This Must Be the Place Milton Brasher-Cunningham, 2015-11-10 The author writes One of the characters in Robert Frost's *Death of a Hired Man* says Home is that place where when you go there they have to let you in I have found that place in my marriage around our dining room table for Thursday Night Dinners with friends who have helped me make a mosaic out of the shards of my fractured past Home for me means to belong to feel wanted Connects the metaphor of home that runs through the stories of our faith the Prodigal Son the Son of Man has nowhere to call home heaven as home with the deep desire to belong and to feel wanted

The Remarkable Ordinary Frederick Buechner, 2017-10-03 Learn to see God's remarkable works in the everyday ordinary of your life Your remarkable life is happening right here right now You may not be able to see it your life may seem predictable and your work insignificant until you look at your life as Frederick Buechner does Named the father of today's spiritual memoir movement by Christianity Today Frederick Buechner reveals how to stop look and listen to your life He reflects on how both art and faith teach us how to pay attention to the remarkableness right in front of us to watch for the greatness in the ordinary and to use our imaginations to see the greatness in others and love them well Pay attention says Buechner Listen to the call of a bird or the rush of the wind to the people who flow in and out of your life The ordinary points you to the extraordinary God who created and loves all of creation including you Pay attention to these things as if your life depends upon it Because of course it does As you learn to pay attention to your life and what God is doing in it you will uncover the

plot of your life's story and the sacred opportunity to connect with the Divine in each moment Everyday Connections Heidi Haverkamp, 2021-12-07 This volume provides a full fifty two weeks of devotional material based on the Revised Common Lectionary for Year C Drawing from the insightful Bible commentaries in the Connections series each week of offerings also includes scriptural and literary readings lectio divina spiritual practices questions for journaling and a prayer This resource has been crafted with mainline lectionary preachers and lay leaders in mind both to supplement their planning for the week and to feed their souls in the midst of the work of ministry Individuals and small groups will find their faith deepened through regular contemplation and devotional insight *Indigenous and Christian Perspectives in Dialogue* Allen G. Jorgenson, 2020-12-30 In *Indigenous and Christian Perspectives in Dialogue* Allen G Jorgenson asks what Christian theologians might learn from Indigenous spiritualities and worldviews Jorgenson argues that theology in North America has been captive to colonial conceits and has lost sight of key resources in a post Christendom context The volume is especially concerned with the loss of a sense of place evident in theologies written without attention to context Using a comparative theology methodology wherein more than one faith tradition is engaged in dialogical exploration Jorgenson uses insights from Indigenous understandings of place to illumine forgotten or obstructed themes in Christianity In this constructive theological project kairotic places are named as those that are kenotic harmonic poetic and especially enlightening at the margins where we meet the religious other **Tug of War** Wilmer G. Villacorta, 2017-07-14 A treatment of power vulnerability and suffering in the life and ministry of mid career leaders offers a reminder of the need to rethink power The push and pull of power dynamics unless acknowledged and surrendered can impact leaders spirituality relationships character and ultimately their faithfulness in ministry To supplement countless books on leadership models techniques and motivation this book offers a counter narrative of power informed by and embedded in the message of the cross it elaborates on a humble use of power and proposes a reframing of power as seen in Christ's downward ascent and cruciform strength This book is of critical importance in the field of ministry formation local and global because it probes to the very core of our human condition illuminating one of the chief perils in lives of position and leadership the misconstrual and misuse of power a reality that can be particularly destructive in spiritual and ministry contexts The larger Christian community will also find relevance in this message as leaders of every ilk share common challenges in the struggles of power and control You will find a very personal and deeply reflective treatment on our common human condition and an invitation to admit our inner and external struggles over the use and practice of power in ministry A Table in the Wilderness Thom Rock, 2015-02-13 The joyful premise at the heart of this book is that there is a table lavishly spread for all who hunger for forgiveness the believer the doubter and the famished The book's journey begins and ends with this assertion not only is there a table of forgiveness set for us in the many wildernesses of life there is a seat waiting for each and every one of us at that table What matters is whether we take that seat and if so how we behave at the feast Rooted in the notion of journeying of setting out each day to

discover some new vista along the many paths to the banquet hall of forgiveness A Table in the Wilderness draws upon the wisdom of multiple religious traditions as well as non religious sources in order to gain perspective on this long misunderstood subject Readers are just as likely to encounter Dr Seuss as they are to read the words of Sri Ramakrishna or Saint Augustine along the way Anyone who has ever been hurt or has hurt another will find this book a helpful guide

