Elliott, 2022-06-24 This book explores the issue of ecclesiastical authority in Romanesque sculpture on the portals and other sculpted gateways of churches in the north Italian region of Lombardy Gillian B Elliott examines the liturgical connection between the ciborium over the altar the most sacred threshold inside the church and the sculpted portals that appeared on church exteriors in medieval Lombardy In cities such as Milan Civate Como and Pavia the liturgy of Saint Ambrose was practiced as an alternative to the Roman liturgy and the churches were constructed to respond to the needs of Ambrosian liturgy Not only do the Romanesque churches in these places correspond stylistically and iconographically but they were also linked politically in an era of intense struggle for ultimate regional authority. McGregor,2007-04-30 The word kua ina translates literally as back land or back country Davianna P maika i McGregor grew up hearing it as a reference to an awkward or unsophisticated person from the country However in the context of the Native Hawaiian cultural renaissance of the late twentieth century kua ina came to refer to those who actively lived Hawaiian culture and kept the spirit of the land alive The mo olelo oral traditions recounted in this book reveal how kua ina have enabled Native Hawaiians to endure as a unique and dignified people after more than a century of American subjugation and control The stories are set in rural communities or cultural k puka oases from which traditional Native Hawaiian culture can be regenerated and revitalized By focusing in turn on an island Moloka i moku the districts of Hana Maui and Puna Hawai i and an ahupua a Waipi io Hawai i McGregor examines kua ina life ways within distinct traditional land use regimes The lelo no eau descriptive proverbs and poetical sayings for which each area is famous are interpreted offering valuable insights into the place and its overall role in the cultural practices of Native Hawaiians Discussion of the landscape and its settlement the deities who dwelt there and its rulers is followed by a review of the effects of westernization on kua ina in the nineteenth century McGregor then provides an overview of social and economic changes through the end of the twentieth century and of the elements of continuity still evident in the lives of kua ina The final chapter on Kaho olawe demonstrates how kua ina from the cultural k puka under study have been instrumental in restoring the natural and cultural resources of the island
