Hello, Higher Self Bunny Michael,2024-06-04 A must read Yung Pueblo inspirational manifesto for creative misfits and sensitive souls James McCrae an inclusive guide to radical self love joy and acceptance that softens the harshness that we can t help but let in from the world Ilana Glazer Insecurities inadequacies self doubt we all have them and never more so than in this age of media saturation and technical voyeurism Enter Bunny Michael an interdisciplinary artist and podcast host whose work picks up where Alex Elle Bren Brown and Julia Cameron leave off Bunny knows what it is firsthand to be an outsider from trying to find their footing in an art world dictated by social media followers to coming to terms with their queer identity to dealing with the societal traumas they ve inherited as a person of color in a society that privileges whiteness It was at a real low point that Bunny first got in touch with their higher self and ever since has been helping their followers do the same through their art and inspiring Instagram presence Building from Bunny s viral memes Hello Higher Self Is a self care manifesto calling on readers to radically shift their perspectives from the Learned Hierarchal Beliefs LHBs we ve all internalized to the self acceptance we were born into aka our Higher Selves This book shines a light into eighteen areas of life where LHBs often lurk from creativity to work to relationships to race to sexual pleasure Bunny s mix of meditative

advice written exercises and personal examples make for a jaw dropping read Hello Higher Self offers the dose of radical self compassion we all need and serves as a potent reminder that we are enough Bunny Michael offers us a powerful invitation to dismantle the harmful beliefs society imposes on us and embrace our true and lasting worth This is a must read Yung Pueblo New York Times bestselling author of Inward Clarity Connection and The Way Forward [Glimpses Of Light](#) J.M. Shepherd,2017-07-11 Glimpses of Light is a Spiritual Journey of Self Discovery and Love The Loving ideas and feelings that permeate throughout this book came through experience channeling trust and most of all Love Advanced spiritual concepts and application exercises are presented in a step by step manner to progressively expand your awareness and self confidence Specific affirmations will increase your feelings of Love so they become a natural part of your daily life What I have found missing in most presentations are clear explanations of how various mental processes work This vital information is important in achieving lasting results using your natural mental processes This book will give you valuable information tools and detailed instructions on how to incorporate this Loving information into your daily life Part 1 Unfolding the Fundamentals of Life describes the experiences and spiritual breakthroughs that happened to me and other individuals during our search for truth Part II Higher Consciousness takes the reader on a path to higher levels of mental awareness and understanding New feelings of Love and compassion will start radiating from you naturally The word Love is capitalized throughout this book to emphasize its importance as the Essence of the Universe Be prepared for a wonderful experience when you complete this spiritual journey You will truly see yourself your life experiences and the universe in a totally new way **Mysteries of Life, Death and Beyond** Patrick J. Conte MD PhD,2016-07-06 The book Mysteries of Life Death and Beyond illustrates the fantastic odyssey of human kind from the dawn of creation and through the evolution of mind body and spirit in order to attain our final destination of self realization and union with the Supreme Creator It provides an answer to the age old philosophical question what is the meaning of life Learn what was present prior to the Big Bang and what happened at the time of the Big Bang based upon our current scientific knowledge Discover how galaxies and our solar system were formed and how life began on planet earth Understand the theory of evolution of the animal species and the eventual development of mankind Find out what really happened in the Garden of Eden and who were the fallen angels and were there really giants in those days Find out if there is life after death and where do we go Do we get more than one chance in life to attain heaven based upon the theory of reincarnation The concept of the triune brain indicates that the human brain is in essence made up of three parts the reptilian brain the limbic system and the neocortex each performing separate neurologic functions but yet interconnected Find out how each affects our thoughts and actions for both good and bad Learn how the seven major energy centers of the body help guide us from material existence up to the higher realms of spirituality and how you can balance each chakra *Spiritual Journey* Jameel Kermalli , The Religion al Islam emphasizes all Muslims men and women to embark on a sacrificial journey towards The Merciful Allah SWT Most certainly there is within all

of us an inherent desire to attend to some spiritual matters and near The Absolute Truth In this way we would intensify our relationship with The Almighty and gain proximity This book explored the path that one must follow in order to gain spirituality and nearness to Allah SWT Rekindle Your Spirit: A Renewed Walk with the Sacred Silas Mary, 2025-01-21