Making the Best of It John G. Stackhouse Jr.,2008-04-02 What should be the Christian s attitude toward society When so much of our contemporary culture is at odds with Christian beliefs and mores it may seem that serious Christians now have only two choices transform society completely according to Christian values or retreat into the cloister of sectarian fellowship In *Making the Best of It* John Stackhouse explores the history of the Christian encounter with society the biblical record and various theological models of cultural engagement to offer a more balanced and fruitful alternative to these extremes He argues that rather than trying to root up the weeds in the cultural field or trying to shun them Christians should practice persistence in gardening God s world and building toward the New Jerusalem Examining the lives and works of C S Lewis Reinhold Niebuhr and Dietrich Bonhoeffer for example and direction Stackhouse suggests that our mission is to make the most of life in the world in cooperation with God s own mission of redeeming the world he loves This model takes seriously the pattern of God s activity in the Bible and in subsequent history of working through earthly means through individuals communities and institutions that are deeply flawed but nonetheless capable of accomplishing God s purposes Christians must find a way to live in this world and at the same time do work that honors God and God s plan for us In an era of increasing religious and cultural tensions both internationally and domestically the model that Stackhouse develops discourages the all or nothing attitudes that afflict so much of contemporary Christianity Instead he offers a fresh and refreshingly nuanced take on the question of what it means to be a Christian in the world today **Myths America Lives**

By Richard T. Hughes,2018-09-05 Six myths lie at the heart of the American experience Taken as aspirational four of those myths remind us of our noblest ideals challenging us to realize our nation s promise while galvanizing the sense of hope and unity we need to reach our goals Misused these myths allow for illusions of innocence that fly in the face of white supremacy the primal American myth that stands at the heart of all the others *How I Discovered My Mother Was A Goddess* Beverly Charles,2010-11 In *How I Discovered My Mother Was A Goddess* Beverly Charles tells the poignant story of aging and dementia from the point of view of both the parent and child At some times troubling and other times darkly comic it provides a vision of a spiritual journey one that is healing authentic and satisfying In addition to offering us the story of a mother and daughter as they struggle with old age and death Beverly moves more deeply into the psyche to understand the goddesses at work in herself and her mother during the various phases of life We journey through the author s and her mother s relationship to each other and to eight goddesses Artemis Hestia Aphrodite Athena Demeter Persephone Hera and Mary By taking us on this odyssey with her she not only deepens our understanding of the feminine and the goddesses that

personify it but reveals how these goddesses manifest in everyday life This story enhances our understanding of the divine feminine This book is for all those who have loved ones experiencing any form of dementia as our intellectual connection diminishes may we become more connected in our hearts This book is also for women and the men who love them may we never be ashamed of the journey that brings us home to the goddess within Contemporary Fiction and Christianity Andrew Tate,2010-10-12 This book provides a detailed exploration of the spiritual and religious contexts and subtexts of contemporary fiction **Win the Day** Mark Batterson,2023-02-21 The New York Times bestselling author of Chase the Lion reveals seven powerful habits that can help you tackle God sized goals by turning yesterday s regrets and tomorrow s anxieties into fuel for a better today This book will change the trajectory of your life John Maxwell 1 New York Times bestselling author entrepreneur and leadership expert Too many people delay downsize or shrug off their dreams just because they don t know where to start but playing it safe doesn t account for the massive cost of a life not fully lived Win the Day is the jump start you need to go after your goals one day at a time You ll discover how to 1 Flip the Script If you want to change your life start by changing your story 2 Kiss the Wave The obstacle is not the enemy the obstacle is the way 3 Eat the Frog If you want God to do the super you ve got to do the natural 4 Fly the Kite How you do anything is how you ll do everything 5 Cut the Rope Playing it safe is risky 6 Wind the Clock Time is measured in minutes life is measured in moments 7 Seed the Clouds Sow today what you want to see tomorrow As Batterson unpacks each of these daily habits you ll see how simple it is to pursue them with focus and dedication not someday down the road but now Transform your perspective of a single day and you ll discover the potential waiting to be grasped at the beginning of each new sunrise **Broken and Beloved** Sammy Rhodes,2020-03-31 It s okay to admit that you re not okay This is true because Jesus died so brokenness does not have to define you In Broken and Beloved Sammy Rhodes takes you on a deep dive into the Gospel of John showing that God meets us in our brokenness and in our desire to be loved And what we find is that God not only loves us He calls us His beloved In Broken and Beloved you ll discover your need for God and how He walks with you how to break free from shame loneliness depression and pride how to wait on the Lord and trust that in the joys and pains of life Jesus is with you weeping and rejoicing beside you Why You're Here John G. Stackhouse, Jr.,2017-11-01 What are Christians to be and to do in the world What does faithfulness look like in these complex and confusing times Christians are often told either to take over the world in God s name or to withdraw into faithful sanctuaries of counter cultural witness John Stackhouse offers a concise vivid and practical alternative based on the teachings of Scripture about the meaning of human life in this world and the next Why You re Here provides an accessible concrete program for the faithful Christian living in today s world fraught as it is with ambiguity irony and frequent choices among unpalatable options Stackhouse speaks directly to everyday Christians who are searching for straightforward advice on some of their most complex quandaries and the challenges inherent in staying true to the Bible s teachings Politicians medical professionals businesspeople professors lawyers pastors

