Coast Guard, 1981 Digital Timescapes Rob Kitchin, 2023-01-16 Digital technologies are having a profound effect on the temporalities of individuals households and organisations We now expect to be able to instantly source a vast array of information at any time and from anywhere as well as buy goods with the click of a button and have them delivered within hours while time management apps and locative media have altered how everyday scheduling and mobility unfolds Digital Timescapes makes the case that we have transitioned to an era where the production and experience of time is qualitatively different to the pre digital era Rob Kitchin provides a synoptic account of this transition charting how digital technologies in a wide range of manifestations are reconfiguring everyday temporalities Attention is focused on the temporalities associated with six sets of everyday practices history and memory politics and policy governance and governmentality mobility and logistics planning and development and work and labour Critically how to challenge and reorder digitally mediated temporal power is examined through the development of an ethics of temporal care and temporal justice Conceptually and empirically rich Digital Timescapes is an essential guide to our new temporal regime It will be of interest to students and scholars of Media Studies Science and Technology Studies Sociology Anthropology Human Geography and History and Memory Studies as well as those who are interested in how digital technologies are transforming society Children's Books in Print, 1993 **Abba's Whisper** Alan Davey, Elizabeth Davey, 2017-01-18 There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba s voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to be received and art to be cultivated It can call to us when we least expect but we can train ourselves to become receptive listeners We need help to separate the cacophony of voices calling to us from the guiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself My God, My Land Jacqueline Ryle, 2016-12-05 Examining the multifaceted nature of Christianity in Fiji My God My Land reveals the deeply complex and often paradoxical dynamics and tensions between processes of change and continuity as they unfold in representations and practices of Christianity and tradition in people s everyday lives The book draws on extensive multi sited fieldwork in different denominations to explore how shared values and cultural belonging are employed to strengthen relations As such

White, 2022-07-29 Tending the Fire at the Center of the World engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church's most native theological way of knowing and being which participates with God's own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church's teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ's body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God's gifts and inviting our worship
