A NOVEL

DAVID HILL

Sacred Dust

Edward Young (the Poet.)

Sacred Dust:

Sacred Dust David Hill, 2010-10-20 Rose of Sharon had cried out to the man on the boat tried to warn him the night he was shot for fishing where he wasn't welcome Then she retreated into silence and guilt Rose might have kept quiet if it hadn't been for Lily the outsider whose infidelities titillated Prince George County Brassy blonde Lily saw straight through Rose the dutiful wife of an abusive man Lily pushed her over the edge exacting friendship where Rose had none to give demanding that she break the code of silence that imprisoned them all For both women knew that a man was killed in Prince George County for the color of his skin and the time for change had come **Heretical Bogomils** Maximus Confessor, Maximus Confessor+, 2001-07-20 God Love Symbolism Faith The Cross The sacrament of the present moment All this and more is herein The radical iconoclastic sans culotte ultra ist is back Maximus Confessor takes us into a religious world that is OTHER than we were taught it should be All in all a spiritually sensuous voyage **Dinéjį Na`nitin** Robert S. McPherson, 2012-11-15 It is rare that an Anglo scholar could understand the in depth meaning of the Navajo worldview and its implications It is even rarer for him to interpret it in Western narrative form without losing meaning and integrity Robert S. McPherson has done just that Harry Walters Former Director Hatathli Museum at Din College Traditional teachings derived from stories and practices passed through generations lie at the core of a well balanced Navajo life These teachings are based on a very different perspective on the physical and spiritual world than that found in general American culture Din j Na nitin is an introduction to traditional Navajo teachings and history for a non Navajo audience providing a glimpse into this unfamiliar world and illuminating the power and experience of the Navajo worldview Historian Robert McPherson discusses basic Navajo concepts such as divination good and evil prophecy and metaphorical thought as well as these topics relevance in daily life making these far ranging ideas accessible to the contemporary reader He also considers the toll of cultural loss on modern Navajo culture as many traditional values and institutions are confronted by those of dominant society Using both historical and modern examples he shows how cultural change has shifted established views and practices and illustrates the challenge younger generations face in maintaining the beliefs and customs their parents and grandparents have shared over generations This intimate look at Navajo values and customs will appeal not only to students and scholars of Native American studies ethnic studies and anthropology but to any reader interested in Navajo culture or changing traditional lifeways **Psyche** Louis Couperus, 2020-09-28 *A Navajo Legacy* John Holiday, Robert S. McPherson, 2005 In the second part of the book Holiday details the family and tribal teachings he has acquired over a long life He tells his grandparents stories of the Long Walk era discusses local attitudes about the land relates Navajo religious stories and recounts his training as a medicine man All of Holiday's experiences and teachings reflect the thoughts of a traditional practitioner who has found in life both beauty and lessons for future generations **BOOK JACKET** **Utah's Stolen Treasures** Gene Covington, 2013-01-09 Utah's Stolen Treasures is a book that was inspired by three American Indian shields

discovered by author Gene Covington's grandparents in Wayne County Utah back in 1926 Using the discovery of the shields as a point of departure Covington provides a multi layered tale based primarily upon facts regarding the study of and caring for of the shields after they were discovered As this fascinating book takes you via photographs through some of the most beautiful country in America it also delves into the history of the early American pioneers and the American Indians they encountered along with the folklore and legends of the American Indians The story is centered around the three Fremont Indian tribal leaders who may have originally buried the shields in the early 1500s This trio of Indian Elders appears throughout the story first as living men and later in spirit form The book also recounts the story of the author's own family defining who Native Americans are as it follows the lives of his grandparents up to and beyond the discovery of the shields But Utah's Stolen Treasures is more than just a family history or a tale of Indian folklore Ultimately it's a plea to have the shields returned to Utah and for all of mankind to come together in peace It uses the American Indian people who originally occupied the lands that are now the United States as an example of just how this might be accomplished
