Saddle Tramp:

Little Victories Lavonne Mueller, 1984 THE STORY Tempering historical fact with eloquent imagination the author parallels the lives of two outstanding women on their journeys to self fulfillment Joan of Arc in medieval France and Susan B Anthony in the American West of the nineteenth *Saddle Tramp* Todhunter Ballard, 1958 Diamond D ranch Then you find Claude Burton s Bar X is squeezing Diamond D to the wall As part of the campaign of terror three gun toughs jump you Suddenly you decide you ve been crowded far enough So you wade into those buckos and the feud is on **Comfortable Shorts** Eddie Roy, 2022-04-19 A collection of twelve simple yet engaging short stories in two very different genres There is a suite of six interconnected western stories Then there are six stories of the holiday that are season sure to leave the reader feeling good **He Holds the Reins** Brad Curtis, 2012-02-15 As a pastor of Mountain Top Cowboy Church I have discovered that there is little material designed specifically for cowboy churches or cowboy ministries Although I have been in the ministry for 16 years I had never considered writing a book however the Lord had other plans In October of 2009 I broke my leg while competing at a 40 and over bull riding which required surgery I do not believe that it was Gods plan for me to ride a bull at the age of 46 but my books are an example that the Lord will use every situation we are in for good if we will allow Him to use us During my time of recovery I started writing poems and short stories about my rodeo days then it turned to cowboy poetry In the beginning it was a way to pass the time and deal with my situation As I continued to write I began to relate my poems to scripture and it was then that the Lord truly began to use them to reach others After sharing a few with my church I discovered that they could be a useful tool in cowboy churches and ministries or those in the western culture My first book of poems and proverbs On The Trail was just another example of the Lords Grace and Mercy in my life He Holds The Reins is a continuation of that Grace and Mercy Now that I am On The Trail with Christ I allow Him to take the reins of my life while I ride toward heaven on the narrow trail **Cajun Country Guide** Macon Fry, Julie Posner, 1999-02-28 There s just nowhere else but South Louisiana to find real knee slapping crowd hooting Zydeco music Even the big city chefs can t cook up a Cajun meal the way they do at the roadside restaurants deep in the bayous of Acadiana Likewise no other guide matches the amount of in depth information presented in Cajun Country Guide It s a study of Cajuns that tells visitors how to find the sights sounds and flavors of one of America s most culturally unique regions Take a vacation to a part of our own country that in some places didn t even speak English until nearly fifty years ago While modern technology is weeding out some of the one of a kind qualities of this subculture not all of them are gone or even hard to find if you know how to hunt for them And there are no better hunters than authors Macon Fry and Julie Posner With the handy maps reviews and recommendations packed into the Cajun Country Guide a trip to the bayous won t leave one feeling like a visitor but more like a native who has come back home *Universal-International Westerns, 1947-1963* Gene Blottner, 2007-04-05 From 1947 through 1963 the merged studios of Universal and International produced mostly highly entertaining westerns that

ranged from classics like Winchester 73 to forgettable films better left unmade Entries on the 114 Universal International westerns of the period are collected here While other films may have contained western elements only films that truly fit the genre are included Films are arranged alphabetically by title and each entry includes release date alternate title cast credits songs location of filming source if the film was an adaptation running time plot synopsis commentary from the author and from the actors and directors and representative excerpts from contemporary reviews Also included are tag lines used in the original advertising for each film An introduction to the book provides details on the Universal International merger and a history of the studios productions

One Bullet More James Richard Langston,2011-03-31 Hey saddle tramp said Vernon I dont think I like a bum like you coming in here to drink with us men Matt turned to face Guthry spread his feet shoulder wide with his gun hand thumb still hooked in his belt still three fingers from his 44 The men that stood along the bar drifted to one side out of the line of fire The room grew deadly quiet Ive had just about all the crap Im going to take from a local loudmouth like you Matt said There was a deadly chill to his voice and Vernon shivered slightly from the feel of it All of a sudden he realized that he might be biting off a little more than he could chew Being the braggart that he was he couldnt back down from the step he had taken He crouched and went for his pistol Realization that he didnt even have his gun half way out of leather and was already looking into the black hole of a barrel that looked three inches in diameter he froze and in no time at all he felt the sting of salty sweat in his eyes from the large beads that had popped out on his forehead and trickled down He swallowed hard his Adams apple moved up and down but the lump in his throat was just about to choke him and he couldnt swallow it He lost control of his bladder and pissed down his leg the warm fluid trickling into his left boot Dawning on him that he had just pissed in his own whiskey he sucked in a mountain of air and said with a high pitched fine toothed comb squeak Ohooo shit

Coming In Ron Jordan,2007-01-24 A wind comes blowing bringing another new day with each breaking dawn Another day of toil and oftentimes tribulation mixed with affection for the land upon which he lives and works the cowhand s existence is a bond between nature and the folks he has come to know and respect His very existence is the epitome of a freedom that most folks will never know but merely dream of These are the heart rending tales of life in southeastern Wyoming living and working with ranchers and ranch hands cowboys and cowpokes and the occasional suburbanite in search of the real west The edge of civilization rises on a near horizon and with its arrival ushers the end of a western heritage and the cowboy culture that few outsiders will ever comprehend Written with truthfulness and candor the author weaves a tapestry of stories and personal experiences forever mindful of the fabric of life that holds this vanishing and fragile rural society together Provocative this is a perspective unlike any other ever presented Anguish coupled with brutal honesty and compassion for the working ranch hand in the American west this is a brotherhood of understanding

The Trail to Oregon Stan Mirel,2010-11-04 When I started the Trail To Oregon the research and thousands of facts and depressing incidents was almost overpowering Getting into the wagons with them fording the Rivers and walking barefoot with them was a struggle They were sleeping in wagons laden with food and furniture children and clothing guns and forgotten belongings buried under blankets and animal feed Their lives were fragile

and the perils from nature and other men cost the lives of ten percent of all the travelers as they struggled from Missouri to Oregon I wondered at first what kind of story I could extract from the bare facts from the perilous threat the pilgrims presented to each other But the courage of the men and women that walked across the states barefoot that starved and bled and struggled told me their stories as I searched their dark sunken eyes They were possibly the bravest Americans very much like the men that fought alongside General Washington except the bravery and courage was shared by the women that shouldered most of the work I was drawn into the struggle and felt the anguish when their children died when a woman was accidentally shot When mothers chewed leaves from the trees and fed the food to their husbands and children Their tattered clothes hung like potato sacks on gaunt bodies long before Oregon was in sight as they clutched their rifles and bibles praying for the strength and endurance to survive and keep the children alive Wooden crosses dotted the trail where weak sick and unfortunate souls succumbed to sickness accidental shootings and the treacherous River crossings The overland trail to Oregon was not for the meek or faint of heart even the healthy and robust found prayer a necessity to bolster their strength for the months it took to reach Oregon Come and share their courage walk with us The New Partridge
