The Power of Revival Dongjin Park, 2023-11-08 Lloyd Jones's Reformed doctrine of Spirit baptism The Welsh minister Martyn Lloyd Jones 1899 1981 was one of the most influential preachers of the twentieth century His preaching was grounded in his view on the baptism of the Holy Spirit but his pneumatology is often seen as a departure from his Reformed heritage In *The Power of Revival* Dongjin Park explores how Lloyd Jones's preaching was kindled by his distinctly Reformed view of Spirit baptism By tracing Lloyd Jones's writings and sources Park shows how Lloyd Jones's theology of Spirit baptism was less an embrace of charismatic and Pentecostal theology than a reappropriation of Puritan emphasis on experiential faith Lloyd Jones's revivalistic urgency fueled by the Spirit's power to ignite preaching and holy living found its spark in Calvinistic revivalism *The Power of Revival* sheds light on Lloyd Jones and Reformed theology and encourages readers to follow his example of relying on the Spirit

Lloyd-Jones on the Christian Life (Foreword

by Sinclair B. Ferguson) Jason C. Meyer, 2018-04-16 Called a physician of the soul Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century Originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner With a unique ability to winsomely capture the minds and hearts of his listeners Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death In this book pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of God Lloyd Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way

Preaching Jason C. Meyer, 2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it is so important exploring the concept's canonical development and relevance for key doctrines

Deep Preaching J. Kent Edwards, 2009 J. Kent Edwards recalls a story that late pastor J. Vernon McGee told about seeing children in South Africa playing a game of marbles in the dust with real diamonds The precious stones were being handled with no regard for their true worth Edwards fears the same thing happens today when preachers offer Scriptural truth to listeners without being completely overwhelmed by its greatness themselves in the process Deep Preaching is his call to rethink preaching Edwards helps preachers learn to preach the word in ways that will powerfully change the lives of hearers He contends that sermons need not settle comfortably on the lives of the listeners like dust on a coffee table He encourages preachers to join him in casting off the lines that moor their ministries to the status quo and make every effort to steer their preaching out of the comfortable shallows He urges them to preach deep sermons rather than superficial ones moving beyond the yawn inspiring to the awe inspiring from the trite to the transforming

The Deliberate Church Mark Dever, Paul Alexander, 2005-09-09 Dever and Alexander propose a model of complete reliance and submission to the Gospel when building a healthy church Great resource for pastors elders and others interested in the vitality of their church

The Theology of the Christian Life in J.I. Packer's Thought Don J. Payne, 2006-06-01 This study offers a critical analysis of J. I. Packer's theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J. I. Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical

exploration of Packer's treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology **Excellence in Preaching** Simon Vibert, 2012-05-15 What do good preachers do well Simon Vibert has studied today's leading preachers to discover the dynamics of effective preaching Each chapter profiles a contemporary preacher and lifts out practical principles from the likes of Tim Keller John Piper and Nicky Gumbel Learn from the best And become the best preacher that you can be

Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God Word and Power Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today Martyn Lloyd-Jones Christopher Catherwood, 2015-10-14 Martyn Lloyd Jones is widely considered one of the greatest preachers of the 20th century but few modern Christians know much about his remarkable life and long standing ministry at London s historic Westminster Chapel In this new biography Christopher Catherwood Lloyd Jones s eldest grandson introduces a new generation of Christians to the physician turned preacher s important legacy Organized thematically this engaging study highlights the Doctor s constant emphasis on the centrality of the Bible when discussing theology or the Christian life showing how he integrated his belief and practice in the context of a quickly changing world 40 Questions About Pastoral Ministry Phil A.
