## **The Exchange Sacrifice according to Tigran Petrosian**

Vassilios Kotronias, 2022-06-29 The Art of the Exchange Sacrifice Tigran Petrosian the ninth world chess champion was one of the deepest thinkers the chess world has ever seen His handling of complex positions was legendary With his rare strategic feeling and exceptional vision Petrosian gradually became one of the top exponents of the art of the exchange sacrifice and perhaps the leading protagonist for the positional exchange sacrifice Acclaimed author Vassilios Kotronias has assembled a splendid collection of Petrosian's games exemplifying the artist at work The Greek grandmaster presents 36 games all deeply annotated in which he puts the Tiger's signature sacrifice under the analytical microscope And each game has an exceptional introduction putting it into historical perspective As noted by American grandmaster Alex Fishbein in the Foreword You will find your share of positional exchange sacrifices here But you will also see exchanges sacrificed in the midst of a crushing attack You will see sacrifices born of desperation to save a bad ending You will see correct and incorrect sacrifices In fact Tigran Petrosian will lose some games here This is real life there are mistakes and the author explains it all to you Vassilios Kotronias has brought you the material in a way that will enhance your appreciation of chess as an art form He has also offered you practical lessons you can use in your own chess endeavors You are already familiar with the exchange sacrifice as an art form Now enjoy the brilliant games of its greatest artist Tigran Petrosian

*The Exchange Sacrifice* Sergey Kasparov, 2016-01-06 The Inscrutable Exchange Sacrifice The exchange sacrifice giving up a rook for a bishop or knight is one of the more mysterious concepts for most players to fathom In this book the first of its kind dedicated exclusively to the various types of positional exchange sacrifices Belarussian grandmaster Sergey Kasparov weighs the pros and cons of this sacrifice when it should be on and when not With almost 200 annotated games he examines common themes in exchange sacrifices including Domination Fighting for the Initiative Utilizing an Advantage Launching an Attack against the King Reducing Your Opponent's Offensive Potential Destroying a Pawn Chain Building a Fortress Activating Your Bishop and much more He also takes a look at a selection of games by former world champions Tigran Petrosian and Anatoly Karpov and their handling of this sacrifice This book has the ability to add an important practical dimension to your game the positional exchange sacrifice Whether you are evaluating the possibility of sacrificing the exchange or perhaps preparing to defend against it Sergey Kasparov's ground breaking work will help you sort things out It is a practical guide which makes the exchange sacrifice more well scrutable

**How to Out-Prepare Your Opponent** Jeroen Bosch, 2022-06-23 The number of hours you can spend on opening preparation is endless Books videos and databases offer hundreds of ever widening variations But how do you find your way through this labyrinth Where do you start And maybe even more importantly where do you stop International Master Jeroen Bosch provides a solution to those answers He presents a structured approach to the study of openings and the preparation for a club match or a tournament game Every time strapped chess improver will love

Bosch's approach instead of studying more hours or memorizing more lines he advises you to start making smart choices The goal is not to reach a slight advantage in every possible line The goal is to dictate what will happen on the board You want to get a position you understand and are happy to play and make your opponent feel uncomfortable Jeroen Bosch provides you with all the tools you need to dominate the opening phase of the game how to use move order and how to use tactics He explains when to play a main line when to come up with an opening surprise or when to risk a gambit And much much more

**Counter Gambits** T. D. Harding, 2013-01-18 The author reveals how to win games with Black by proposing the method of calculated aggression covering such topics as dynamic counterplay counter gambits in open games Black sacrifices in the half open games counters to the Queen's Gambit and Indian Counter Gambits Includes 67 fully annotated games and another 25 complete games in theoretical notes

**Sacrifice and Initiative in Chess** Ivan Sokolov, 2014-05-28 The sacrifice is one of the most beautiful rewarding and complex aspects of chess During a game the decision to give up material in order to get an advantage is probably the most difficult one a player has to take Often you have to burn your bridges without being able to fully calculate the consequences Risks and rewards are racing through your mind fighting for precedence while the clock keeps ticking Now is the moment because after the next move the window for this opportunity may be closed In this book Ivan Sokolov presents a set of practical tools that will help you to master the art of sacrifice By concentrating on the aim you are trying to achieve rather than on the opening you are playing or the piece you might be going to sack he teaches you how to come to a reasonable risk assessment and how to trust your intuition There is a separate part on seizing the initiative without actually giving up material Ivan Sokolov has written an entertaining and instructive guide packed with useful advice and lots of practical examples

Mastering Positional Sacrifices Merijn van Delft, 2020-06-25 Most chess games of beginners and post beginners are decided by fairly straightforward tactics Anyone who wants to progress beyond this level and become a strong club player or a candidate master needs to understand that somewhat mysterious looking resource the positional sacrifice International Master Merijn van Delft has studied and loved positional sacrifices for as long as he can remember This non forcing tool is not just a surprising and highly effective way of creating a decisive advantage during a game Positional sacrifices are also instruments of superior beauty Van Delft has created a unique thematic structure for all types of positional sacrifices He shows the early historical examples explains which long term goals are typical for each fundamental theme and presents lots of instructive modern examples He then concentrates on those sacrifices that have become standard features of positional play Solving the exercises he has added will further enhance your skills Playing a positional sacrifice will always require courage Merijn van Delft takes you by the hand and not only teaches the essential technical know how he also helps you to recognize the opportunities when to take the plunge Mastering Positional Sacrifices is bound to become a modern day classic
