**Comedy and the Public Sphere** Árpád Szakolczai, 2013 The book aims at reframing the discussion on the public sphere usually understood as the place where the public opinion is formed through rational discussion The aim of this book is to give an account of this rationality and its serious shortcomings examining the role of the media and the confusing of public roles and personal identity It focuses in particular on the role of the theatrical and comical in the historical development of the public sphere and in this manner reformulating definitions of common sense personal identity and culture

*Spiritual Art and Art Education* Janis Lander, 2013-12-17 This book is a study of contemporary spirituality as it is practiced in the world today characterized by its secular and inclusive nature and applied to art and art education It identifies the issues facing a formal introduction of contemporary spiritual concepts into a secular and multicultural arts educational environment Lander begins by separating the notion of the spiritual from the study of organized religions She uses examples of art from different cultures in contemporary spiritual systems making the study a reference book for contemporary spirituality and spirituality in art education with usable definitions and practical examples suitable for scholars in art and visual studies art education and contemporary spirituality

Stanley Kubrick Randy Rasmussen, 2015-11-16 Stanley Kubrick had a great talent for creating memorable images such as his famous jump cut from a bone tossed into the prehistoric sky to a spaceship orbiting the earth in 2001 Like the composer of a great symphony Kubrick also had the ability to draw his memorable moments into a lyrical whole Balancing harmony with discord he kept viewers on edge by constantly shifting relationships among the dramatic elements in his movies The results often confounded expectations and provoked controversy right up through *Eyes Wide Shut* the last film of his life This book is an intensive scene by scene analysis of Kubrick's most mature work seven meticulously wrought films from *Dr Strangelove* to *Eyes Wide Shut* In these films Kubrick dramatized the complexity and mutability of the human struggle in settings so diverse that some critics have failed to see the common threads Rasmussen traces those threads and reveals the always shifting always memorable always passionately rendered pattern
