Total Mobilization Roy Scranton, 2019-07-24 Since World War II the story of the trauma hero the noble white man psychologically wounded by his encounter with violence has become omnipresent in America's narratives of war an imaginary solution to the

contradictions of American political hegemony In *Total Mobilization* Roy Scranton cuts through the fog of trauma that obscures World War II uncovering a lost history and reframing the way we talk about war today Considering often overlooked works by James Jones Wallace Stevens Martha Gellhorn and others alongside cartoons and films Scranton investigates the role of the hero in industrial wartime showing how such writers struggled to make sense of problems that continue to plague us today the limits of American power the dangers of political polarization and the conflicts between nationalism and liberalism By turning our attention to the ways we make war meaningful and by excavating the politics implicit within the myth of the traumatized hero *Total Mobilization* revises the way we understand not only World War II but all of postwar American culture

Paul, Covenant Killer Timothy L Parrott, 2021-11-17 Paul is one of the more interesting and least understood characters in history quite bluntly a man who changed history not just of the Christian community but the Jewish community as well Paul was a rising star in the Jewish culture and openly admits to being the chief persecutor and prosecuting those of this upstart movement While applying the legal system within the Jewish culture to all those now anathema to the Jewish culture he finds himself not just defending this new movement but laying the groundwork for the behavior customs and legality of the Christ movement and organization Once a defender of the Jewish faith he now becomes a greater and stauncher defender of the Christian faith even to the point of death in martyrdom as a political prisoner a prosecuting attorney within the Jewish legal system now working as the principal legal and as the author claims prime legal counsel for the new Ekklesia His letters are not so much about theology but legality He was born to have a foot in the Jewish legal system and a foot in the world's then dominating legal system only to serve as the first legal counsel and attorney general of the coming new legal system this is Paul the lawyer this is Paul the covenant killer *A Life's Remorse* Margaret Wolfe Hungerford, 1890 *A Life's Remorse* Duchess, 1892 **The Bible-work** James Glentworth Butler, 1892 **ON THE TRAIL OF LITERATURE: A CRITICAL**