students and anyone else concerned to think realistically and hopefully about Christian engagement in society today will find here a framework to both guide and inspire them in everyday life *The Future of Preaching* Geoffrey Stevenson,2010-01-01 Preaching remains a central feature of almost all Christian worship There are thousands of men and women in the UK who preach on a regular basis clergy of all denominations Readers Local Preachers Lay Preachers Chaplains etc This book edited and contributed to by some of the leading authors in this field seeks to make a substantial and authoritative contribution to the teaching and learning of preaching The contributors offer reflections on subjects such as Preaching in a Communications Culture Preaching and the Bible Preaching and Personality Types the Life of the Preacher and Educating Future Preachers *Wild at Heart Expanded Edition* John Eldredge,2021-03-02 God designed men to seek out adventure But somewhere between childhood and the struggles of yesterday most men lose sight of those dreams Fear not bestselling author and counselor John Eldredge is here to teach men that there s a better way to live In this updated and expanded edition of the timeless bestseller Wild at Heart Eldredge unpacks man s search for validation the need for the development of courage in his soul and the call to live a life of adventure Using discoveries from his own life and backing them with scripture Eldredge reminds men that although their childhood passions dreams and desires may start getting buried under deadlines pressures and disappointments it doesn t have to be this way In fact God made men to embrace a life of courage adventure and freedom He created men to take risks and find true purpose and belonging Wild at Heart invites men to experience wholeheartedness by Recovering their true masculine heart Healing the wounds and trauma in their stories Delighting in the wildness they were created to offer the world Discovering the life giving power of nature Helping them to discover the truth about what makes them come alive Join Eldredge as he calls men to discover the true secret of the masculine soul and finally start living the life God intended for every man **Bowing Toward Babylon** Craig Watts,2017-03-08 What is being done in worship when national holidays are celebrated the American flag is displayed and honored and songs are sung that extol the nation Are these benign gestures Or could they actually be idolatrous In this insightful and persuasively argued study Craig M Watts contends the inclusion of elements of American nationalism in worship is detrimental to the integrity of Christian worship He maintains that in faithful worship the story of Jesus must be re presented and performed in such a way that the only affections and loyalty that are fostered are those Christians everywhere rightfully share To do otherwise opens the door to idolatry and leaves the church doing what Watts calls bowing toward Babylon He reviews the development of the symbols songs and gestures that celebrate America and how they were introduced into worship Watts concludes that the spirituality of American Christian nationalism does not complement the faith of the church but distorts it hindering global Christian unity and the peaceable witness of the church in a divided world Brooke's Journey of Heart Beverly Charles,Brooke Klemme,2012-08-16 Brookes Journey of Heart is the story of a daughter who lives each day with the disabilities delivered with her at birth and the mother who gave birth to her Beverly

Charles asked her daughter Brooke Klemme if she would like to write her story of living with Spina Bifida Brooke responded Yes There are two sides to every story Brooke and Beverly show us both sides of their story in the context of faith family and friends In 1971 more than 6000 American children were born with Spina Bifida but like most people Beverly Charles knew nothing about this condition until she gave birth to her third and last child In this touching memoir co authored by Charles and her daughter Brooke Klemme we learn first hand not only what it means but what it feels like to raise a disabled child to watch her suffer and triumph and to be that child who now as an adult tells her side of the story Most parents will never have to answer this question should your new baby live For Brooke s mother there was only one answer an answer that would involve multiple surgical procedures interminable hospital stays and an army of doctors and therapists an answer that would change her and her family forever This book is a spiritual memoir and a medical one The authors make connections with Eastern and Western religious practices that have seen them through difficult and joyous times for over four decades Their story transcends the personal to offer hope and help to other parents who have faced the same hard question and who like Beverly and Brooke answer YES As one reader said I loved it I laughed cried got mad got sad and now feel like a part of your family
