Sculpture in the Isabella Stewart Gardner Museum Isabella Stewart Gardner Museum, Cornelius Clarkson Vermeule, Walter Cahn, Rollin van N. Hadley, 1977 [Drawings, Isabella Stewart Gardner Museum](#) Isabella Stewart Gardner Museum, 1968 [The Isabella Stewart Gardner Museum](#) Boston, Mass. Isabella Stewart Gardner Museum, Isabella Stewart Gardner Museum, Hilliard T. Goldfarb, Isabella Stewart Gardner Museum (Boston, Mass.), 1995-01-01 This book takes you through the collection gallery by gallery illuminating the art and installations in each room From preface **Italian Medieval Sculpture in the Metropolitan Museum of Art and the Cloisters** Metropolitan Museum of Art (New York, N.Y.), Lisbeth Castelnovo-Tedesco, Jack Soltanian, 2010 The collection of Italian medieval sculpture in The Metropolitan Museum of Art and The Cloisters began with the acquisition in 1908 of a Romanesque column statue today the Museum's holdings comprise more than seventy works dating from the ninth to the late fifteenth century The birthplaces of these works range from Sicily to Venice some typify local styles others illustrate the intense artistic exchanges taking place within Italy and between Italy and the wider world Technological advances of the last decades have made it possible to determine more precisely the materials and techniques from which works of art are made the history of their alteration and the mechanisms of their deterioration Using such techniques scholars have been able to ascertain for example that sculptures previously thought to be modern works carved in the medieval manner were in fact completely authentic This innovative volume represents a watershed in the study of sculpture a collaborative dialogue between an art historian and a conservator between art history and art science that deepens our understanding of the object we see while illuminating its elusive enigmatic history From publisher's description **Polykleitos, the Doryphoros, and Tradition** Warren G. Moon, 1995 Polykleitos the Doryphoros and Tradition displays an impressive range of approaches beginning with commentary on the artistic and philosophical antecedents that influenced Polykleitos' own aesthetic as well as the role of contemporary Greek anatomical knowledge in his representation of the human form Many of the essays offer extended analysis and detailed illustration of his surviving sculptures later copies of his work and reflections of his style in sculpture paintings coins and other art in Greece Italy and Asia Minor Several essays offer an extended discussion of Polykleitos' original bronze Doryphoros its pose its relation to other spearbearer sculptures and the fine Roman marble copy of it now at the Minneapolis Institute of Arts

Medieval Culture Elma Brenner,Meredith Cohen,Mary Franklin-Brown,2016-04-22 In medieval society and culture memory occupied a unique position It was central to intellectual life and the medieval understanding of the human mind Commemoration of the dead was also a fundamental Christian activity Above all the past and the memory of it occupied a central position in medieval thinking from ideas concerning the family unit to those shaping political institutions Focusing on France but incorporating studies from further afield this collection of essays marks an important new contribution to the study of medieval memory and commemoration Arranged thematically each part highlights how memory cannot be studied in

isolation but instead intersects with many other areas of medieval scholarship including art history historiography intellectual history and the study of religious culture Key themes in the study of memory are explored such as collective memory the links between memory and identity the fallibility of memory and the linking of memory to the future as an anticipation of what is to come Pottery, Pavements, and Paradise Annewies van den Hoek, John Joseph Herrmann, 2013-09-26 These essays on late antiquity traverse a territory in which Christian and pagan imagery and practices compete coexist and intermingle The iconography of the most significant late antique ceramic African Red Slip Ware is an important and relatively unexploited vehicle for documenting the diversity and interpenetration of late antique cultures Literary texts and art in other media particularly mosaics provide imagery that complement and enhance the messages of the ceramics Popular entertainments pagan cults mythic heroes beasts monsters and biblical visions are themes dealt with on the patrician and popular levels With interpretive supplements from these diverse realms it is possible to achieve greater insight into the life attitudes and thought of Late Antiquity The Connoisseur, 1978-05 *Memorials Now* Cher Krause Knight, Harriet F. Senie, 2025-01-13 A comprehensive guide to addressing the present day challenges of commemorating the past As debates over historical monuments and their meanings unfold *Memorials Now* offers a critical exploration of how communities can navigate the complex terrain of commemorative practices From controversial statues to emerging forms of public memory the topics covered in this timely volume provide insights into historical challenges while also encouraging a more inclusive and just memorial landscape for the future Authors Cher Krause Knight and Harriet F. Senie explore evolving narratives of heroes and victims ethical challenges of memorial design strategies for promoting inclusivity and possibilities for alternative forms of commemoration *Memorials Now* analyzes case studies from around the world in which communities are rethinking their memorials and creating innovative memorialization projects that reflect shifting cultural values *Memorials Now* is ideal for students and educators in art history architecture urban planning and cultural studies as well as professionals in fields such as public art city planning museum curation and civic engagement **Gothic Sculpture in America** Dorothy W. Gillerman, Joan A. Holladay, Susan L. Ward, 1989 **Lost Sculptures** Logan Rodriguez, AI, 2025-02-26 *Lost Sculptures* explores the compelling stories behind significant sculptures vanished through time destruction or theft It delves into art history examining the social and political contexts surrounding these losses from iconoclasm to wartime looting The book emphasizes how the disappearance of these artworks affects our understanding of history and cultural identity creating voids in our collective memory For instance the book discusses the destruction of the Buddhas of Bamiyan highlighting the deliberate targeting of cultural heritage The book uniquely focuses not only on the sculptures artistic value but also on the broader implications of their disappearance such as the psychological impact on communities Structured to guide readers through a comprehensive exploration it begins by introducing key concepts before examining specific examples and culminates in modern challenges like art theft and the illicit antiquities trade It unveils how the absence of

these sculptures alters art history's trajectory forcing re-evaluation of established narratives and compelling a deeper appreciation for preservation

[The Archaistic Style in Roman Statuary](#) M.D. Fullerton, 2018-07-17 This book deals with the use of archaistic stylistic elements i.e. those which revive or imitate features of Greek Archaic art in free standing statuary dating from the second century B.C. to the third century A.D. The main objective of the study is to determine how the archaistic style was used what prototypes were imitated what subjects were represented how the replicas of statue types were distributed how these statues were displayed and what prompted such stylistic anachronism The introductory chapter deals with general problems of archaism in ancient art and the specific questions pertaining to statuary in the round The body of material nearly three hundred pieces in all is organized by type on the basis of pose and garment arrangement In a concluding chapter evidence from the body of the study is collected and possible answers are suggested for the questions outlined above This study contributes to the currently widespread scholarly interest in stylistic revivals especially classicism and archaism which occurred not only in Roman times but in earlier and later periods as well
