interest to teachers in all fields, but particularly in literature and the arts. It will appeal to teacher educators, educational researchers, those interested in analytical psychology, those interested in narrative approaches to teacher education, and those interested in narrative approaches to educational research. It will be useful in courses that focus on the construction of teachers' professional knowledge and reflective practices, as well as methodology classes in literature, drama, and all the arts. The book will also be of interest in qualitative arts-based research methodology classes. **The Sacketts 4-Book Bundle** Louis L'Amour, 2012-12-17. An epic spanning multiple generations in one frontier family, Louis L'Amour's Sackett series is perhaps the crowning achievement of one of our greatest storytellers. Now for the first time, the Sackett origin story is available as an eBook bundle featuring Sackett's *Land To the Far Blue Mountains*, *The Warrior's Path*, and *Jubal Sackett*. These four novels chronicle the arrival of the patriarch on American soil and the unforgettable adventures of his sons as they strike out into the wilderness of a sprawling new land. **SACKETT'S LAND**: After finding six gold Roman coins buried in an English swampland, Barnabas Sackett invests in goods to trade in America. But he also has a powerful enemy with a grudge that goes back to Sackett's father. On the eve of his departure, Sackett is attacked and thrown into the hold of a pirate ship. After managing to escape, he makes his way to the Carolina coast where the raw, abundant land promises a bright future. However, before that dream can be realized, Sackett must first discover the secret of his father's legacy. **TO THE FAR BLUE MOUNTAINS**: After returning to England, Barnabas Sackett discovers that finding his way back to America to make his fortune may be impossible. A warrant has been issued for his arrest, and men are searching for him in every port. Believing that Sackett possesses a rare royal treasure, Queen Bess will stop at nothing to find him. If he's caught, not only will his dream of a life in America be lost, but he will be brutally tortured and put to death on the gallows. **THE WARRIOR'S PATH**: When

Yance Sackett is called upon to rescue two kidnapped girls one of whom is his wife's young sister he corrals his brother Kin and together they race north from Carolina to find her Arriving at a small town rife with superstition the brothers learn that someone very powerful was behind the girls abduction To bring the culprit to justice Kin sails to the exotic West Indies There among pirates cutthroats and ruthless businessmen he will apply the skills he learned as a frontiersman to an unfamiliar world where one false move means instant death JUBAL SACKETT Jubal Sackett's urge to explore has driven him westward and when a Natchez priest asks him to undertake a nearly impossible quest Sackett ventures into the endless grassy plains the Indians call the Far Seeing Lands He seeks a Natchez exploration party and its leader Itchakomi It is she who will rule her people when their aging chief dies But first she must vanquish her rival the arrogant warrior Kapata Sackett's journey will bring him danger from an implacable enemy and show him a life and a woman worth dying for

Government Bullies

Rand Paul, 2025-05-01 Government regulations are out of control They dictate how much water goes into your commode and how much water comes out of your showerhead They determine how hot the water needs to be in your washing machine and how many miles to the gallon your car must achieve Since the Patriot Act your banking records your gun registration and your phone bill are easily accessible by government snoops Mothers are arrested for buying raw milk Families are fined for selling bunny rabbits without a license Home and property owners are strapped with obscene fines entangled in costly legal messes and sent to federal prison all for moving dirt from one end of their land to another Unelected bureaucrats armed with arbitrary rules and no need to back them up stonewall and attack American citizens at every turn The damage can be overwhelmingly taxing financially emotionally and even physically And who is being held accountable Government regulation and red tape run amok in Washington and honest tax paying citizens are the victims of an administration's misuse and abuse of power Now Senator Rand Paul of Kentucky takes an in depth look at the legislation that is trampling the rights of ordinary citizens strangling their ability to conduct private everyday activities without egregious government interference He highlights outrageous searches seizures and arrests and points to thousands of regulations that have been added to the books since Obama took office Most importantly he charts a direction out of this mess and toward renewed freedom for all Americans These stories are of everyday Americans badgered and harassed by their own government the very institution that is supposed to serve us all This gross breach of our constitution is as frightening as it is real and Government Bullies is a call to action against it
