Goddesses in World Culture Patricia Monaghan,2010-12-01 This collection of accessible essays relates the stories of individual goddesses from around the world exploring their roles in the cultures from which they came their histories and status today and the controversies surrounding them Goddesses in World Culture brings readers the fascinating

stories of close to 100 of the world's goddesses ranging from the immediately recognizable to the obscure. These figures, many of whom derive from ancient cultures and civilizations, serve as points of departure for examining questions that go well beyond the role of women in religion and spirituality to include social organization, environmental awareness, historical developments, and psychological archetypes. Each volume of this groundbreaking set is composed of 20-25 previously unpublished articles written by expert contributors from diverse disciplines. Volume one covers Asia and Africa; volume two covers the Eastern Mediterranean and Europe; and volume three covers Australia and the Americas. Goddesses from cultures often overlooked in texts on religion, such as those of the Australian Aborigines, Korea, Nepal, and the Caribbean, are included here. In addition, the work offers new translations of ancient texts, introduces little-known folklore, and suggests new approaches to contemporary religious practices.

**Our Godly Sexual Beings** Donna Mack with Kristi Miller, 2023-09-08. Our Godly Sexual Beings explores scripture and other ancient texts to unveil one of humanity's great mysteries: God's purpose for designing our Godly sexual beings. After thirty years of committed research and study, Donna Mack perceived an essential missing link from the age-old battle of God vs. Satan. While other books have attempted to discuss human sexuality, none have done so with as many biblical and scholarly-backed references as *Our Godly Sexual Beings*. One fascinating revelation in scripture is just how sacred human sexuality exists for God. The Bible sings with this truth, and Donna dives into this mystery to reveal the greatest love story ever told. With the help of over 1,300 references, Donna uncovers God's design for sex and Satan's influence that morphed this gift into a lie of lust. This book is full of many revelations and truths that will allow the reader to experience freedom from sexual sin, shame, and bondage.

*Multiculturalism and the Convergence of Faith and Practical Wisdom in Modern Society* Pascal, Ana-Maria, 2016-12-21. This integration of spirituality causes numerous impacts across various aspects of modern life. *Multiculturalism and the Convergence of Faith and Practical Wisdom in Modern Society* is a pivotal reference source for the latest scholarly research on the cultural, sociological, economic, and philosophical effects of religion on modern society and human behavior. Featuring extensive coverage across a range of relevant perspectives and topics, such as social reforms, national identity, and existential spirituality, this publication is ideally designed for theoreticians, practitioners, researchers, policy makers, advanced-level students, and sociologists.

**Jealous** Kelly Jean Whitaker, 2017-05-14. JEALOUS will cause you to come away from the Christian norm and allow God to position you in a place of victory over the world's darkest enemy. Do you ever wonder what is happening to our world when you see the latest breaking story? People seem so much more hostile with no regard for others. Crimes against humanity are growing more vicious by the day. Spiritual darkness is growing bolder and bolder. We can no longer ignore it. Many Christians believe that learning about the dark roots of society

will only fuel the devil's agenda This book challenges that belief Your eyes will open to an obscure dark power that is affecting people we know Moses despised it as Hathor Solomon lifted it up as Ashtoreth Paul confronted it as Artemis Josiah defiled it as Asherah Jeremiah exposed it as the Queen of Heaven Morphing into a multitude of desirable idols through time the queen of heaven exists only to carry out the devil's sole desire to destroy the human race She is on our doorstep affecting our world today No other book contains a full exposition of the queen of heaven based on a solid biblical foundation God's name JEALOUS was first proclaimed in the aftermath of Israel's blatant worship of the queen of heaven Ever since then people have worshiped the One True God right alongside the queen of heaven often times without knowing it JEALOUS will arm you with being able to recognize the queen of heaven's commanding influence the entertainment industry popular literature long respected world institutions and even in major religions a clearer understanding of many difficult Scripture passages and most importantly a passion to love others caught in the destructive lifestyles that the queen of heaven promotes Join Kelly as she shares personal stories that will entice you into an intimate desire to purify your own worship to the One True God Newest revision available on Amazon
